RECITALS

WHEREAS, the District is a local unit of special-purpose government established pursuant to the Uniform Community Development District Act of 1980, as codified in Chapter 190, *Florida Statutes*, (the “Act”), as amended; and

WHEREAS, pursuant to the Act, the District was established for the purpose of planning, financing, constructing acquiring, and/or maintaining certain infrastructure improvements and services within the District; and

WHEREAS, the District intends to employ Engineer on an interim basis to perform engineering, surveying, planning, landscaping, construction administration, environmental management, and permitting, financial and economic studies, as defined by a separate work authorization or work authorizations; and

WHEREAS, Engineer shall serve as the District’s professional representative in each service or project to which this Agreement applies and will give consultation and advice to the District during performance of its services.

NOW, THEREFORE, for and in consideration of the mutual covenants herein contained, the acts and deeds to be performed by the parties and the payments by the District to Engineer of the sums of money herein specified, it is mutually covenanted and agreed as follows:

SECTION 1. RECITALS. The Recitals stated above are true and correct and by this reference are incorporated herein and form a material part of this Agreement.

SECTION 2. SCOPE OF SERVICES. Engineer will provide general engineering planning and/or study services, as authorized by one or more Work Authorization(s), hereinafter defined, including:

- A.** Preparation of any necessary reports and attendance at meetings of the District’s Board of Supervisors (“Board”);
- B.** Assistance in meeting with necessary parties involving bond issues, special reports, feasibility studies, or other tasks;
- C.** Any other items requested by the Board.

SECTION 3. REPRESENTATIONS. Engineer hereby represents to the District that:

A. It has the experience and skill to perform the services required to be performed by this Agreement;

B. It shall design to and comply with limitation, professional registration and licensing requirements (both corporate and individual for all required basic disciplines) in effect during the term of this Agreement, and shall, if requested by the District, provide certification of compliance with all registration and licensing requirements;

C. It shall perform said services in accordance with generally accepted professional standards in the most expeditious and economical manner, and to the extent consistent with the best interests of the District; and

D. It is adequately financed to meet any financial obligations it may be required to incur under this Agreement.

SECTION 4. METHOD OF AUTHORIZATION. Each service or project shall be authorized in writing by the District (“Work Authorization”). The Work Authorization shall include the scope of work, compensation, project schedule, and special provisions or conditions specific to the service or project being authorized. Authorization of services or projects under this Agreement shall be at the sole discretion of the District. Work Authorization Number 1 attached hereto as **Exhibit A**, and incorporated herein by this reference, is hereby *approved*.

SECTION 5. COMPENSATION. It is understood and agreed that the payment of compensation for services under this Agreement shall be stipulated in each Work Authorization. Services rendered by Engineer under this Agreement shall not exceed the amounts specifically authorized by each written Work Authorization. One of the following methods will be utilized:

A. *Lump Sum Amount* - The District and Engineer shall mutually agree to a lump sum amount for the services to be rendered payable monthly in direct proportion to the work accomplished.

B. *Hourly Personnel Rates* - For services or projects where scope of services is not clearly defined, or recurring services or other projects where the District desires the use of the hourly compensation rates, the District and Engineer shall use the hourly compensation rates outlined in **Exhibit B** attached hereto. The District and Engineer may agree to a “not to exceed” amount when utilizing hourly personnel rates for a specific Work Authorization.

A. Expenses of transportation and living when traveling in connection with a project, for long distance phone calls and telegrams, and fees paid for securing approval of authorities having jurisdiction over the project. B. Expense of reproduction, postage, and handling of drawings and specifications.

SECTION 7. TERM OF AGREEMENT. It is understood and agreed that this Agreement is for interim engineering services. It is further understood and agreed that the term of this Agreement will be

from the time of execution of this Agreement by the parties until such time as the District notifies Engineer that it has entered into a subsequent agreement for engineering services.

SECTION 8. SPECIAL CONSULTANTS. When authorized in writing by the District, additional special consulting services may be utilized by Engineer and paid for on a cost basis.

SECTION 9. BOOKS AND RECORDS. Engineer shall maintain comprehensive books and records relating to any services performed under this Agreement, which shall be retained by Engineer for a period of at least four (4) years from and after completion of any services hereunder. The District, or its authorized representative, shall have the right to audit such books and records at all reasonable times upon prior notice to Engineer.

SECTION 10. OWNERSHIP OF DOCUMENTS.

A. All rights in and title to all plans, drawings, specifications, ideas, concepts, designs, sketches, models, programs, software, creation, inventions, reports, or other tangible work product originally developed by Engineer pursuant to this Agreement (“Work Product”) shall be and remain the sole and exclusive property of the District when developed and shall be considered work for hire.

B. Engineer shall deliver all Work Product to the District upon completion thereof unless it is necessary for Engineer in the District’s sole discretion, to retain possession for a longer period of time. Upon early termination of Engineer’s services hereunder, Engineer shall deliver all such Work Product whether complete or not. The District shall have all rights to use any and all Work Product. Engineer shall retain copies of the Work Product for its permanent records, provided the Work Product is not used without the District’s prior express written consent. Engineer agrees not to recreate any Work Product contemplated by this Agreement, or portions thereof, which if constructed or otherwise materialized, would be reasonably identifiable with the project.

C. The District exclusively retains all manufacturing rights to all materials or designs developed under this Agreement. To the extent the services performed under this Agreement produce or include copyrightable or patentable materials or designs, such materials or designs are work made for hire for the District as the author, creator, or inventor thereof upon creation, and the District shall have all rights therein including, without limitation, the right of reproduction, with respect to such work. Engineer hereby assigns to the District any and all rights Engineer may have including, without limitation, the copyright, with respect to such work. Engineer acknowledges that the District is the motivating factor for, and for the purpose of copyright or patent, has the right to direct and supervise the preparation of such copyrightable or patentable materials or designs.

SECTION 11. ACCOUNTING RECORDS. Records of Engineer pertaining to the services provided hereunder shall be kept on a basis of generally accepted accounting principles and shall be available to the District or its authorized representative for observation or audit at mutually agreeable times.

SECTION 12. REUSE OF DOCUMENTS. All documents including drawings and specifications furnished by Engineer pursuant to this Agreement are instruments of service. They are not intended or represented to be suitable for reuse by the District or others on extensions of the work for which they were provided or on any other project. Any reuse without specific written consent by Engineer will be at the District’s sole risk and without liability or legal exposure to Engineer. All documents including drawings, plans and specifications furnished by Engineer to the District are subject to reuse in accordance with Section 287.055(10), *Florida Statutes*.

SECTION 13. ESTIMATE OF COST. Since Engineer has no control over the cost of labor, materials, or equipment or over a contractor's(s') methods of determining prices, or over competitive bidding or market conditions, its opinions of probable cost provided as a service hereunder are to be made on the basis of its experience and qualifications and represent its best judgment as a design professional familiar with the construction industry, but Engineer cannot and does not guarantee that proposals, bids, or the construction costs will not vary from opinions of probable cost prepared by it. If the District wishes greater assurance as to the construction costs, it shall employ an independent cost estimator at its own expense. Services to modify approved documents to bring the construction cost within any limitation established by the District will be considered additional services and justify additional fees.

SECTION 14. INSURANCE. Subject to the provisions of this Section, Engineer shall maintain insurance during the performance of its services under this Agreement, with limits of liability not less than the following:

Workers' Compensation	Statutory
General Liability	
Bodily Injury (including Contractual)	\$1,000,000/\$2,000,000
Property Damage (including Contractual)	\$1,000,000/\$2,000,000
Automobile Liability	Combined Single Limit \$1,000,000
Bodily Injury / Property Damage	
Professional Liability for Errors and Omissions	\$1,000,000

If any such policy of insurance is a "claims made" policy, and not an "occurrence" policy, Engineer shall, without interruption, and at the District's option, maintain the insurance for at least five (5) years after the one year anniversary of this Agreement.

The District, its officers, supervisors, agents, staff, and representatives shall be named as additional insured parties, except with respect to the Worker's Compensation Insurance and the Professional Liability for Errors and Omissions Insurance both for which only proof of insurance shall be provided. Engineer shall furnish the District with the Certificate of Insurance evidencing compliance with the requirements of this Section. No certificate shall be acceptable to the District unless it provides that any change or termination within the policy periods of the insurance coverage, as certified, shall not be effective within thirty (30) days of prior written notice to the District. Insurance coverage shall be from a reputable insurance carrier, licensed to conduct business in the state of Florida.

If Engineer fails to have secured and maintained the required insurance, the District has the right (without any obligation to do so, however), to secure such required insurance in which event, Engineer shall pay the cost for that required insurance and shall furnish, upon demand, all information that may be required in connection with the District's obtaining the required insurance.

SECTION 15. CONTINGENT FEE. Engineer warrants that it has not employed or retained any company or person, other than a bona fide employee working solely for Engineer, to solicit or secure this Agreement and that it has not paid or agreed to pay any person, company, corporation, individual, or firm,

other than a bona fide employee working solely for Engineer, any fee, commission, percentage, gift, or other consideration contingent upon or resulting from the award or making of this Agreement.

SECTION 16. COMPLIANCE WITH GOVERNMENTAL REGULATIONS. In performing its obligations under this Agreement, Engineer and each of its agents, contractors, subcontractors, employees or anyone directly or indirectly employed by Engineer, shall comply with all applicable laws, ordinances, rules, regulations, and orders of any public or governmental authority having appropriate jurisdiction. If Engineer fails to notify the District in writing within five (5) days of the receipt of any notice, order, required to comply notice, or a report of a violation of an alleged violation, made by any local, State or Federal governmental body or agency or subdivision thereof with respect to the services being rendered under this Agreement or any action of Engineer or any of its agents, servants, or employees, or fails to comply with any requirement of such agency within five (5) days after receipt of any such notice, order request to comply notice, or report of a violation or an alleged violation, the District may terminate this Agreement, such termination to be effective upon the giving of notice of termination.

SECTION 17. COMPLIANCE WITH PROFESSIONAL STANDARDS. In performing its obligations under this Agreement, Engineer and each of its agents, contractors, subcontractors, employees, or anyone directly or indirectly employed by Engineer, shall maintain the highest standard of care, skill, diligence, and professional competency for such work and/or services. Any designs, drawings, reports, or specifications prepared or furnished by Engineer that contain errors, conflicts, or omissions will be promptly corrected by Engineer at no cost to the District.

SECTION 18. AUDIT. Engineer agrees that the District or any of its duly authorized representatives shall, until the expiration of four (4) years after expenditure of funds under this Agreement, have access to and the right to examine any books, documents, papers, and records of Engineer involving transactions related to this Agreement. Engineer agrees that payment made under this Agreement shall be subject to reduction for amounts charged thereto that are found on the basis of audit examination not to constitute allowable costs. All required records shall be maintained until an audit is completed and all questions arising therefrom are resolved, or three (3) years after completion of all work under this Agreement.

SECTION 19. INDEMNIFICATION. Engineer agrees to indemnify, defend, and hold the District and the District's officers and employees harmless from liabilities, damages, losses, and costs, including, but not limited to, reasonable attorneys' fees, which may come against the District and the District's officers and employees, to the extent caused wholly or in part by negligent, reckless, or intentionally wrongful acts, omissions, or defaults by Engineer or persons employed or utilized by Engineer the course of any work done under this Agreement. To the extent a limitation on liability is required by Section 725.06 of the Florida Statutes or other applicable law, liability under this section shall in no event exceed the greater of the insurance limits set forth herein or Two Million Dollars (\$2,000,000). Engineer agrees such limitation bears a reasonable commercial relationship to the contract and was part of the project specifications or bid documents.

PURSUANT TO FLORIDA STATUTES SECTION 558.0035 (2018), AN INDIVIDUAL EMPLOYEE OR AGENT MAY NOT BE HELD INDIVIDUALLY LIABLE FOR NEGLIGENCE.

SECTION 20. PUBLIC RECORDS. Engineer understands and agrees that all documents of any kind provided to the District in connection with this Agreement may be public records, and, accordingly, Engineer agrees to comply with all applicable provisions of Florida law in handling such records, including, but not limited, to Section 119.0701, *Florida Statutes*. Among other requirements and to the extent applicable by law, Engineer shall 1) keep and maintain public records required by the District to perform

the service; 2) upon request by the Public Records Custodian, hereinafter defined, provide the District with the requested public records or allow the records to be inspected or copied within a reasonable time period at a cost that does not exceed the cost provided in Chapter 119, *Florida Statutes*; 3) ensure that public records which are exempt or confidential, and exempt from public records disclosure requirements, are not disclosed except as authorized by law for the duration of this Agreement term and following this Agreement term if Engineer does not transfer the records to the Public Records Custodian of the District; and 4) upon completion of this Agreement, transfer to the District, at no cost, all public records in Engineer's possession or, alternatively, keep, maintain and meet all applicable requirements for retaining public records pursuant to Florida laws. When such public records are transferred by Engineer, Engineer shall destroy any duplicate public records that are exempt or confidential and exempt from public records disclosure requirements. All records stored electronically must be provided to the District in a format that is compatible with Microsoft Word or Adobe PDF formats. For the purposes of this section, "voting conflict of interest" shall be governed by the Florida Constitution and Chapters 112 and 190 of the Florida Statutes, as amended from time to time. Generally, a voting conflict exists when a Board member is called upon to vote on an item which would inure to the Board member's special private gain or loss or the Board member knows would inure to the special private gain or loss of a principal by whom the Board member is retained, the parent organization or subsidiary of a corporate principal, a business associate, or a relative including only a father, mother, son, daughter, husband, wife, brother, sister, father-in-law, mother-in-law, son-in-law, and daughter-in-law.

Rule 1.2 District Offices; Public Information and Inspection of Records; Policies; Service Contract Requirements; Financial Disclosure Coordination.

- (1) District Offices. Unless otherwise designated by the Board, the official District office shall be the District Manager's office identified by the District Manager. If the District Manager's office is not located within the county in which the District is located, the Board shall designate a local records office within such county which shall at a minimum contain, but not be limited to, the following documents:

 - (c) Names and addresses of current Board members and District Manager, unless such addresses are protected from disclosure by law;
 - (d) Adopted engineer's reports;
 - (e) Adopted assessment methodologies/reports;
 - (f) Adopted disclosure of public financing;
 - (g) Limited Offering Memorandum for each financing undertaken by the District;
 - (h) Proceedings, certificates, bonds given by all employees, and any and all corporate acts;
 - (i) District policies and rules;
 - (j) Fiscal year end audits; and
 - (k) Adopted budget for the current fiscal year.

The District Manager shall ensure that each District records office contains the documents required by Florida law.

- (2) Public Records. District public records include all documents, papers, letters, maps, books, tapes, photographs, films, sound recordings, data processing software, or other material, regardless of the physical form, characteristics, or means of transmission, made or received in connection with the transaction of official business of the District. All District public records not otherwise restricted by law may be copied or inspected at the District Manager's office during regular business hours. Certain District records can also be inspected and copied at the District's local records office during regular business hours. All written public records requests shall be directed to the Secretary who by these rules is appointed as the

District's records custodian. Regardless of the form of the request, any Board member or staff member who receives a public records request shall immediately forward or communicate such request to the Secretary for coordination of a prompt response. The Secretary, after consulting with District Counsel as to the applicability of any exceptions under the public records laws, shall be responsible for responding to the public records request. At no time can the District be required to create records or summaries of records, or prepare opinions regarding District policies, in response to a public records request.

- (3) Service Contracts. Any contract for services, regardless of cost, shall include provisions required by law that require the contractor to comply with public records laws. The District Manager shall be responsible for initially enforcing all contract provisions related to a contractor's duty to comply with public records laws.
- (4) Fees; Copies. Copies of public records shall be made available to the requesting person at a charge of \$0.15 per page for one-sided copies and \$0.20 per page for two-sided copies if not more than 8 ½ by 14 inches. For copies of public records in excess of the sizes listed in this section and for outside duplication services, the charge shall be equal to the actual cost of reproduction. Certified copies of public records shall be made available at a charge of one dollar (\$1.00) per page. If the nature or volume of records requested requires extensive use of information technology resources or extensive clerical or supervisory assistance, the District may charge, in addition to the duplication charge, a special service charge that is based on the cost the District incurs to produce the records requested. This charge may include, but is not limited to, the cost of information technology resource, employee labor, and fees charged to the District by consultants employed in fulfilling the request. In cases where the special service charge is based in whole or in part on the costs incurred by the District due to employee labor, consultant fees, or other forms of labor, those portions of the charge shall be calculated based on the lowest labor cost of the individual(s) who is/are qualified to perform the labor, taking into account the nature or volume of the public records to be inspected or copied. The charge may include the labor costs of supervisory and/or clerical staff whose assistance is required to complete the records request, in accordance with Florida law. For purposes of this Rule, the word "extensive" shall mean that it will take more than 15 minutes to locate, review for confidential information, copy and re-file the requested material. In cases where extensive personnel time is determined by the District to be necessary to safeguard original records being inspected, the special service charge provided for in this section shall apply. If the total fees, including but not limited to special service charges, are anticipated to exceed twenty-five dollars (\$25.00), then, prior to commencing work on the request, the District will inform the person making the public records request of the estimated cost, with the understanding that the final cost may vary from that estimate. If the person making the public records request decides to proceed with the request, payment of the estimated cost is required in advance. Should the person fail to pay the estimate, the District is under no duty to produce the requested records. After the request has been fulfilled, additional payments or credits may be

due. The District is under no duty to produce records in response to future records requests if the person making the request owes the District for past unpaid duplication charges, special service charges, or other required payments or credits.

- (5) Records Retention. The Secretary of the District shall be responsible for retaining the District's records in accordance with applicable Florida law.
- (6) Policies. The Board may adopt policies related to the conduct of its business and the provision of services either by resolution or motion.
- (7) Financial Disclosure Coordination. The Coordinator shall provide this list to the Commission by February 1 of each year, which list shall be current as of December 31 of the prior year. Each Supervisor and Reporting Individual shall promptly notify the Coordinator in writing if there are any changes to such person's name, e-mail address, or physical address. Rule 1.3 Public Meetings, Hearings, and Workshops.

- (1) Notice. Except in emergencies, or as otherwise required by statute or these Rules, at least seven (7) days, but no more than thirty (30) days public notice shall be given of any public meeting, hearing or workshop of the Board. Public notice shall be given by publication in a newspaper of general circulation in the District and in the county in which the District is located. “General circulation” means a publication that is printed and published at least once a week for the preceding year, offering at least 25% of its words in the English language, qualifies as a periodicals material for postal purposes in the county in which the District is located, is for sale to the public generally, is available to the public generally for the publication of official or other notices, and is customarily containing information of a public character or of interest or of value to the residents or owners of property in the county where published, or of interest or of value to the general public. The annual meeting notice required to be published by Section 189.015 of the Florida Statutes, shall be published in a newspaper not of limited subject matter, which is published at least five days a week, unless the only newspaper in the county is published less than five days a week. Each Notice shall state, as applicable:
 - (a) The date, time and place of the meeting, hearing or workshop;
 - (b) A brief description of the nature, subjects, and purposes of the meeting, hearing, or workshop;
 - (c) The District office address for the submission of requests for copies of the agenda, as well as a contact name and telephone number for verbal requests for copies of the agenda; and
 - (d) The following or substantially similar language: “Pursuant to provisions of the Americans with Disabilities Act, any person requiring special accommodations to participate in this meeting/hearing/workshop is asked to advise the District Office at least forty-eight (48) hours before the meeting/hearing/workshop by contacting the District Manager at (850) 334-9055. If you are hearing or speech impaired, please contact the Florida Relay Service at 1 (800) 955-8770 or 1 (800) 955-8771, who can aid you in contacting the District Office.”
 - (e) The following or substantially similar language: “A person who decides to appeal any decision made at the meeting/hearing/workshop with respect to any matter considered at the meeting/hearing/workshop is advised that person will need a record of the proceedings and that accordingly, the person may need to ensure that a verbatim record of the proceedings is made including the testimony and evidence upon which the appeal is to be based.”

- (f) The following or substantially similar language: “The meeting [or hearing or workshop] may be continued in progress without additional notice to a time, date, and location stated on the record.”
- (2) Mistake. In the event that a meeting is held under the incorrect assumption that notice required by law and these Rules has been given, the Board at its next properly noticed meeting shall cure such defect by considering the agenda items from the prior meeting individually and anew.
- (3) Agenda. The District Manager, under the guidance of District Counsel and the Chairperson or Vice-Chairperson, shall prepare an agenda of the meeting/hearing/workshop. The agenda and any meeting materials available in an electronic format, excluding any confidential and any confidential and exempt information, shall be available to the public at least seven days before the meeting/hearing/workshop, except in an emergency. Meeting materials shall be defined as, and limited to, the agenda, meeting minutes, resolutions, and agreements of the District that District staff deems necessary for Board approval. Inclusion of additional materials for Board consideration other than those defined herein as “meeting materials” shall not convert such materials into “meeting materials.” For good cause, the agenda may be changed after it is first made available for distribution, and additional materials may be added or provided under separate cover at the meeting. The requirement of good cause shall be liberally construed to allow the District to efficiently conduct business and to avoid the expenses associated with special meetings.

The District may, but is not required to, use the following format in preparing its agenda for its regular meetings:

- Call to order
- Roll call
- Public comment
- Organizational matters
- Review of minutes
- Specific items of old business
- Specific items of new business
- Staff reports
 - (a) District Counsel

The Secretary may work with other staff members in preparing draft minutes for the Board's consideration.
- (5) Special Requests. Persons wishing to receive, by mail, notices or agendas of meetings, may so advise the District Manager or Secretary at the District Office. Such persons shall furnish a mailing address in writing and shall be required to pre-pay the cost of the copying and postage.
- (6) Emergency Meetings. The Chairperson, or Vice-Chairperson if the Chairperson is unavailable, upon consultation with the District Manager and District Counsel, if available, may convene an emergency meeting of the Board without first having complied with sections (1) and (3) of this Rule, to act on emergency matters that may affect the public health, safety, or welfare. Whenever possible, the District Manager shall make reasonable efforts to provide public notice and notify all Board members of an emergency meeting twenty-four (24) hours in advance. Reasonable efforts may include telephone notification. Notice of the emergency meeting must be provided both before and after the meeting on the District's website, if it has one. Whenever an emergency meeting is called, the District Manager shall be responsible for notifying at least one newspaper of general circulation in the District. After an emergency meeting, the Board shall publish in a newspaper of general circulation in the District, the time, date and place of the emergency meeting, the reasons why an emergency meeting was necessary, and a description of the action taken. Actions taken at an emergency meeting may be ratified by the Board at a regularly noticed meeting subsequently held.
- (7) Public Comment. The Board shall set aside a reasonable amount of time at each meeting for public comment and members of the public shall be permitted to provide comment on any proposition before the Board. The portion of the meeting generally reserved for public comment shall be identified in the agenda. Policies governing public comment may be adopted by the Board in accordance with Florida law.
- (8) Budget Hearing. Notice of hearing on the annual budget(s) shall be in accord with Section 190.008 of the Florida Statutes. Once adopted in accord with Section 190.008 of the Florida Statutes, the annual budget(s) may be amended from time to time by action of the Board. Approval of invoices by the Board in excess of the funds allocated to a particular budgeted line item shall serve to amend the budgeted line item.
- (9) Public Hearings. Notice of required public hearings shall contain the information required by applicable Florida law and by these Rules applicable to meeting notices and shall be mailed and published as required by Florida law. The District Manager shall ensure that all such notices, whether mailed or published, contain the information required by Florida law and these Rules and are mailed and published

as required by Florida law. Public hearings may be held during Board meetings when the agenda includes such public hearing.

- (10) Participation by Teleconference/Videoconference. District staff may participate in Board meetings by teleconference or videoconference. Board members may also participate in Board meetings by teleconference or videoconference if in the good judgment of the Board extraordinary circumstances exist; provided however, at least three Board members must be physically present at the meeting location to establish a quorum. Such extraordinary circumstances shall be presumed when a Board member participates by teleconference or videoconference, unless a majority of the Board members physically present determines that extraordinary circumstances do not exist.
- (11) Board Authorization. The District has not adopted Robert's Rules of Order. For each agenda item, there shall be discussion permitted among the Board members during the meeting. Unless such procedure is waived by the Board, approval or disapproval of resolutions and other proposed Board actions shall be in the form of a motion by one Board member, a second by another Board member, and an affirmative vote by the majority of the Board members present. Any Board member, including the Chairperson, can make or second a motion.
- (12) Continuances. Any meeting or public hearing of the Board may be continued without re-notice or re-advertising provided that:
 - (a) The Board identifies on the record at the original meeting a reasonable need for a continuance;
 - (b) The continuance is to a specified date, time, and location publicly announced at the original meeting; and
 - (c) The public notice for the original meeting states that the meeting may be continued to a date and time and states that the date, time, and location of any continuance shall be publicly announced at the original meeting and posted at the District Office immediately following the original meeting.
- (13) Attorney-Client Sessions. An Attorney-Client Session is permitted when the District's attorneys deem it necessary to meet in private with the Board to discuss pending litigation to which the District is a party before a court or administrative agency or as may be authorized by law. The District's attorney must request such session at a public meeting. Prior to holding the Attorney-Client Session, the District must give reasonable public notice of the time and date of the session and the names of the persons anticipated to attend the session. The session must commence at an open meeting in which the Chairperson or Vice-Chairperson announces the commencement of the session, the estimated length of the session, and the names of the persons who will be attending the session. The discussion during the session is confined to settlement negotiations or strategy related to

litigation expenses or as may be authorized by law. Only the Board, the District's attorneys (including outside counsel), the District Manager, and the court reporter may attend an Attorney-Client Session. During the session, no votes may be taken and no final decisions concerning settlement can be made. Upon the conclusion of the session, the public meeting is reopened, and the Chairperson or Vice-Chairperson must announce that the session has concluded. The session must be transcribed by a court-reporter and the transcript of the session filed with the District Secretary within a reasonable time after the session. The transcript shall not be available for public inspection until after the conclusion of the litigation.

- (14) Security and Firesafety Board Discussions. Portions of a meeting which relate to or would reveal a security or firesafety system plan or portion thereof made confidential and exempt by section 119.071(3)(a), Florida Statutes, are exempt from the public meeting requirements and other requirements of section 286.011, Florida Statutes, and section 24(b), Article 1 of the State Constitution. Should the Board wish to discuss such matters, members of the public shall be required to leave the meeting room during such discussion. Any records of the Board's discussion of such matters, including recordings or minutes, shall be maintained as confidential and exempt records in accordance with Florida law.

Rule 2.0 Rulemaking Proceedings.

- (1) Commencement of Proceedings. Proceedings held for adoption, amendment, or repeal of a District rule shall be conducted according to these Rules. Rulemaking proceedings shall be deemed to have been initiated upon publication of notice by the District. A “rule” is a District statement of general applicability that implements, interprets, or prescribes law or policy, or describes the procedure or practice requirements of the District (“Rule”). Nothing herein shall be construed as requiring the District to consider or adopt rules unless required by Chapter 190 of the Florida Statutes. Policies adopted by the District which do not consist of rates, fees, rentals or other monetary charges may be, but are not required to be, implemented through rulemaking proceedings.
- (2) Notice of Rule Development.
 - (a) Except when the intended action is the repeal of a Rule, the District shall provide notice of the development of a proposed rule by publication of a Notice of Rule Development in a newspaper of general circulation in the District before providing notice of a proposed rule as required by section (3) of this Rule. Consequently, the Notice of Rule Development shall be published at least twenty-nine (29) days prior to the public hearing on the proposed Rule. The Notice of Rule Development shall indicate the subject area to be addressed by rule development, provide a short, plain explanation of the purpose and effect of the proposed rule, cite the specific legal authority for the proposed rule, and include a statement of how a person may promptly obtain, without cost, a copy of any preliminary draft, if available.
 - (b) All rules as drafted shall be consistent with Sections 120.54(1)(g) and 120.54(2)(b) of the Florida Statutes.
- (3) Notice of Proceedings and Proposed Rules.
 - (a) Prior to the adoption, amendment, or repeal of any rule other than an emergency rule, the District shall give notice of its intended action, setting forth a short, plain explanation of the purpose and effect of the proposed action, a reference to the specific rulemaking authority pursuant to which the rule is adopted, and a reference to the section or subsection of the Florida Statutes being implemented, interpreted, or made specific. The notice shall include a summary of the District’s statement of the estimated regulatory costs, if one has been prepared, based on the factors set forth in Section 120.541(2) of the Florida Statutes, and a statement that any person who wishes to provide the District with a lower cost regulatory alternative as provided by Section 120.541(1), must do so in writing within twenty-one (21) days after publication of the notice. The notice shall additionally include a statement that any affected person may request a public hearing by submitting a written request within twenty-one (21) days after the date

of publication of the notice. Except when intended action is the repeal of a rule, the notice shall include a reference to both the date on which and the place where the Notice of Rule Development required by section (2) of this Rule appeared.

- (b) The notice shall be published in a newspaper of general circulation in the District and each county in which the District is located not less than twenty-eight (28) days prior to the intended action. The proposed rule shall be available for inspection and copying by the public at the time of the publication of notice.
 - (c) The notice shall be mailed to all persons named in the proposed rule and to all persons who, at least fourteen (14) days prior to such mailing, have made requests of the District for advance notice of its rulemaking proceedings. Any person may file a written request with the District Manager to receive notice by mail of District proceedings to adopt, amend, or repeal a rule. Such persons must furnish a mailing address and may be required to pay the cost of copying and mailing.
- (4) Rule Development Workshops. Whenever requested in writing by any affected person, the District must either conduct a rule development workshop prior to proposing rules for adoption or the Chairperson must explain in writing why a workshop is unnecessary. The District may initiate a rule development workshop but is not required to do so.
- (5) Petitions to Initiate Rulemaking. All Petitions to Initiate Rulemaking proceedings must contain the name, address, and telephone number of the petitioner, the specific action requested, the specific reason for adoption, amendment, or repeal, the date submitted, the text of the proposed rule, and the facts showing that the petitioner is regulated by the District or has a substantial interest in the rulemaking. Not later than sixty (60) calendar days following the date of filing a petition, the Board shall initiate rulemaking proceedings or deny the petition with a written statement of its reasons for the denial. If the petition is directed to an existing policy that the District has not formally adopted as a rule, the District may, in its discretion, notice and hold a public hearing on the petition to consider the comments of the public directed to the policy, its scope and application, and to consider whether the public interest is served adequately by the application of the policy on a case-by-case basis, as contrasted with its formal adoption as a rule. However, this section shall not be construed as requiring the District to adopt a rule to replace a policy.
- (6) Rulemaking Materials. After the publication of the notice referenced in section (3) of this Rule, the Board shall make available for public inspection and shall provide, upon request and payment of the cost of copies, the following materials:
 - (a) The text of the proposed rule, or any amendment or repeal of any existing rules;

- (b) A detailed written statement of the facts and circumstances justifying the proposed rule;
 - (c) A copy of the statement of estimated regulatory costs if required by Section 120.541 of the Florida Statutes; and
 - (d) The published notice.
- (7) Hearing. The District may, or, upon the written request of any affected person received within twenty-one (21) days after the date of publication of the notice described in section (3) of this Rule, shall, provide a public hearing for the presentation of evidence, argument, and oral statements, within the reasonable conditions and limitations imposed by the District to avoid duplication, irrelevant comments, unnecessary delay, or disruption of the proceedings. The District shall publish notice of the public hearing in a newspaper of general circulation within the District either in the text of the notice described in section (3) of this Rule or in a separate publication at least seven (7) days before the scheduled public hearing. The notice shall specify the date, time, and location of the public hearing, and the name, address, and telephone number of the District contact person who can provide information about the public hearing. Written statements may be submitted by any person prior to or at the public hearing. All timely submitted written statements shall be considered by the District and made part of the rulemaking record.
- (8) Emergency Rule Adoption. The Board may adopt an emergency rule if it finds that immediate danger to the public health, safety, or welfare exists which requires immediate action. Prior to the adoption of an emergency rule, the District Manager shall make reasonable efforts to notify a newspaper of general circulation in the District. Notice of emergency rules shall be published as soon as possible in a newspaper of general circulation in the District. The District may use any procedure which is fair under the circumstances in the adoption of an emergency rule as long as it protects the public interest as determined by the District and otherwise complies with these provisions.
- (9) Negotiated Rulemaking. The District may use negotiated rulemaking in developing and adopting rules pursuant to Section 120.54(2)(d) of the Florida Statutes, except that any notices required under Section 120.54(2)(d) of the Florida Statutes, may be published in a newspaper of general circulation in the county in which the District is located.
- (10) Rulemaking Record. In all rulemaking proceedings, the District shall compile and maintain a rulemaking record. The record shall include, if applicable:
 - (a) The texts of the proposed rule and the adopted rule;
 - (b) All notices given for a proposed rule;

- (c) Any statement of estimated regulatory costs for the rule;
- (d) A written summary of hearings, if any, on the proposed rule;
- (e) All written comments received by the District and responses to those written comments; and
- (f) All notices and findings pertaining to an emergency rule.

(11) Petitions to Challenge Existing Rules.

- (a) Any person substantially affected by a rule may seek an administrative determination of the invalidity of the rule on the ground that the rule is an invalid exercise of the District's authority.
- (b) The petition seeking an administrative determination must state with particularity the provisions alleged to be invalid with sufficient explanation of the facts or grounds for the alleged invalidity and facts sufficient to show that the person challenging a rule is substantially affected by it.
- (c) The petition shall be filed with the District. Within 10 days after receiving the petition, the Chairperson shall, if the petition complies with the requirements of subsection (b) of this section, designate any member of the Board (including the Chairperson), District Manager, District Counsel, or other person as a hearing officer who shall conduct a hearing within 30 days thereafter, unless the petition is withdrawn or a continuance is granted by agreement of the parties. The failure of the District to follow the applicable rulemaking procedures or requirements in this Rule shall be presumed to be material; however, the District may rebut this presumption by showing that the substantial interests of the petitioner and the fairness of the proceedings have not been impaired.
- (d) Within 30 days after the hearing, the hearing officer shall render a decision and state the reasons therefor in writing.
- (e) Hearings held under this section shall be de novo in nature. The petitioner has a burden of proving by a preponderance of the evidence that the existing rule is an invalid exercise of District authority as to the objections raised. The hearing officer may:
 - (i) Administer oaths and affirmations;
 - (ii) Rule upon offers of proof and receive relevant evidence;

- (iii) Regulate the course of the hearing, including any pre-hearing matters;
 - (iv) Enter orders; and
 - (v) Make or receive offers of settlement, stipulation, and adjustment.
 - (f) The petitioner and the District shall be adverse parties. Other substantially affected persons may join the proceedings as intervenors on appropriate terms which shall not unduly delay the proceedings.
- (12) Variances and Waivers. A “variance” means a decision by the District to grant a modification to all or part of the literal requirements of a rule to a person who is subject to the rule. A “waiver” means a decision by the District not to apply all or part of a rule to a person who is subject to the rule. Variances and waivers from District rules may be granted subject to the following:
- (a) Variances and waivers shall be granted when the person subject to the rule demonstrates that the purpose of the underlying statute will be or has been achieved by other means by the person, and when application of the rule would create a substantial hardship or would violate principles of fairness. For purposes of this section, "substantial hardship" means a demonstrated economic, technological, legal, or other type of hardship to the person requesting the variance or waiver. For purposes of this section, "principles of fairness" are violated when the literal application of a rule affects a particular person in a manner significantly different from the way it affects other similarly situated persons who are subject to the rule.
 - (b) A person who is subject to regulation by a District Rule may file a petition with the District, requesting a variance or waiver from the District’s Rule. Each petition shall specify:
 - (i) The rule from which a variance or waiver is requested;
 - (ii) The type of action requested;
 - (iii) The specific facts that would justify a waiver or variance for the petitioner; and
 - (iv) The reason why the variance or the waiver requested would serve the purposes of the underlying statute.
 - (c) The District shall review the petition and may request only that information needed to clarify the petition or to answer new questions raised by or directly related to the petition. If the petitioner asserts that any request for additional information is not authorized by law or by Rule of the District,

the District shall proceed, at the petitioner's written request, to process the petition.

- (d) The Board shall grant or deny a petition for variance or waiver and shall announce such disposition at a publicly held meeting of the Board, within ninety (90) days after receipt of the original petition, the last item of timely requested additional material, or the petitioner's written request to finish processing the petition. The District's statement granting or denying the petition shall contain a statement of the relevant facts and reasons supporting the District's action.

- (13) Rates, Fees, Rentals and Other Charges. All rates, fees, rentals, or other charges shall be subject to rulemaking proceedings. Policies adopted by the District which do not consist of rates, fees, rentals or other charges may be, but are not required to be, implemented through rulemaking proceedings.

Specific Authority: §§ 190.011(5), 190.011(15), 190.035, Fla. Stat.

Law Implemented: §§ 190.011(5), 190.035(2), Fla. Stat.

Firms providing Professional Services under Continuing Contracts shall not be required to bid against one another.
 - (c) “Contractual Service” means the rendering by a contractor of its time and effort rather than the furnishing of specific commodities. The term applies only to those services rendered by individuals and firms who are independent contractors. Contractual Services also do not include any contract for the furnishing of labor or materials for the construction, renovation, repair, modification, or demolition of any facility, building, portion of building, utility, park, parking lot, or structure or other improvement to real property entered into pursuant to Chapter 255 of the Florida Statutes, and Rules 3.5 or 3.6.

The purpose of the Design Criteria Package is to furnish sufficient information to permit Design-Build Firms to prepare a bid or a response to the District’s Request for Proposals, or to permit the District to enter into a negotiated Design-Build Contract. The Design Criteria Package must specify performance-based criteria for the public construction project, including the legal description of the site, survey information concerning the site, interior space requirements, material quality standards, schematic layouts and conceptual design criteria of the project, cost or budget estimates, design and construction schedules, site development requirements, provisions for utilities, stormwater retention and disposal, and parking requirements applicable to the project. Design Criteria Packages shall require firms to submit information regarding the qualifications, availability, and past work of the firms, including the partners and members thereof.
- (g) “Design Criteria Professional” means a firm who holds a current certificate of registration under Chapter 481 of the Florida Statutes, to practice architecture or landscape architecture, or a firm who holds a current certificate as a registered engineer under Chapter 471 of the Florida Statutes, to practice engineering, and who is employed by or under contract to the District to provide professional architect services, landscape architect services, or engineering services in connection with the preparation of the Design Criteria Package.
- (h) “Emergency Purchase” means a purchase necessitated by a sudden unexpected turn of events (for example, acts of God, riot, fires, floods, hurricanes, accidents, or any circumstances or cause beyond the control of the Board in the normal conduct of its business), where the Board finds that the delay incident to competitive purchase would be detrimental to the interests of the District. - (m) “Proposal (or Reply or Response) Most Advantageous to the District” means, as determined in the sole discretion of the Board, the proposal, reply, or response that is:

 - (i) The ability and adequacy of the professional personnel employed by the entity/individual;
 - (ii) The past performance of the entity/individual for the District and in other professional employment;
 - (iii) The willingness of the entity/individual to meet time and budget requirements;
 - (iv) The geographic location of the entity’s/individual’s headquarters or office in relation to the project;
 - (v) The recent, current, and projected workloads of the entity/individual;
 - (vi) The volume of work previously awarded to the entity/individual;

Rule 3.1 Procedure Under the Consultants' Competitive Negotiations Act.

- (1) Scope. The following procedures are adopted for the selection of firms or individuals to provide Professional Services exceeding the thresholds herein described, for the negotiation of such contracts, and to provide for protest of actions of the Board under this Rule. As used in this Rule, “Project” means that fixed capital outlay study or planning activity when basic construction cost is estimated by the District to exceed the threshold amount provided in Section 287.017 of the Florida Statutes, for CATEGORY FIVE, or for a planning study activity when the fee for Professional Services is estimated by the District to exceed the threshold amount provided in Section 287.017 for CATEGORY TWO, as such categories may be amended or adjusted from time to time.
- (2) Qualifying Procedures. In order to be eligible to provide Professional Services to the District, a consultant must, at the time of receipt of the firm’s qualification submittal:
 - (a) Hold all required applicable state professional licenses in good standing;
 - (b) Hold all required applicable federal licenses in good standing, if any;
 - (c) Hold a current and active Florida corporate charter or be authorized to do business in the State of Florida in accordance with Chapter 607 of the Florida Statutes, if the consultant is a corporation; and
 - (d) Meet any qualification requirements set forth in the District’s Request for Qualifications.

Evidence of compliance with this Rule may be submitted with the qualifications, if requested by the District. In addition, evidence of compliance must be submitted any time requested by the District.

- (3) Public Announcement. Except in cases of valid public emergencies as certified by the Board, the District shall announce each occasion when Professional Services are required for a Project or a Continuing Contract by publishing a notice providing a general description of the Project, or the nature of the Continuing Contract, and the method for interested consultants to apply for consideration. The notice shall appear in at least one (1) newspaper of general circulation in the District and in such other places as the District deems appropriate. The notice must allow at least fourteen (14) days for submittal of qualifications from the date of publication. The District may maintain lists of consultants interested in receiving such notices. These consultants are encouraged to submit annually statements of qualifications and performance data. The District shall make reasonable efforts to provide copies of any notices to such consultants, but the failure to do so shall not give such consultants any bid protest or other rights or otherwise disqualify any otherwise valid procurement process. The Board has the right to reject any and all

qualifications, and such reservation shall be included in the published notice. Consultants not receiving a contract award shall not be entitled to recover from the District any costs of qualification package preparation or submittal.

(4) Competitive Selection.

- (a) The Board shall review and evaluate the data submitted in response to the notice described in section (3) of this Rule regarding qualifications and performance ability, as well as any statements of qualifications on file. The Board shall conduct discussions with, and may require public presentation by consultants regarding their qualifications, approach to the Project, and ability to furnish the required services. The Board shall then select and list the consultants, in order of preference, deemed to be the most highly capable and qualified to perform the required Professional Services, after considering these and other appropriate criteria:
 - (i) The ability and adequacy of the professional personnel employed by each consultant;
 - (ii) Whether a consultant is a certified minority business enterprise;
 - (iii) Each consultant's past performance;
 - (iv) The willingness of each consultant to meet time and budget requirements;
 - (v) The geographic location of each consultant's headquarters, office and personnel in relation to the project;
 - (vi) The recent, current, and projected workloads of each consultant; and
 - (vii) The volume of work previously awarded to each consultant by the District.
- (b) Nothing in these Rules shall prevent the District from evaluating and eventually selecting a consultant if less than three (3) Responsive qualification packages, including packages indicating a desire not to provide Professional Services on a given Project, are received.
- (c) If the selection process is administered by any person or committee other than the full Board, the selection made will be presented to the full Board with a recommendation that competitive negotiations be instituted with the selected firms in order of preference listed.
- (d) Notice of the rankings adopted by the Board, including the rejection of some or all qualification packages, shall be provided in writing to all consultants

by United States Mail, hand delivery, facsimile, or overnight delivery service. The notice shall include the following statement: "Failure to file a protest within the time prescribed in Rule 3.11 of the Rules of the District shall constitute a waiver of proceedings under those Rules," or wording to that effect. Protests of the District's ranking decisions under this Rule shall be in accordance with the procedures set forth in Rule 3.11.

(5) Competitive Negotiation.

- (a) After the Board has authorized the beginning of competitive negotiations, the District may begin such negotiations with the firm listed as most qualified to perform the required Professional Services at a rate or amount of compensation which the Board determines is fair, competitive, and reasonable.
- (b) In negotiating a lump-sum or cost-plus-a-fixed-fee professional contract for more than the threshold amount provided in Section 287.017 of the Florida Statutes, for CATEGORY FOUR, the firm receiving the award shall be required to execute a truth-in-negotiation certificate stating that "wage rates and other factual unit costs supporting the compensation are accurate, complete and current at the time of contracting." In addition, any professional service contract under which such a certificate is required, shall contain a provision that "the original contract price and any additions thereto, shall be adjusted to exclude any significant sums by which the Board determines the contract price was increased due to inaccurate, incomplete, or noncurrent wage rates and other factual unit costs."
- (c) Should the District be unable to negotiate a satisfactory agreement with the firm determined to be the most qualified at a price deemed by the District to be fair, competitive, and reasonable, then negotiations with that firm shall be terminated and the District shall immediately begin negotiations with the second most qualified firm. If a satisfactory agreement with the second firm cannot be reached, those negotiations shall be terminated and negotiations with the third most qualified firm shall be undertaken.
- (d) Should the District be unable to negotiate a satisfactory agreement with one of the top three (3) ranked consultants, additional firms shall be selected by the District, in order of their competence and qualifications. Negotiations shall continue, beginning with the first-named firm on the list, until an agreement is reached or the list of firms is exhausted.

(6) Contracts; Public Records. In accordance with Florida law, each contract entered into pursuant to this Rule shall include provisions required by law that require the contractor to comply with public records laws.

- (7) Continuing Contract. Nothing in this Rule shall prohibit a Continuing Contract between a consultant and the District.
- (8) Emergency Purchase. The District may make an Emergency Purchase without complying with these Rules. The fact that an Emergency Purchase has occurred or is necessary shall be noted in the minutes of the next Board meeting.

Rule 3.2 Procedure Regarding Auditor Selection.

In order to comply with the requirements of Section 218.391 of the Florida Statutes, the following procedures are outlined for selection of firms or individuals to provide Auditing Services and for the negotiation of such contracts. For audits required under Chapter 190 of the Florida Statutes but not meeting the thresholds of Chapter 218 of the Florida Statutes, the District need not follow these procedures but may proceed with the selection of a firm or individual to provide Auditing Services and for the negotiation of such contracts in the manner the Board determines is in the best interests of the District.

(1) Definitions.

- (a) "Auditing Services" means those services within the scope of the practice of a certified public accounting firm licensed under Chapter 473 of the Florida Statutes, and qualified to conduct audits in accordance with government auditing standards as adopted by the Florida Board of Accountancy.
- (b) "Committee" means the auditor selection committee appointed by the Board as described in section (2) of this Rule.

(2) Establishment of Auditor Selection Committee. Prior to a public announcement under section (4) of this Rule that Auditing Services are required, the Board shall establish an auditor selection committee ("Committee"), the primary purpose of which is to assist the Board in selecting an auditor to conduct the annual financial audit required by Section 218.39 of the Florida Statutes. The Committee shall include at least three individuals, at least one of which must also be a member of the Board. The establishment and selection of the Committee must be conducted at a publicly noticed and held meeting of the Board. The Chairperson of the Committee must be a member of the Board. An employee, a chief executive officer, or a chief financial officer of the District may not serve as a member of the Committee; provided however such individual may serve the Committee in an advisory capacity.

(3) Establishment of Minimum Qualifications and Evaluation Criteria. Prior to a public announcement under section (4) of this Rule that Auditing Services are required, the Committee shall meet at a publicly noticed meeting to establish minimum qualifications and factors to use for the evaluation of Auditing Services to be provided by a certified public accounting firm licensed under Chapter 473 of the Florida Statutes, and qualified to conduct audits in accordance with government auditing standards as adopted by the Florida Board of Accountancy.

- (a) Minimum Qualifications. In order to be eligible to submit a proposal, a firm must, at all relevant times including the time of receipt of the proposal by the District:

- (i) Hold all required applicable state professional licenses in good standing;
- (ii) Hold all required applicable federal licenses in good standing, if any;
- (iii) Hold a current and active Florida corporate charter or be authorized to do business in the State of Florida in accordance with Chapter 607 of the Florida Statutes, if the proposer is a corporation; and
- (iv) Meet any pre-qualification requirements established by the Committee and set forth in the RFP or other specifications.

If requested in the RFP or other specifications, evidence of compliance with the minimum qualifications as established by the Committee must be submitted with the proposal.

- (b) **Evaluation Criteria.** The factors established for the evaluation of Auditing Services by the Committee shall include, but are not limited to:
 - (i) Ability of personnel;
 - (ii) Experience;
 - (iii) Ability to furnish the required services; and
 - (iv) Such other factors as may be determined by the Committee to be applicable to its particular requirements.

The Committee may also choose to consider compensation as a factor. If the Committee establishes compensation as one of the factors, compensation shall not be the sole or predominant factor used to evaluate proposals.

- (4) **Public Announcement.** After identifying the factors to be used in evaluating the proposals for Auditing Services as set forth in section (3) of this Rule, the Committee shall publicly announce the opportunity to provide Auditing Services. Such public announcement shall include a brief description of the audit and how interested firms can apply for consideration and obtain the RFP. The notice shall appear in at least one (1) newspaper of general circulation in the District and the county in which the District is located. The public announcement shall allow for at least seven (7) days for the submission of proposals.
- (5) **Request for Proposals.** The Committee shall provide interested firms with a Request for Proposals (“RFP”). The RFP shall provide information on how proposals are to be evaluated and such other information the Committee determines

is necessary for the firm to prepare a proposal. The RFP shall state the time and place for submitting proposals.

- (6) Committee's Evaluation of Proposals and Recommendation. The Committee shall meet at a publicly held meeting that is publicly noticed for a reasonable time in advance of the meeting to evaluate all qualified proposals and may, as part of the evaluation, require that each interested firm provide a public presentation where the Committee may conduct discussions with the firm, and where the firm may present information, regarding the firm's qualifications. At the public meeting, the Committee shall rank and recommend in order of preference no fewer than three firms deemed to be the most highly qualified to perform the required services after considering the factors established pursuant to subsection (3)(b) of this Rule. If fewer than three firms respond to the RFP or if no firms respond to the RFP, the Committee shall recommend such firm as it deems to be the most highly qualified. Notwithstanding the foregoing, the Committee may recommend that any and all proposals be rejected.
- (7) Board Selection of Auditor.
 - (a) Where compensation was not selected as a factor used in evaluating the proposals, the Board shall negotiate with the firm ranked first and inquire of that firm as to the basis of compensation. If the Board is unable to negotiate a satisfactory agreement with the first ranked firm at a price deemed by the Board to be fair, competitive, and reasonable, then negotiations with that firm shall be terminated and the Board shall immediately begin negotiations with the second ranked firm. If a satisfactory agreement with the second ranked firm cannot be reached, those negotiations shall be terminated and negotiations with the third ranked firm shall be undertaken. The Board may reopen formal negotiations with any one of the three top-ranked firms, but it may not negotiate with more than one firm at a time. If the Board is unable to negotiate a satisfactory agreement with any of the selected firms, the Committee shall recommend additional firms in order of the firms' respective competence and qualifications. Negotiations shall continue, beginning with the first-named firm on the list, until an agreement is reached or the list of firms is exhausted.
 - (b) Where compensation was selected as a factor used in evaluating the proposals, the Board shall select the highest-ranked qualified firm or document in its public records the reason for not selecting the highest-ranked qualified firm.
 - (c) In negotiations with firms under this Rule, the Board may allow the District Manager, District Counsel, or other designee to conduct negotiations on its behalf.

- (d) Notwithstanding the foregoing, the Board may reject any or all proposals. The Board shall not consider any proposal, or enter into any contract for Auditing Services, unless the proposed agreed-upon compensation is reasonable to satisfy the requirements of Section 218.39 of the Florida Statutes, and the needs of the District.
- (8) Contract. Any agreement reached under this Rule shall be evidenced by a written contract, which may take the form of an engagement letter signed and executed by both parties. The written contract shall include all provisions and conditions of the procurement of such services and shall include, at a minimum, the following:
 - (a) A provision specifying the services to be provided and fees or other compensation for such services;
 - (b) A provision requiring that invoices for fees or other compensation be submitted in sufficient detail to demonstrate compliance with the terms of the contract;
 - (c) A provision setting forth deadlines for the auditor to submit a preliminary draft audit report to the District for review and to submit a final audit report no later than June 30 of the fiscal year that follows the fiscal year for which the audit is being conducted;
 - (d) A provision specifying the contract period, including renewals, and conditions under which the contract may be terminated or renewed. The maximum contract period including renewals shall be five (5) years. A renewal may be done without the use of the auditor selection procedures provided in this Rule but must be in writing.
 - (e) Provisions required by law that require the auditor to comply with public records laws.
- (9) Notice of Award. Once a negotiated agreement with a firm or individual is reached, or the Board authorizes the execution of an agreement with a firm where compensation was a factor in the evaluation of proposals, notice of the intent to award, including the rejection of some or all proposals, shall be provided in writing to all proposers by United States Mail, hand delivery, facsimile, or overnight delivery service. The notice shall include the following statement: "Failure to file a protest within the time prescribed in Rule 3.11 of the Rules of the District shall constitute a waiver of proceedings under those Rules," or wording to that effect. Protests regarding the award of contracts under this Rule shall be as provided for in Rule 3.11. No proposer shall be entitled to recover any costs of proposal preparation or submittal from the District.

Rule 3.3 Purchase of Insurance.

- (1) Scope. The purchases of life, health, accident, hospitalization, legal expense, or annuity insurance, or all of any kinds of such insurance for the officers and employees of the District, and for health, accident, hospitalization, and legal expenses upon a group insurance plan by the District, shall be governed by this Rule. This Rule does not apply to the purchase of any other type of insurance by the District, including but not limited to liability insurance, property insurance, and directors and officers insurance. Nothing in this Rule shall require the District to purchase insurance.
- (2) Procedure. For a purchase of insurance within the scope of these Rules, the following procedure shall be followed:
 - (a) The Board shall cause to be prepared a Notice of Invitation to Bid.
 - (b) Notice of the Invitation to Bid shall be advertised at least once in a newspaper of general circulation within the District. The notice shall allow at least fourteen (14) days for submittal of bids.
 - (c) The District may maintain a list of persons interested in receiving notices of Invitations to Bid. The District shall make reasonable efforts to provide copies of any notices to such persons, but the failure to do so shall not give such consultants any bid protest or other rights or otherwise disqualify any otherwise valid procurement process.
 - (d) Bids shall be opened at the time and place noted in the Invitation to Bid.
 - (e) If only one (1) response to an Invitation is received, the District may proceed with the purchase. If no response to an Invitation to Bid is received, the District may take whatever steps are reasonably necessary in order to proceed with the purchase.
 - (f) The Board has the right to reject any and all bids and such reservations shall be included in all solicitations and advertisements.
 - (g) Simultaneously with the review of the submitted bids, the District may undertake negotiations with those companies that have submitted reasonable and timely bids and, in the opinion of the District, are fully qualified and capable of meeting all services and requirements. Bid responses shall be evaluated in accordance with the specifications and criteria contained in the Invitation to Bid; in addition, the total cost to the District, the cost, if any, to the District officers, employees, or their dependents, the geographic location of the company's headquarters and offices in relation to the District, and the ability of the company to guarantee premium stability may be considered. A contract to purchase insurance

shall be awarded to that company whose response to the Invitation to Bid best meets the overall needs of the District, its officers, employees, and/or dependents.

- (h) Notice of the intent to award, including rejection of some or all bids, shall be provided in writing to all bidders by United States Mail, by hand delivery, or by overnight delivery service. The notice shall include the following statement: "Failure to file a protest within the time prescribed in Rule 3.11 of the Rules of the District shall constitute a waiver of proceedings under those Rules," or wording to that effect. Protests of the District's procurement of insurance under this Rule shall be in accordance with the procedures set forth in Rule 3.11.

Specific Authority: §§ 190.011(5), 190.011(15), Fla. Stat.

Law Implemented: § 112.08, Fla. Stat.

Rule 3.4 Pre-qualification

- (1) Scope. In its discretion, the District may undertake a pre-qualification process in accordance with this Rule for vendors to provide construction services, goods, supplies, and materials, Contractual Services, and maintenance services.
- (2) Procedure. When the District seeks to pre-qualify vendors, the following procedures shall apply:
 - (a) The Board shall cause to be prepared a Request for Qualifications.
 - (b) For construction services exceeding the thresholds described in Section 255.20 of the Florida Statutes, the Board must advertise the proposed pre-qualification criteria and procedures and allow at least seven (7) days notice of the public hearing for comments on such pre-qualification criteria and procedures. At such public hearing, potential vendors may object to such pre-qualification criteria and procedures. Following such public hearing, the Board shall formally adopt pre-qualification criteria and procedures prior to the advertisement of the Request for Qualifications for construction services.
 - (c) The Request for Qualifications shall be advertised at least once in a newspaper of general circulation within the District and within the county in which the District is located. The notice shall allow at least seven (7) days for submittal of qualifications for goods, supplies and materials, Contractual Services, maintenance services, and construction services under two hundred fifty thousand dollars (\$250,000). The notice shall allow at least twenty-one (21) days for submittal of qualifications for construction services estimated to cost over two hundred fifty thousand dollars (\$250,000) and thirty (30) days for construction services estimated to cost over five hundred thousand dollars (\$500,000).
 - (d) The District may maintain lists of persons interested in receiving notices of Requests for Qualifications. The District shall make a good faith effort to provide written notice, by electronic mail, United States Mail, hand delivery, or facsimile, to persons who provide their name and address to the District Manager for inclusion on the list. However, failure of a person to receive the notice shall not invalidate any pre-qualification determination or contract awarded in accordance with these Rules and shall not be a basis for a protest of any pre-qualification determination or contract award.
 - (e) If the District has pre-qualified vendors for a particular category of purchase, at the option of the District, only those persons who have been pre-qualified will be eligible to submit bids, proposals, replies or responses in response to the applicable Invitation to Bid, Request for Proposals, Invitation to Negotiate, or Competitive Solicitation.

- (f) In order to be eligible to submit qualifications, a firm or individual must, at the time of receipt of the qualifications:
 - (i) Hold all required applicable state professional licenses in good standing;
 - (ii) Hold all required applicable federal licenses in good standing, if any;
 - (iii) Hold a current and active Florida corporate charter or be authorized to do business in the State of Florida in accordance with Chapter 607 of the Florida Statutes, if the vendor is a corporation; and
 - (iv) Meet any special pre-qualification requirements set forth in the Request for Qualifications.

Evidence of compliance with these Rules must be submitted with the qualifications if required by the District. Failure to submit evidence of compliance when required may be grounds for rejection of the qualifications.

- (g) Qualifications shall be presented to the Board, or a committee appointed by the Board, for evaluation in accordance with the Request for Qualifications and this Rule. Minor variations in the qualifications may be waived by the Board. A variation is minor if waiver of the variation does not create a competitive advantage or disadvantage of a material nature.
- (h) All vendors determined by the District to meet the pre-qualification requirements shall be pre-qualified. To assure full understanding of the responsiveness to the requirements contained in a Request for Qualifications, discussions may be conducted with qualified vendors. Vendors shall be accorded fair treatment prior to the submittal date with respect to any opportunity for discussion and revision of qualifications. For construction services, any contractor pre-qualified and considered eligible by the Department of Transportation to bid to perform the type of work the project entails shall be presumed to be qualified to perform the project.
- (i) The Board shall have the right to reject all qualifications if there are not enough to be competitive or if rejection is determined to be in the best interest of the District. No vendor shall be entitled to recover any costs of qualification preparation or submittal from the District.
- (j) Notice of intent to pre-qualify, including rejection of some or all qualifications, shall be provided in writing to all vendors by United States Mail, electronic mail, hand delivery, facsimile, or overnight delivery service. The notice

shall include the following statement: "Failure to file a protest within the time prescribed in Rule 3.11 of the Rules of the District shall constitute a waiver of proceedings under those Rules," or wording to that effect. Protests of the District's pre-qualification decisions under this Rule shall be in accordance with the procedures set forth in Rule 3.11; provided however, protests related to the pre-qualification criteria and procedures for construction services shall be resolved in accordance with section (2)(b) of this Rule and Section 255.20(1)(b) of the Florida Statutes.

(3) Suspension, Revocation, or Denial of Qualification

(a) The District, for good cause, may deny, suspend, or revoke a prequalified vendor's pre-qualified status. A suspension, revocation, or denial for good cause shall prohibit the vendor from bidding on any District construction contract for which qualification is required, shall constitute a determination of non-responsibility to bid on any other District construction or maintenance contract, and shall prohibit the vendor from acting as a material supplier or subcontractor on any District contract or project during the period of suspension, revocation, or denial. Good cause shall include the following:

- i. One of the circumstances specified under Section 337.16(2), Fla. Stat., has occurred.
- ii. Affiliated contractors submitted more than one proposal for the same work. In this event the pre-qualified status of all of the affiliated bidders will be revoked, suspended, or denied. All bids of affiliated bidders will be rejected.
- iii. The vendor made or submitted false, deceptive, or fraudulent statements, certifications, or materials in any claim for payment or any information required by any District contract.
- iv. The vendor or its affiliate defaulted on any contract or a contract surety assumed control of financial responsibility for any contract of the vendor.
- v. The vendor's qualification to bid is suspended, revoked, or denied by any other public or semi-public entity, or the vendor has been the subject of a civil enforcement proceeding or settlement involving a public or semi-public entity.
- vi. The vendor failed to comply with contract or warranty requirements or failed to follow District direction in the performance of a contract.
- vii. The vendor failed to timely furnish all contract documents required by the contract specifications, special provisions, or by any state or federal statutes or regulations. If the vendor fails to furnish any of the subject contract documents by the expiration of the period of suspension,

revocation, or denial set forth above, the vendor's pre-qualified status shall remain suspended, revoked, or denied until the documents are furnished.

- viii. The vendor failed to notify the District within 10 days of the vendor, or any of its affiliates, being declared in default or otherwise not completing work on a contract or being suspended from qualification to bid or denied qualification to bid by any other public or semi-public agency.
 - ix. The vendor did not pay its subcontractors or suppliers in a timely manner or in compliance with contract documents.
 - x. The vendor has demonstrated instances of poor or unsatisfactory performance, deficient management resulting in project delay, poor quality workmanship, a history of payment of liquidated damages, untimely completion of projects, uncooperative attitude, contract litigation, inflated claims or defaults.
 - xi. An affiliate of the vendor has previously been determined by the District to be non-responsible, and the specified period of suspension, revocation, denial, or non-responsibility remains in effect.
 - xii. The vendor or affiliate(s) has been convicted of a contract crime.
 - 1. The term "contract crime" means any violation of state or federal antitrust laws with respect to a public contract or any violation of any state or federal law involving fraud, bribery, collusion, conspiracy, or material misrepresentation with respect to a public contract.
 - 2. The term "convicted" or "conviction" means a finding of guilt or a conviction of a contract crime, with or without an adjudication of guilt, in any federal or state trial court of record as a result of a jury verdict, nonjury trial, or entry of a plea of guilty or nolo contendere.
- (b) A denial, suspension, or revocation shall prohibit the vendor from being a subcontractor on District work during the period of denial, suspension, or revocation, except when a prime contractor's bid has used prices of a subcontractor who becomes disqualified after the bid, but before the request for authorization to sublet is presented.
- (c) The District shall inform the vendor in writing of its intent to deny, suspend, or revoke its pre-qualified status and inform the vendor of its right to a hearing, the procedure which must be followed, and the applicable time limits. If a hearing is requested within 10 days after the receipt of the notice of intent, the

hearing shall be held within 30 days after receipt by the District of the request for the hearing. The decision shall be issued within 15 days after the hearing.

- (d) Such suspension or revocation shall not affect the vendor's obligations under any preexisting contract.
- (e) In the case of contract crimes, the vendor's pre-qualified status under this Rule shall be revoked indefinitely. For all violations of Rule 3.4(3)(a) other than for the vendor's conviction for contract crimes, the revocation, denial, or suspension of a vendor's pre-qualified status under this Rule shall be for a specific period of time based on the seriousness of the deficiency.

Examples of factors affecting the seriousness of a deficiency are:

- i. Impacts on project schedule, cost, or quality of work;
- ii. Unsafe conditions allowed to exist;
- iii. Complaints from the public;
- iv. Delay or interference with the bidding process;
- v. The potential for repetition;
- vi. Integrity of the public contracting process;
- vii. Effect on the health, safety, and welfare of the public.

Specific Authority: §§ 190.011(5), 190.011(15), Fla. Stat.

Law Implemented: §§ 190.033, 255.0525, 255.20, Fla. Stat.

Rule 3.5 Construction Contracts, Not Design-Build.

- (1) Scope. All contracts for the construction or improvement of any building, structure, or other public construction works authorized by Chapter 190 of the Florida Statutes, the costs of which are estimated by the District in accordance with generally accepted cost accounting principles to be in excess of the threshold amount for applicability of Section 255.20 of the Florida Statutes, as that amount may be indexed or amended from time to time, shall be let under the terms of these Rules and the procedures of Section 255.20 of the Florida Statutes, as the same may be amended from time to time. A project shall not be divided solely to avoid the threshold bidding requirements.
- (2) Procedure. When a purchase of construction services is within the scope of this Rule, the following procedures shall apply:
 - (a) The Board shall cause to be prepared an Invitation to Bid, Request for Proposals, Invitation to Negotiate, or Competitive Solicitation.
 - (b) Notice of the Invitation to Bid, Request for Proposals, Invitation to Negotiate, or Competitive Solicitation shall be advertised at least once in a newspaper of general circulation in the District and in the county in which the District is located. The notice shall also include the amount of the bid bond, if one is required. The notice shall allow at least twenty-one (21) days for submittal of sealed bids, proposals, replies, or responses, unless the Board, for good cause, determines a shorter period of time is appropriate. Any project projected to cost more than five hundred thousand dollars (\$500,000) must be noticed at least thirty (30) days prior to the date for submittal of bids, proposals, replies, or responses. If the Board has previously pre-qualified contractors pursuant to Rule 3.4 and determined that only the contractors that have been pre-qualified will be permitted to submit bids, proposals, replies, and responses, the Notice of Invitation to Bid, Request for Proposals, Invitation to Negotiate, or Competitive Solicitation need not be published. Instead, the Notice of Invitation to Bid, Request for Proposals, Invitation to Negotiate, or Competitive Solicitation shall be sent to the pre-qualified contractors by United States Mail, hand delivery, facsimile, or overnight delivery service.
 - (c) The District may maintain lists of persons interested in receiving notices of Invitations to Bid, Requests for Proposals, Invitations to Negotiate, and Competitive Solicitations. The District shall make a good faith effort to provide written notice, by electronic mail, United States Mail, hand delivery, or facsimile, to persons who provide their name and address to the District Manager for inclusion on the list. However, failure of a person to receive the notice shall not invalidate any contract awarded in accordance with this Rule and shall not be a basis for a protest of any contract award.

- (d) If the District has pre-qualified providers of construction services, then, at the option of the District, only those persons who have been pre-qualified will be eligible to submit bids, proposals, replies, or responses to Invitations to Bid, Requests for Proposals, Invitations to Negotiate, and Competitive Solicitations.
- (e) In order to be eligible to submit a bid, proposal, reply, or response, a firm or individual must, at the time of receipt of the bids, proposals, replies, or responses:
 - (i) Hold all required applicable state professional licenses in good standing;
 - (ii) Hold all required applicable federal licenses in good standing, if any;
 - (iii) Hold a current and active Florida corporate charter or be authorized to do business in the State of Florida in accordance with Chapter 607 of the Florida Statutes, if the bidder is a corporation; and
 - (iv) Meet any special pre-qualification requirements set forth in the Invitation to Bid, Request for Proposals, Invitation to Negotiate, or Competitive Solicitation.

Any contractor that has been found guilty by a court of any violation of federal labor or employment tax laws regarding subjects including but not limited to, reemployment assistance, safety, tax withholding, worker's compensation, unemployment tax, social security and Medicare tax, wage or hour, or prevailing rate laws within the past 5 years may be considered ineligible by the District to submit a bid, response, or proposal for a District project.

Evidence of compliance with these Rules must be submitted with the bid, proposal, reply, or response, if required by the District. Failure to submit evidence of compliance when required may be grounds for rejection of the bid, proposal, reply, or response.

- (f) Bids, proposals, replies, and responses, or the portions of which that include the price, shall be publicly opened at a meeting noticed in accordance with Rule 1.3, and at which at least one district representative is present. The name of each bidder and the price submitted in the bid shall be announced at such meeting and shall be made available upon request. Minutes should be taken at the meeting and maintained by the District. Bids, proposals, replies, and responses shall be evaluated in accordance with the respective Invitation to Bid, Request for Proposals, Invitation to Negotiate, or Competitive Solicitation and these Rules. Minor variations in the bids,

proposals, replies, or responses may be waived by the Board. A variation is minor if waiver of the variation does not create a competitive advantage or disadvantage of a material nature. Mistakes in arithmetic extension of pricing may be corrected by the Board. Bids and proposals may not be modified or supplemented after opening; provided however, additional information may be requested and/or provided to evidence compliance, make non-material modifications, clarifications, or supplementations, and as otherwise permitted by Florida law.

- (g) The lowest Responsive Bid submitted by a Responsive and Responsible Bidder in response to an Invitation to Bid shall be accepted. In relation to a Request for Proposals, Invitation to Negotiate, or Competitive Solicitation, the Board shall select the Responsive Proposal, Reply, or Response submitted by a Responsive and Responsible Vendor which is most advantageous to the District. To assure full understanding of the responsiveness to the solicitation requirements contained in a Request for Proposals, Invitation to Negotiate, or Competitive Solicitation, discussions may be conducted with qualified vendors. Vendors shall be accorded fair treatment prior to the submittal date with respect to any opportunity for discussion, preparation, and revision of bids, proposals, replies, and responses.
- (h) The Board shall have the right to reject all bids, proposals, replies, or responses because they exceed the amount of funds budgeted for the purchase, if there are not enough to be competitive, or if rejection is determined to be in the best interest of the District. No contractor shall be entitled to recover any costs of bid, proposal, response, or reply preparation or submittal from the District.
- (i) The Board may require potential contractors to furnish bid bonds, performance bonds, and/or other bonds with a responsible surety to be approved by the Board.
- (j) Notice of intent to award, including rejection of some or all bids, proposals, replies, or responses, shall be provided in writing to all contractors by United States Mail, hand delivery, facsimile, or overnight delivery service. The notice shall include the following statement: "Failure to file a protest within the time prescribed in Rule 3.11 of the Rules of the District shall constitute a waiver of proceedings under those Rules," or wording to that effect. Protests of the District's purchase of construction services under this Rule shall be in accordance with the procedures set forth in Rule 3.11.
- (k) If less than three (3) Responsive Bids, Proposals, Replies, or Responses are received, the District may purchase construction services or may reject the bids, proposals, replies, or responses for a lack of competitiveness. If no Responsive Bid, Proposal, Reply, or Response is received, the District may

proceed with the procurement of construction services, in the manner the Board determines is in the best interests of the District, which may include but is not limited to a direct purchase of the construction services without further competitive selection processes.

- (3) Sole Source; Government. Construction services that are only available from a single source are exempt from this Rule. Construction services provided by governmental agencies are exempt from this Rule. This Rule shall not apply to the purchase of construction services, which may include goods, supplies, or materials, that are purchased under a federal, state, or local government contract that has been competitively procured by such federal, state, or local government in a manner consistent with the material procurement requirements of these Rules. A contract for construction services is exempt from this Rule if state or federal law prescribes with whom the District must contract or if the rate of payment is established during the appropriation process.
- (4) Contracts; Public Records. In accordance with Florida law, each contract entered into pursuant to this Rule shall include provisions required by law that require the contractor to comply with public records laws.
- (5) Emergency Purchases. The District may make an Emergency Purchase without complying with these rules. The fact that an Emergency Purchase has occurred or is necessary shall be noted in the minutes of the next Board Meeting.
- (6) Exceptions. This Rule is inapplicable when:
 - (a) The project is undertaken as repair or maintenance of an existing public facility;
 - (b) The funding source of the project will be diminished or lost because the time required to competitively award the project after the funds become available exceeds the time within which the funding source must be spent;
 - (c) The District has competitively awarded a project and the contractor has abandoned the project or the District has terminated the contract; or
 - (d) The District, after public notice, conducts a public meeting under Section 286.011 of the Florida Statutes, and finds by a majority vote of the Board that it is in the public's best interest to perform the project using its own services, employees, and equipment.

Law Implemented: §§ 119.0701, 189.053, 190.033, 255.0518, 255.0525, 255.20, 287.055, Fla. Stat.

Rule 3.6 Construction Contracts, Design-Build.

- (1) Scope. The District may utilize Design-Build Contracts for any public construction project for which the Board determines that use of such contract is in the best

interest of the District. When letting a Design-Build Contract, the District shall use the following procedure:

(2) Procedure.

- (a) The District shall utilize a Design Criteria Professional meeting the requirements of Section 287.055(2)(k) of the Florida Statutes, when developing a Design Criteria Package, evaluating the proposals and qualifications submitted by Design-Build Firms, and determining compliance of the project construction with the Design Criteria Package. The Design Criteria Professional may be an employee of the District, may be the District Engineer selected by the District pursuant to Section 287.055 of the Florida Statutes, or may be retained pursuant to Rule 3.1. The Design Criteria Professional is not eligible to render services under a Design-Build Contract executed pursuant to the Design Criteria Package.
- (b) A Design Criteria Package for the construction project shall be prepared and sealed by the Design Criteria Professional. If the project utilizes existing plans, the Design Criteria Professional shall create a Design Criteria Package by supplementing the plans with project specific requirements, if any.
- (c) The Board may either choose to award the Design-Build Contract pursuant to the competitive proposal selection process set forth in Section 287.055(9) of the Florida Statutes, or pursuant to the qualifications-based selection process pursuant to Rule 3.1.
 - (i) Qualifications-Based Selection. If the process set forth in Rule 3.1 is utilized, subsequent to competitive negotiations, a guaranteed maximum price and guaranteed completion date shall be established.
 - (ii) Competitive Proposal-Based Selection. If the competitive proposal selection process is utilized, the Board, in consultation with the Design Criteria Professional, shall establish the criteria, standards and procedures for the evaluation of Design-Build Proposals based on price, technical, and design aspects of the project, weighted for the project. After a Design Criteria Package and the standards and procedures for evaluation of proposals have been developed, competitive proposals from qualified firms shall be solicited pursuant to the design criteria by the following procedure:
 - 1. A Request for Proposals shall be advertised at least once in a newspaper of general circulation in the county in which the District is located. The notice shall allow at least twenty-one (21) days for submittal of sealed proposals, unless the Board,

for good cause, determines a shorter period of time is appropriate. Any project projected to cost more than five hundred thousand dollars (\$500,000) must be noticed at least thirty (30) days prior to the date for submittal of proposals.

2. The District may maintain lists of persons interested in receiving notices of Requests for Proposals. The District shall make a good faith effort to provide written notice, by electronic mail, United States Mail, hand delivery, or facsimile, to persons who provide their name and address to the District Manager for inclusion on the list. However, failure of a person to receive the notice shall not invalidate any contract awarded in accordance with this Rule and shall not be a basis for a protest of any contract award.
3. In order to be eligible to submit a proposal, a firm must, at the time of receipt of the proposals:
 - a. Hold the required applicable state professional licenses in good standing, as defined by Section 287.055(2)(h) of the Florida Statutes;
 - b. Hold all required applicable federal licenses in good standing, if any;
 - c. Hold a current and active Florida corporate charter or be authorized to do business in the State of Florida in accordance with Chapter 607 of the Florida Statutes, if the proposer is a corporation;
 - d. Meet any special pre-qualification requirements set forth in the Request for Proposals and Design Criteria Package.

Any contractor that has been found guilty by a court of any violation of federal labor or employment tax laws regarding subjects including but not limited to reemployment assistance, safety, tax withholding, worker's compensation, unemployment tax, social security and Medicare tax, wage or hour, or prevailing rate laws within the past 5 years may be considered ineligible by the District to submit a bid, response, or proposal for a District project.

Evidence of compliance with these Rules must be submitted with the proposal if required by the District. Failure to

submit evidence of compliance when required may be grounds for rejection of the proposal.

4. The proposals, or the portions of which that include the price, shall be publicly opened at a meeting noticed in accordance with Rule 1.3, and at which at least one district representative is present. The name of each bidder and the price submitted in the bid shall be announced at such meeting and shall be made available upon request. Minutes should be taken at the meeting and maintained by the District. In consultation with the Design Criteria Professional, the Board shall evaluate the proposals received based on evaluation criteria and procedures established prior to the solicitation of proposals, including but not limited to qualifications, availability, and past work of the firms and the partners and members thereof. The Board shall then select no fewer than three (3) Design-Build Firms as the most qualified.
5. The Board shall have the right to reject all proposals if [the proposals are too high](#), or rejection is determined to be in the best interest of the District. No vendor shall be entitled to recover any costs of proposal preparation or submittal from the District.
6. If less than three (3) Responsive Proposals are received, the District may purchase design-build services or may reject the proposals for lack of competitiveness. If no Responsive Proposals are received, the District may proceed with the procurement of design-build services in the manner the Board determines is in the best interests of the District, which may include but is not limited to a direct purchase of the design-build services without further competitive selection processes.
7. Notice of the rankings adopted by the Board, including the rejection of some or all proposals, shall be provided in writing to all consultants by United States Mail, hand delivery, facsimile, or overnight delivery service. The notice shall include the following statement: "Failure to file a protest within the time prescribed in Rule 3.11 of the Rules of the District shall constitute a waiver of proceedings under those Rules," or wording to that effect. Protests of the District's rankings under this Rule shall be in accordance with the procedures set forth in Rule 3.11.

8. The Board shall negotiate a contract with the firm ranking the highest based on the evaluation standards and shall establish a price which the Board determines is fair, competitive and reasonable. Should the Board be unable to negotiate a satisfactory contract with the firm considered to be the most qualified at a price considered by the Board to be fair, competitive, and reasonable, negotiations with that firm must be terminated. The Board shall then undertake negotiations with the second most qualified firm, based on the ranking by the evaluation standards. Should the Board be unable to negotiate a satisfactory contract with the firm considered to be the second most qualified at a price considered by the Board to be fair, competitive, and reasonable, negotiations with that firm must be terminated. The Board shall then undertake negotiations with the third most qualified firm. Should the Board be unable to negotiate a satisfactory contract with the firm considered to be the third most qualified at a price considered by the Board to be fair, competitive, and reasonable, negotiations with that firm must be terminated. Should the Board be unable to negotiate a satisfactory contract with any of the selected firms, the Board shall select additional firms in order of their rankings based on the evaluation standards and continue negotiations until an agreement is reached or the list of firms is exhausted.
 9. After the Board contracts with a firm, the firm shall bring to the Board for approval, detailed working drawings of the project.
 10. The Design Criteria Professional shall evaluate the compliance of the detailed working drawings and project construction with the Design Criteria Package and shall provide the Board with a report of the same.
- (3) Contracts; Public Records. In accordance with Florida law, each contract entered into pursuant to this Rule shall include provisions required by law that require the contractor to comply with public records laws.
 - (4) Emergency Purchase. The Board may, in case of public emergency, declare an emergency and immediately proceed with negotiations with the best qualified Design-Build Firm available at the time. The fact that an Emergency Purchase has occurred shall be noted in the minutes of the next Board meeting.
 - (5) Exceptions. This Rule is inapplicable when:

- (a) The project is undertaken as repair or maintenance of an existing public facility;
- (b) The funding source of the project will be diminished or lost because the time required to competitively award the project after the funds become available exceeds the time within which the funding source must be spent;
- (c) The District has competitively awarded a project and the contractor has abandoned the project or the District has terminated the contractor; or
- (d) The District, after public notice, conducts a public meeting under Section 286.011 of the Florida Statutes, and finds by a majority vote of the Board that it is in the public's best interest to perform the project using its own services, employees, and equipment.

Law Implemented: §§ 119.0701, 189.053, 190.033, 255.0518, 255.0525, 255.20, 287.055, Fla. Stat.

Rule 3.7 Payment and Performance Bonds.

- (1) Scope. This Rule shall apply to contracts for the construction of a public building, for the prosecution and completion of a public work, or for repairs upon a public building or public work and shall be construed in addition to terms prescribed by any other Rule that may also apply to such contracts.

- (2) Required Bond. Upon entering into a contract for any of the services described in section (1) of this Rule in excess of \$200,000, the Board should require that the contractor, before commencing the work, execute and record a payment and performance bond in an amount equal to the contract price. Notwithstanding the terms of the contract or any other law, the District may not make payment to the contractor until the contractor has provided to the District a certified copy of the recorded bond.

- (3) Discretionary Bond. At the discretion of the Board, upon entering into a contract for any of the services described in section (1) of this Rule for an amount not exceeding \$200,000, the contractor may be exempted from executing a payment and performance bond.

Specific Authority: §§ 190.011(5), 190.011(15), Fla. Stat.

Law Implemented: § 255.05, Fla. Stat.

Rule 3.8 Goods, Supplies, and Materials.

- (1) Purpose and Scope. All purchases of goods, supplies, or materials exceeding the amount provided in Section 287.017 of the Florida Statutes, for CATEGORY FOUR, shall be purchased under the terms of this Rule. Contracts for purchases of “goods, supplies, and materials” do not include printing, insurance, advertising, or legal notices. A contract involving goods, supplies, or materials plus maintenance services may, in the discretion of the Board, be treated as a contract for maintenance services. However, a purchase shall not be divided solely in order to avoid the threshold bidding requirements.
- (2) Procedure. When a purchase of goods, supplies, or materials is within the scope of this Rule, the following procedures shall apply:
 - (a) The Board shall cause to be prepared an Invitation to Bid, Request for Proposals, Invitation to Negotiate, or Competitive Solicitation.
 - (b) Notice of the Invitation to Bid, Request for Proposals, Invitation to Negotiate, or Competitive Solicitation shall be advertised at least once in a newspaper of general circulation within the District and within the county in which the District is located. The notice shall also include the amount of the bid bond, if one is required. The notice shall allow at least seven (7) days for submittal of bids, proposals, replies, or responses.
 - (c) The District may maintain lists of persons interested in receiving notices of Invitations to Bid, Requests for Proposals, Invitations to Negotiate, or Competitive Solicitations. The District shall make a good faith effort to provide written notice, by electronic mail, United States Mail, hand delivery, or facsimile, to persons who provide their name and address to the District Manager for inclusion on the list. However, failure of a person to receive the notice shall not invalidate any contract awarded in accordance with this Rule and shall not be a basis for a protest of any contract award.
 - (d) If the District has pre-qualified suppliers of goods, supplies, and materials, then, at the option of the District, only those persons who have been pre-qualified will be eligible to submit bids, proposals, replies, or responses.
 - (e) In order to be eligible to submit a bid, proposal, reply, or response, a firm or individual must, at the time of receipt of the bids, proposals, replies, or responses:
 - (i) Hold all required applicable state professional licenses in good standing;
 - (ii) Hold all required applicable federal licenses in good standing, if any;

- (iii) Hold a current and active Florida corporate charter or be authorized to do business in the State of Florida in accordance with Chapter 607 of the Florida Statutes, if the vendor is a corporation; and
- (iv) Meet any special pre-qualification requirements set forth in the Invitation to Bid, Request for Proposals, Invitation to Negotiate, or Competitive Solicitation.

Evidence of compliance with these Rules must be submitted with the bid, proposal, reply or response if required by the District. Failure to submit evidence of compliance when required may be grounds for rejection of the bid, proposal, reply, or response.

Any firm or individual whose principal place of business is outside the State of Florida must also submit a written opinion of an attorney at law licensed to practice law in that foreign state, as to the preferences, if any or none, granted by the law of that foreign state to business entities whose principal places of business are in that foreign state, in the letting of any or all public contracts. Failure to submit such a written opinion or submission of a false or misleading written opinion may be grounds for rejection of the bid, proposal, reply, or response.

- (f) Bids, proposals, replies, and responses shall be publicly opened at the time and place noted on the Invitation to Bid, Request for Proposals, Invitation to Negotiate, or Competitive Solicitation. Bids, proposals, replies, and responses shall be evaluated in accordance with the respective Invitation to Bid, Request for Proposals, Invitation to Negotiate, or Competitive Solicitation, and this Rule. Minor variations in the bids, proposals, replies, or responses may be waived by the Board. A variation is minor if waiver of the variation does not create a competitive advantage or disadvantage of a material nature. Mistakes in arithmetic extension of pricing may be corrected by the Board. Bids and proposals may not be modified or supplemented after opening; provided however, additional information may be requested and/or provided to evidence compliance, make non-material modifications, clarifications, or supplementations, and as otherwise permitted by Florida law.
- (g) The lowest Responsive Bid, after taking into account the preferences provided for in this subsection, submitted by a Responsive and Responsible Bidder in response to an Invitation to Bid, Request for Proposals, Invitation to Negotiate, or Competitive Solicitation shall be accepted. If the lowest Responsive Bid is submitted by a Responsive and Responsible Bidder whose principal place of business is located in a foreign state which does not grant a preference in competitive purchase to businesses whose principal place of business are in that foreign state, the lowest Responsible and Responsive Bidder whose principal place of business is in the State of

Florida shall be awarded a preference of five (5) percent. If the lowest Responsive Bid is submitted by a Responsive and Responsible Bidder whose principal place of business is located in a foreign state which grants a preference in competitive purchase to businesses whose principal place of business are in that foreign state, the lowest Responsible and Responsive Bidder whose principal place of business is in the State of Florida shall be awarded a preference equal to the preference granted by such foreign state.

To assure full understanding of the responsiveness to the solicitation requirements contained in an Invitation to Bid, Request for Proposals, Invitation to Negotiate, or Competitive Solicitation, discussions may be conducted with qualified vendors. Vendors shall be accorded fair treatment prior to the submittal date with respect to any opportunity for discussion, preparation, and revision of bids, proposals, replies, and responses.

- (h) The Board shall have the right to reject all bids, proposals, replies, or responses because they exceed the amount of funds budgeted for the purchase, if there are not enough to be competitive, or if rejection is determined to be in the best interest of the District. No vendor shall be entitled to recover any costs of bid, proposal, reply, or response preparation or submittal from the District.
 - (i) The Board may require bidders and proposers to furnish bid bonds, performance bonds, and/or other bonds with a responsible surety to be approved by the Board.
 - (j) Notice of intent to award, including rejection of some or all bids, proposals, replies, or responses shall be provided in writing to all vendors by United States Mail, hand delivery, facsimile, or overnight delivery service. The notice shall include the following statement: "Failure to file a protest within the time prescribed in Rule 3.11 of the Rules of the District shall constitute a waiver of proceedings under those Rules," or wording to that effect. Protests of the District's purchase of goods, supplies, and materials under this Rule shall be in accordance with the procedures set forth in Rule 3.11.
 - (k) If less than three (3) Responsive Bids, Proposals, Replies, or Responses are received, the District may purchase goods, supplies, or materials, or may reject the bids, proposals, replies, or responses for a lack of competitiveness. If no Responsive Bid, Proposal, Reply, or Response is received, the District may proceed with the procurement of goods, supplies, and materials, in the manner the Board determines is in the best interests of the District, which may include but is not limited to a direct purchase of the goods, supplies, and materials without further competitive selection processes.
- (3) Goods, Supplies, and Materials included in a Construction Contract Awarded Pursuant to Rule 3.5 or 3.6. There may be occasions where the District has

undergone the competitive purchase of construction services which contract may include the provision of goods, supplies, or materials. In that instance, the District may approve a change order to the contract and directly purchase the goods, supplies, and materials. Such purchase of goods, supplies, and materials deducted from a competitively purchased construction contract shall be exempt from this Rule.

- (4) Exemption. Goods, supplies, and materials that are only available from a single source are exempt from this Rule. Goods, supplies, and materials provided by governmental agencies are exempt from this Rule. A contract for goods, supplies, or materials is exempt from this Rule if state or federal law prescribes with whom the District must contract or if the rate of payment is established during the appropriation process. This Rule shall not apply to the purchase of goods, supplies or materials that are purchased under a federal, state, or local government contract that has been competitively procured by such federal, state, or local government in a manner consistent with the material procurement requirements of these Rules.
- (5) Renewal. Contracts for the purchase of goods, supplies, and/or materials subject to this Rule may be renewed for a maximum period of five (5) years.
- (6) Emergency Purchases. The District may make an Emergency Purchase without complying with these rules. The fact that an Emergency Purchase has occurred or is necessary shall be noted in the minutes of the next Board meeting.

Specific Authority: §§ 190.011(5), 190.011(15), Fla. Stat.

Law Implemented: §§ 189.053, 190.033, 287.017, 287.084, Fla. Stat.

(1) Filing.

- (a) With respect to a protest regarding qualifications, specifications, documentation, or other requirements contained in a Request for Qualifications, Request for Proposals, Invitation to Bid, or Competitive Solicitation issued by the District, the notice of protest shall be filed in writing within seventy-two (72) calendar hours (excluding Saturdays, Sundays, and state holidays) after the first advertisement of the Request for Qualifications, Request for Proposals, Invitation to Bid, or Competitive Solicitation. A formal protest setting forth with particularity the facts and law upon which the protest is based shall be filed within seven (7) calendar days (including Saturdays, Sundays, and state holidays) after the initial notice of protest was filed. For purposes of this Rule, wherever applicable, filing will be perfected and deemed to have occurred upon receipt by the District. Failure to file a notice of protest shall constitute a waiver of all rights to protest the District's intended decision. Failure to file a formal written protest shall constitute an abandonment of the protest proceedings and shall automatically terminate the protest proceedings.
- (b) Except for those situations covered by subsection (1)(a) of this Rule, any firm or person who is affected adversely by a District's ranking or intended award under Rules 3.1, 3.2, 3.3, 3.4, 3.5, 3.6, 3.8, or 3.9 and desires to contest the District's ranking or intended award, shall file with the District a written notice of protest within seventy-two (72) calendar hours (excluding Saturdays, Sundays, and state holidays) after receipt of the notice of the District's ranking or intended award. A formal protest setting forth with particularity the facts and law upon which the protest is based shall be filed within seven (7) calendar days (including Saturdays, Sundays, and state holidays) after the initial notice of protest was filed. For purposes of this Rule, wherever applicable, filing will be perfected and deemed to have occurred upon receipt by the District. Failure to file a notice of protest shall constitute a waiver of all rights to protest the District's ranking or intended award. Failure to file a formal written protest shall constitute an abandonment of the protest proceedings and shall automatically terminate the protest proceedings.
- (c) If the requirement for the posting of a protest bond and the amount of the protest bond, which may be expressed by a percentage of the contract to be awarded or a set amount, is disclosed in the District's competitive solicitation documents for a particular purchase under Rules 3.1, 3.2, 3.3,

3.4, 3.5, 3.6, 3.8, or 3.9, any person who files a notice of protest must post the protest bond. The amount of the protest bond shall be determined by District staff after consultation with the Board and within the limits, if any, imposed by Florida law. In the event the protest is successful, the protest bond shall be refunded to the protestor. In the event the protest is unsuccessful, the protest bond shall be applied towards the District's costs, expenses, and attorney's fees associated with hearing and defending the protest. In the event the protest is settled by mutual agreement of the parties, the protest bond shall be distributed as agreed to by the District and protestor.

- (d) The District does not accept documents filed by electronic mail or facsimile transmission. Filings are only accepted during normal business hours.
- (2) Contract Execution. Upon receipt of a notice of protest which has been timely filed, the District shall not execute the contract under protest until the subject of the protest is resolved. However, if the District sets forth in writing particular facts and circumstances showing that delay incident to protest proceedings will jeopardize the funding for the project, will materially increase the cost of the project, or will create an immediate and serious danger to the public health, safety, or welfare, the contract may be executed.
 - (3) Informal Proceeding. If the Board determines a protest does not involve a disputed issue of material fact, the Board may, but is not obligated to, schedule an informal proceeding to consider the protest. Such informal proceeding shall be at a time and place determined by the Board. Notice of such proceeding shall be sent via facsimile, United States Mail, or hand delivery to the protestor and any substantially affected persons or parties not less than three (3) calendar days prior to such informal proceeding. Within thirty (30) calendar days following the informal proceeding, the Board shall issue a written decision setting forth the factual, legal, and policy grounds for its decision.
 - (4) Formal Proceeding. If the Board determines a protest involves disputed issues of material fact or if the Board elects not to use the informal proceeding process provided for in section (3) of this Rule, the District shall schedule a formal hearing to resolve the protest. The Chairperson shall designate any member of the Board (including the Chairperson), District Manager, District Counsel, or other person as a hearing officer to conduct the hearing. The hearing officer may:
 - (a) Administer oaths and affirmations;
 - (b) Rule upon offers of proof and receive relevant evidence;
 - (c) Regulate the course of the hearing, including any pre-hearing matters;
 - (d) Enter orders; and

- (e) Make or receive offers of settlement, stipulation, and adjustment.

The hearing officer shall, within thirty (30) days after the hearing or receipt of the hearing transcript, whichever is later, file a recommended order which shall include a caption, time and place of hearing, appearances entered at the hearing, statement of the issues, findings of fact and conclusions of law, separately stated, and a recommendation for final District action. The District shall allow each party fifteen (15) days in which to submit written exceptions to the recommended order. The District shall issue a final order within sixty (60) days after the filing of the recommended order.

- (5) Intervenors. Other substantially affected persons may join the proceedings as intervenors on appropriate terms which shall not unduly delay the proceedings.
- (6) Rejection of all Qualifications, Bids, Proposals, Replies and Responses after Receipt of Notice of Protest. If the Board determines there was a violation of law, defect, or an irregularity in the competitive solicitation process, the Bids, Proposals, Replies, and Responses are too high, or if the Board determines it is otherwise in the District's best interest, the Board may reject all qualifications, bids, proposals, replies, and responses and start the competitive solicitation process anew. If the Board decides to reject all qualifications, bids, proposals, replies, and responses and start the competitive solicitation process anew, any pending protests shall automatically terminate.
- (7) Settlement. Nothing herein shall preclude the settlement of any protest under this Rule at any time.

**SCENIC TERRACE NORTH COMMUNITY DEVELOPMENT DISTRICT
FISCAL YEAR 2020-2021 AND 2021-2022 BUDGET FUNDING AGREEMENT**

THIS AGREEMENT (“Agreement”) is made and entered into this 2nd day of September, 2021 by and between:

SCENIC TERRACE NORTH COMMUNITY DEVELOPMENT DISTRICT, a local unit of special-purpose government established pursuant to Chapter 190, *Florida Statutes*, with a mailing address of 219 E. Livingston Street, Orlando, Florida 32801 (the "District"), and

ATLANTICBLUE CAPITAL, LLC, a Florida limited liability company, with a mailing address of 212 E. Stuart Ave., Lake Wales, FL 33853 (“Developer”).

RECITALS

WHEREAS, the District was established by Ordinance No. 21-1741, effective August 19, 2021, by the City Commission of the City of Haines City, Florida for the purpose of planning, financing, constructing, operating and/or maintaining certain infrastructure; and

WHEREAS, the District, pursuant to Chapter 190, *Florida Statutes*, is authorized to levy such taxes, special assessments, fees and other charges as may be necessary in furtherance of the District's activities and services; and

WHEREAS, Developer presently owns and/or is the primary developer of the portions of all real property described in **Exhibit A**, attached hereto and incorporated herein by reference (“Property”) within the District, which Property will benefit from the timely construction and acquisition of the District's facilities, activities and services and from the continued operations of the District; and

WHEREAS, the District is adopting its general fund budget for the remainder of fiscal year 2020-2021, which concludes on September 30, 2021 and for the fiscal year 2021-2022 which begins October 1, 2021 and ends September 30, 2022 (“Budget”); and

WHEREAS, the Budget, which both parties recognize may be amended from time to time in the sole discretion of the District, is attached hereto and incorporated herein by reference as **Exhibit B**; and

WHEREAS, the District has the option of levying non-ad valorem assessments on all land, including the Property, that will benefit from the activities, operations and services set forth in the Budget, or utilizing such other revenue sources as may be available to it; and

WHEREAS, in lieu of levying assessments on the Property, Developer is willing to provide such funds as are necessary to allow the District to proceed with its operations as described in **Exhibit B**; and

WHEREAS, Developer agrees that the District activities, operations and services provide a special and peculiar benefit equal to or in excess of the costs reflected on **Exhibit B** to the Property; and

WHEREAS, Developer has agreed to enter into this Agreement in lieu of having the District levy and collect any non-ad valorem assessments as authorized by law against the Property located within the District for the activities, operations and services set forth in **Exhibit B**; and

WHEREAS, Developer and the District desire to secure such budget funding through the imposition of a continuing lien against the Property described in **Exhibit A** and otherwise as provided herein.

NOW, THEREFORE, based upon good and valuable consideration and the mutual covenants of the parties, the receipt and sufficiency of which are hereby acknowledged, the parties agree as follows:

SECTION 1. The recitals stated above are true and correct and by this reference are incorporated herein as a material part of this Agreement.

SECTION 2. Developer agrees to make available to the District the monies necessary for the operation of the District as called for in the Budget attached hereto as **Exhibit B**, as may be amended from time to time in the District's sole discretion, within fifteen (15) days of written request by the District. Amendments to the District's Budget as shown on **Exhibit B** adopted by the District at a duly noticed meeting shall have the effect of amending this Agreement without further action of the parties. Funds provided hereunder shall be placed in the District's general checking account. In no way shall the foregoing in any way affect the District's ability to levy special assessments upon the property within the District, including any property owned by Developer, in accordance with Florida law, to provide funds for any unfunded expenditures whether such expenditures are the result of an amendment to the District's Budget or otherwise. These payments are made by Developer in lieu of taxes, fees, or assessments which might otherwise be levied or imposed by the District.

SECTION 3. The District shall have the right to file a continuing lien upon the Property described in **Exhibit A** for all payments due and owing under the terms of this Agreement and for interest thereon, and for reasonable attorneys' fees, paralegals' fees, expenses and court costs incurred by the District incident to the collection of funds under this Agreement or for enforcement of this lien, and all sums advanced and paid by the District for taxes and payment on account of superior interests, liens and encumbrances in order to preserve and protect the District's lien. The lien shall be effective as of the execution of this Agreement. If Developer fails to pay sums due according to the terms of this Agreement, at the District Manager's direction, the District may bring an action at law against the record title holder to the Property to pay the amount due under this Agreement, or may foreclose the lien against the Property in any manner authorized by law. The District may partially release any filed lien for portions of the Property subject to a plat if and when Developer has demonstrated, in the District's sole discretion, that such release will not materially impair the ability of the District to enforce the collection of funds hereunder.

SECTION 4. This Section provides for alternative methods of collection. In the event Developer fails to make payments due to the District pursuant to this Agreement, and the District first provides Developer with written notice of the delinquency to the address identified in this Agreement and such delinquency is not cured within five (5) business days of the notice, then the District shall have the following remedies:

A. In the alternative or in addition to the collection method set forth in Section 2 above, the District may enforce the collection of funds due under this Agreement by action against Developer in the appropriate judicial forum in and for Polk County, Florida. The enforcement of the collection

of funds in this manner shall be in the sole discretion of the District Manager on behalf of the District. In the event that either party is required to enforce this Agreement by court proceedings or otherwise, then the parties agree that the substantially prevailing party shall be entitled to recover from the other all costs incurred, including reasonable attorneys' fees and costs for trial, alternative dispute resolution, or appellate proceedings.

B. The District hereby finds that the activities, operations and services set forth in **Exhibit B** provide a special and peculiar benefit to the Property, which benefit is initially allocated on an equal developable acreage basis. Developer agrees that the activities, operations and services set forth in **Exhibit B** provide a special and peculiar benefit to the Property equal to or in excess of the costs set forth in **Exhibit B**, on an equal developable acreage basis. Therefore, in the alternative, or in addition to the other methods of collection set forth in this Agreement, the District, in its sole discretion, may choose to certify amounts due hereunder as a non-ad valorem assessment on all or any part of the Property for collection, either through the Uniform Method of Collection set forth in Chapter 197 or under any method of direct bill and collection authorized by Florida law. Such assessment, if imposed, may be certified on the next available tax roll of the Polk County property appraiser. Developer hereby waives and/or relinquishes any rights it may have to challenge, object to or otherwise fail to pay such assessments if imposed, as well as the means of collection thereof.

SECTION 5. This instrument shall constitute the final and complete expression of the agreement between the parties relating to the subject matter of this Agreement. Amendments to and waivers of the provisions contained in this Agreement may be made only by an instrument in writing which is executed by both of the parties hereto.

SECTION 6. The execution of this Agreement has been duly authorized by the appropriate body or official of all parties hereto, each party has complied with all the requirements of law, and each party has full power and authority to comply with the terms and provisions of this instrument.

SECTION 7. This Agreement may be assigned, in whole or in part, by either party only upon the written consent of the other, which consent shall not be unreasonably withheld.

SECTION 8. A default by either party under this Agreement shall entitle the other to all remedies available at law or in equity, which shall include, but not be limited to, the right of damages, injunctive relief and specific performance and specifically including the ability of the District to enforce any and all payment obligations under this Agreement in the manner described herein in Sections 3 and 4 above.

SECTION 9. This Agreement is solely for the benefit of the formal parties herein and no right or cause of action shall accrue upon or by reason hereof, to or for the benefit of any third party not a formal party hereto. Nothing in this Agreement expressed or implied is intended or shall be construed to confer upon any person or corporation other than the parties hereto any right, remedy or claim under or by reason of this Agreement or any provisions or conditions hereof; and all of the provisions, representations, covenants and conditions herein contained shall inure to the sole benefit of and shall be binding upon the parties hereto and their respective representatives, successors and assigns. In the event Developer sells or otherwise disposes of its business or of all or substantially all of its assets relating to improvements, work product, or lands within the District, Developer shall continue to be bound by the terms of this Agreement and additionally shall expressly require that the purchaser agrees to be bound by the terms of this Agreement. In the event of such sale or disposition, Developer may place into escrow an amount equal to the then unfunded portion of the applicable adopted Budget to fund any budgeted expenses that may arise

during the remainder of the applicable fiscal year. Upon confirmation of the deposit of said funds into escrow, and evidence of an assignment to, and assumption by the purchaser, of this Agreement, Developer's obligation under this Agreement shall be deemed fulfilled and this Agreement terminated. Developer shall give 90 days prior written notice to the District under this Agreement of any such sale or disposition.

SECTION 10. This Agreement and the provisions contained herein shall be construed, interpreted and controlled according to the laws of the State of Florida. The parties agree and consent to, for the purposes of venue, the exclusive jurisdiction of the courts of Polk County, Florida.

SECTION 11. This Agreement has been negotiated fully between the parties as an arm's length transaction. The parties participated fully in the preparation of this Agreement with the assistance of their respective counsel. In the case of a dispute concerning the interpretation of any provision of this Agreement, the parties are each deemed to have drafted, chosen and selected the language, and the doubtful language will not be interpreted or construed against any party.

SECTION 12. Developer understands and agrees that all documents of any kind provided to the District in connection with this Agreement may be public records and treated as such in accordance with Florida law.

SECTION 13. This Agreement may be executed in any number of counterparts, each of which when executed and delivered shall be an original; however, all such counterparts together shall constitute, but one and the same instrument. Signature and acknowledgment pages, if any, may be detached from the counterparts and attached to a single copy of this document to physically form one document.

SECTION 14. This Agreement shall be effective after execution by both parties hereto. The enforcement provisions of this Agreement shall survive its termination, until all payments due under this Agreement are paid in full.

IN WITNESS WHEREOF, the parties execute this Agreement the day and year first written above.

RESOLUTION 2021-14

A RESOLUTION SETTING FORTH THE POLICY OF THE SCENIC TERRACE NORTH COMMUNITY DEVELOPMENT DISTRICT BOARD OF SUPERVISORS WITH REGARD TO THE SUPPORT AND LEGAL DEFENSE OF THE BOARD OF SUPERVISORS, DISTRICT OFFICERS, AND RETAINED STAFF; AND PROVIDING FOR AN EFFECTIVE DATE.

WHEREAS, the Board of Supervisors (the “Board”) and the officers and staff of the Scenic Terrace North Community Development District (the “District”) are constantly presented with the necessity for making decisions regarding various phases of the District policy and management; and

WHEREAS, it is absolutely essential to the effective operation of the District that such decisions be made in an environment where the threat of personal liability for the members of the Board and its officers and staff is maintained at a minimum; and

WHEREAS, the Board wishes to formalize a policy with regard to the support and legal-protection of the Board and its officers and staff to reduce the threat of personal liability to such individuals and allow for an effective decision-making environment.

NOW, THEREFORE, BE IT RESOLVED BY THE BOARD OF SUPERVISORS OF THE SCENIC TERRACE NORTH COMMUNITY DEVELOPMENT DISTRICT:

SECTION 1. As set forth in this Resolution, the District, in accordance with Florida law, agrees that the following Board members, officers, and staff (together, “Indemnitees”) of the District, shall be provided the benefit of the indemnification, support and legal defense provisions provided in this Resolution:

A. All members of the Board of Supervisors; and

B. Secretary and Assistant Secretaries, Treasurer and Assistant Treasurers, and other District officers, as well as District Staff (e.g., the District Manager, the District Engineer, and the District Counsel).

SECTION 2. As set forth in this Resolution and in accordance with Sections 111.07 and 768.28, *Florida Statutes*, the District hereby agrees to provide legal representation to defend any and all civil actions, including federal civil rights and other federal civil claims, arising from a complaint for damages or injuries suffered as a result of any action or omission of action of all Indemnitees, present or former, arising out of and in the scope of his or her employment or function, unless, in the case of a tort action, the Indemnitee acted in bad faith, with malicious purpose, or in a manner exhibiting wanton and willful disregard of human rights, safety, or property. Defense of such civil actions includes, but is not limited to, any civil rights lawsuit seeking relief personally against any Indemnitee for an act or omission under color of state law, custom or usage, wherein it is alleged that such Indemnitee has deprived another person of rights secured under the Federal Constitution or laws, including, by way of example, actions under 42 U.S.C. §1983 or other federal statute. The District further agrees to provide legal representation to defend against any other litigation arising against an Indemnitee from the performance of their official duties while serving a public purpose, including civil, administrative or criminal actions as permitted by law. By these provisions, the District does not waive any immunity from liability or limited waiver of such immunity as granted under Florida law. Rather, the District is stating that to the extent the State does not protect the

Board and its officers from liability through its laws, the District is committed to doing so to the extent described in this Resolution and as permitted by law.

SECTION 3. The District may insure itself in order to cover all reasonable costs and fees directly arising out of or in connection with any legal claim or suit that directly results from a decision or act made by an Indemnatee while performing the duties and functions of his or her position.

SECTION 4. This Resolution is intended to evidence the District's support of Indemnitees who perform acts and render decisions in the good faith performance of their duties and functions. The District will neither support nor defend those actions or omissions committed by an individual outside the scope of his or her office or committed in bad faith or with malicious purpose or in a manner exhibiting wanton and willful disregard of human rights, safety, or property. By adoption of this Resolution, the Indemnatee(s) in question are each presumed to have acted within the scope of his or her office and are presumed to be acting in good faith, without a malicious purpose, and not in a manner exhibiting wanton and willful disregard of human rights, safety, or property. The District's Board of Supervisors may overcome this presumption only by unanimous vote of those participating and voting, in accordance with Section 7 herein.

SECTION 5. In the event that the District has expended funds to provide an attorney to defend a Indemnatee who is found to be personally liable by virtue of actions outside the scope of his or her employment or function, or is found to have acted in bad faith, with malicious purpose, or in a manner exhibiting wanton and willful disregard of human rights, safety, or property, the individual shall be required to reimburse the District for funds so expended. The District may recover such funds in a civil action against such individual.

SECTION 6. The District agrees to pay any final judgment, including damages, fines, penalties, or other damages, costs, and attorneys' fees and costs, arising from any complaint for damages or injuries suffered as a result of any action or omission of action of any Indemnatee as described in Section 111.07, *Florida Statutes*. If the action arises under Section 768.28, *Florida Statutes*, as a tort claim, the limitations and provisions of that section governing payment shall apply. If the action is a civil rights action arising under 42 U.S.C. §1983, or similar federal statutes, payment for the full amount of judgment may be made unless the individual has been determined in the final judgment to have caused the harm intentionally. The District agrees to pay any compromise or settlement of any claim or litigation described in this paragraph; provided, however, that the District determines such compromise or settlement to be in the District's best interest.

SECTION 7. To rebut the presumption of the automatic payment of judgments or provision of legal representation pursuant to this Resolution, at least one of the following determinations shall be made by a unanimous decision of the District's Board of Supervisors participating and voting:

- A. The actions of the Indemnatee were outside the scope of his or her duties and authority; or
- B. The acts or omissions of the Indemnatee constituted bad faith, malicious purpose, intentional infliction of harm, or were done in a manner exhibiting wanton and willful disregard of human rights, safety, or property; or
- C. The Indemnatee received financial profit or advantage to which he or she was not legally entitled.

SECTION 8. To ensure the provision of legal representation pursuant to this Resolution, the following must be met:

- A.** A copy of the summons, complaint, notice, demand letter, or other document or pleading in the action, or a letter setting forth the substance of any claim or complaint, must be delivered to the District Chairperson, Vice Chairperson, District Manager, or District Counsel within fourteen (14) calendar days after actual receipt of any such document together with a specific request in writing that the District defend or provide representation for the Indemnatee; and
- B.** The Indemnatee must cooperate continuously and fully with the District in the defense of the action.

SECTION 9. Any indemnification, legal defense, or other protection provided pursuant to this representation shall not extend to:

- A.** Consulting or other outside professional or business activities for which the Indemnatee received financial or other material compensation, which are outside the scope of his or her District duties and authority; and
- B.** Any independent contractor for whom defense or indemnification is not authorized pursuant to Section 1(b) of this Resolution, unless the Board votes to authorize such indemnification, legal defense, or other protection; and
- C.** Any fine, penalty, or other punishment imposed as a result of conviction for a criminal offense, and any legal fees and costs incurred to defend criminal prosecution in which a conviction is obtained; and
- D.** Claims brought against the Indemnatee by the District's Board of Supervisors; and
- E.** Any indemnification or defense prohibited by law.

SECTION 10. In the event legal representation or defense is provided pursuant to this Resolution, the Indemnatee may either:

- A.** Retain legal counsel appointed by the District, in which case legal counsel shall be paid directly by the District; or
- B.** Retain legal counsel chosen by the Indemnatee, in which case the District shall have the right to:
 - i.** Approve, in advance, any agreement for legal fees or disbursements; and
 - ii.** Pay all or part of the legal fees, costs, and other disbursements, and to set a maximum for legal fees, costs, and other disbursements; and
 - iii.** Direct the defense and settle or compromise the action or claim; and
 - iv.** Reduce or offset any monies that may be payable by the District by any court costs or attorneys' fees awarded to the Indemnatee.

SECTION 11. The benefits of the policy adopted in this Resolution shall not enlarge the rights that would have been available to any third-party plaintiff or claimant in the absence of this policy.

SECTION 12. To the extent permitted by law, this policy shall inure to the benefit of the heirs, personal representatives, and estate of the Board member and/or officer.

SECTION 13. The District reserves the right to change, modify, or withdraw this Resolution in its sole discretion, except as to actions, demand or other claims based on acts or omissions that occurred before the effective change, modification, or withdrawal of this Resolution.

SECTION 14. This Resolution shall be effective as of its adoption on the date listed below and shall apply to any acts or omissions occurring after that date.

A. An initial Public Comment Period shall be provided at the start of each Board meeting before consideration of any propositions by the Board. In the event there are propositions that come before the Board that are not listed on the agenda, the Presiding Officer shall announce a Public Comment Period on such proposition prior to the Board voting on the matter.

No person other than a Board Supervisor or District staff member shall be permitted to enter into any discussion with an individual speaker while he or she has the floor, without the permission of the Presiding Officer.

C. Nothing herein shall be construed to prohibit the Presiding Officer from maintaining orderly conduct and proper decorum in a public meeting. Speakers shall refrain from disruptive behavior and from making vulgar or threatening remarks. Speakers shall refrain from launching personal attacks against any Board Supervisor, District staff member, or member of the public. The Presiding Officer shall have the discretion to remove any speaker who disregards these policies from the meeting.

D. In the case that any person is declared out of order by the Presiding Officer and ordered expelled, and does not immediately leave the meeting facilities, the following steps may be taken:

i. The Presiding Officer may declare a recess;

- ii. The Presiding Officer may contact the local law enforcement authority; or
- i. In case the person does not remove himself or herself from the meeting, the Presiding Officer may request that he or she be placed under arrest by local law enforcement authorities for violation of Section 871.01, *Florida Statutes*, or other applicable law.

SECTION 4. EXCEPTIONS. The Board recognizes and may apply all applicable exceptions to Section 286.0114, *Florida Statutes*, including those set forth in Section 286.0114(3), *Florida Statutes*, and other applicable law. Additionally, the Presiding Officer may alter the procedures set forth in this Public Comment Policy for public hearings and other special proceedings that may require a different procedure under Florida law.

A. Related to Non-Construction Goods and Services

All payments due from the District, and not made within the time specified within this policy, will bear interest, from thirty (30) days after the due date, at the rate of one percent (1%) per month on the unpaid balance. The Vendor must submit a Proper Invoice to the District for any interest accrued in order to receive the interest payment. (§218.735(9), Fla. Stat.).

SECTION J

MEMORANDUM

TO: Scenic Terrace North Community Development District
Board of Supervisors

FROM: KE Law Group, PLLC

DATE: September 2, 2021

RE: Public Records Retention

The purpose of this memorandum is to outline the District's responsibilities in relation to the retention and disposition of its public records ("Records Retention") and to present a choice between two different resolutions for the Board to consider. Historically, most districts have not engaged in the disposition of records and have simply chosen to keep all records. However, current state law provides for the disposition of many records after a specified period of time. In order to devise a Records Retention Policy which makes sense, there are three primary sources for legal requirements that must be considered.

Overview of State Law Records Retention Requirements

Florida Law sets forth a comprehensive scheme governing Records Retention. Section 257.36, *Florida Statutes*, entitled "Records and Information Management" created the Division of Library and Information Services of the Department of State ("DLIS") which is charged with the duty to set forth policies and rules regulating Records Retention. To this end, DLIS has adopted comprehensive rules and policies applicable to community development districts ("CDDs") which are set forth in the Florida Administrative Code sections 1B-24.001, 1B-24.003, 1B-26.0021, and 1B-26.003. DLIS adopts records retention schedules which provide the minimum amount of time that different public records must be kept before they are disposed ("Schedules"). The Schedules typically applicable to CDDs are GS1-SL (General Records Schedule for State and Local Government Agencies), GS3 (General Records Schedule for Election Records), and GS14 (General Records Schedule for Public Utilities). GS1-SL and GS3 will apply to every CDD, while GS14 will apply to just those CDDs operating water and sewer utilities. Each of these three schedules is further broken down into categories of similar documents.

Under Florida law, all documents of a particular type must be retained for the minimum amount of time set forth in the applicable section of the Schedules. In the event a District record exists that does not fall into one of the specified categories, the District is responsible for requesting that an "Individual Records Schedule" be created by DLIS.

Florida law allows CDDs to adopt policies that extend the amount of time a record must be kept. However, CDDs do not have the power to shorten the time periods in the Schedules.

Overview of Federal Law Records Retention Requirements by Virtue of Tax-Exempt Bond Issuance

If a District has issued tax exempt bonds, there are various requirements imposed by federal law relating to Records Retention. The general principle is that documents in any way related to the issuance of tax-exempt bonds, revenues securing bonds, and the use of the bond proceeds should be kept until at least three (3) years after the bonds are redeemed. If refunding bonds are issued, records for the refunding bonds

and the bonds refunded should be kept until at least three (3) years after the refunding bonds are redeemed. The records which must be kept include, but are not limited to:

1. Basic records relating to the bond transaction (including the trust indenture, loan agreements, and bond counsel opinion); and
2. Documentation evidencing the expenditure of bond proceeds; and
3. Documentation evidencing use of bond-financed property by public and private sources (i.e., copies of management contracts and research agreements); and
4. Documentation evidencing all sources of payment or security for the bonds, such as assessments; and
5. Documentation pertaining to any investment of bond proceeds (including the purchase and sale of securities, SLGS subscriptions, yield calculations for each class of investments, actual investment income received from the investment of proceeds, guaranteed investment contracts, and rebate calculations).

Overview of Trust Indenture Requirements to Retain Records

Most, if not all, trust indentures require CDDs that have issued bonds to maintain records which demonstrate that the District has not taken any action to jeopardize the tax-exempt status of the bonds.

Current Responsibilities for District Records Retention

Section 119.021(2)(b), *Florida Statutes*, provides that the District must comply with the DLIS rules establishing retention schedules and disposal processes. Section 119.021(2)(c), *Florida Statutes*, provides that each public official shall systematically dispose of records no longer needed, subject to the consent of DLIS. Although the ultimate responsibility rests with the Secretary, the District needs to formally appoint a Records Management Liaison Officer to interact with DLIS. The attached resolutions appoint a Records Management Liaison Officer and outline such person's duties.

District Options for Records Retention Policy

At this point in time, the District really has two options to ensure compliance with applicable Records Retention laws.

First, the District can adopt the Florida Records Retention Schedules modified to ensure the District is also retaining the records required by federal law and the trust indenture. This option allows for the timely destruction of records while ensuring that the District's policy is in compliance with state and federal laws. HGS has prepared a resolution that implements this option, and it is attached hereto as **Option 1**.

Second, a District can adopt the Florida Records Retention Schedules as written and adopt a policy that states that the District will not be destroying any records at this point in time. While this seems like the easiest approach, it has its drawbacks and is inconsistent with the structure intended by Florida law. Not disposing of documents in a timely manner increases the cost of maintaining records thereby shifting valuable financial resources away from core functions. In addition, unnecessary Records Retention may disadvantage a District in future litigation and may be viewed as a lackadaisical approach to records management, thereby undermining the public's confidence in the integrity of the Records Retention system. Despite these concerns, the District could choose to keep all records. HGS has prepared a resolution that implements this option, and it is attached hereto as **Option 2**.

It is important to note that the District could change its Records Retention policy at a later date so long as the District's amendment was consistent with the notice and hearing provisions found in Chapter 190.

Electronic Recordkeeping

Electronic recordkeeping is one of the many subjects under consideration by the Florida Legislature and our office will circulate an update on any legislative developments that occur. Presently, electronic recordkeeping is authorized by Rule 1B-26.003, Florida Administrative Code, which provides control standards relating to the same. The DLIS recently released the “Electronic Recordkeeping Strategic Plan,” which focuses on recording strategies as they relate to electronic records. The Strategic Plan, as well as a multitude of resources for records managers, is made available for review by DLIS at the following address: http://dlis.dos.state.fl.us/index_RecordsManagers.cfm.

Re: Bond Counsel – Scenic Terrace North Community Development District

Ladies and Gentlemen:

Greenberg Traurig P.A. would be pleased to serve as Bond Counsel to Scenic Terrace North Community Development District (the “District”) in connection with its proposed financing program involving the issuance of special assessment bonds which will provide infrastructure for an approximately 113-acre residential community (which may be subject to future expansion) in the City of Haines City, Florida. For purposes of this letter, we have assumed that the District will issue long-term “permanent” bonds to finance public infrastructure for one or more phases in one or more series. Because the amount of a particular series of bonds is undetermined at this time, we would propose a flat fee structure. Absent unusual circumstances, we would propose to charge a fee of \$50,000 for the initial series of bonds. Any increase in the fee resulting from “unusual circumstances” would be subject to Board approval.

Assistance to District counsel in the validation of the District’s financing program in Circuit Court will be included in the fees quoted above. We assume that District counsel will take the lead in the validation process. A flat amount of \$3,000 will be added to our invoice at bond closing to cover expenses. CD or other electronic transcripts will be provided after closing of each series at no charge. In the event that for any reason the District is unable to complete a financing that the finance team has been working on, we would expect to be paid for our time and expenses at our normal hourly rates less 10%, subject to a cap equal to the otherwise applicable fixed fee set forth above. In such an unlikely case, we would expect that payment would be made under a developer funding agreement with Atlanticblue Capital, LLC or related entities or principals thereof.

We would appreciate it if this fee arrangement for special assessment bonds could be presented to the Board of Supervisors at its organizational meeting on or about September 1, 2021. If the foregoing proposal is acceptable to the District, please so indicate by executing this letter and emailing a copy back to me.

FMS is not acting as a municipal advisor for the developer in connection with the subject transaction. Any information that FMS has previously provided was solely for discussion purposes in anticipation of being retained as your underwriter. Attachment II, attached hereto, contains the Municipal Securities Rulemaking Board (MSRB) Rule G-17 Disclosure, as set forth in the amended and restated MSRB Notice 2019-20 (November 8, 2019)¹ (the "Notice"). We ask that you provide this letter to the appropriate person at the Issuer.

We look forward to working with you.

¹ Interpretive Notice Concerning the Application of MSRB Rule G-17 to underwriters and Underwriters of Municipal Securities (effective March 31, 2021).

ATTACHMENT I

Section 1 Scope of Services of FMS: FMS proposes that its duties as Underwriter shall be limited to the following:

1. To provide advice to the Issuer on the structure, timing and terms of the Bonds;
2. To coordinate the financing process;
3. To conduct due diligence;
4. To assist in the preparation of an offering memorandum;
5. To review the assessment methodology and Bond documents;
6. To market and offer Bonds to investors.

Section 2 Terms and Conditions:

1. Underwriter Fee ("Underwriting Fee"). FMS shall act as sole lead underwriter. The Underwriting Fee to FMS for acting as Underwriter shall be 2% of the par amount of any Bonds issued. The Underwriting Fee shall be due and payable only upon the closing of the Bonds. The Underwriting Fee may be modified pursuant to a bond delegation or award resolution approved by the Board and consented to by the Underwriter.
2. Price and Interest Rates: The offering price and interest rates are expected to be based on recent comparable transactions in the market, if any. FMS and the Issuer will jointly determine the offering price and interest rates immediately prior to the start of the order period, based on market conditions then prevailing.
3. Bond Purchase Agreement. The obligations of the Underwriter and those of the Issuer would be subject to the satisfactory completion of due diligence and to the customary representations, warranties, covenants, conditions, including provisions respecting its termination contained in the form of a bond purchase agreement FMS will prepare and as generally used in connection with the offering of Bonds for this type of transaction.
4. Costs of Issuance. The Issuer shall be responsible for the payment of all expenses relating to the offering, including but not limited to, attorney fees, consultant fees, costs associated with preparing offering documents, if any, the purchase agreement, regulatory fees and filing fees and expenses for qualification under blue sky laws designated by FMS and approved by the Issuer.
5. Assumptions. The proposed terms and statements of intention set forth in this attachment are based on information currently available to FMS about the Issuer and the market for special assessment bonds similar to the Bonds and the assumptions that:

- a) the financial condition and history of the project shall be substantially as understood, and the financial information for the relevant and appropriate period ended to be included in the final offering memorandum will not vary materially from those set forth in the material furnished to FMS;
 - b) no adverse developments shall occur which materially and adversely affect the underlying security and financial condition of the Issuer and the primary landowner and developer;
 - c) the offering memorandum will comply with all applicable laws and regulations;
 - d) there will not be any unanticipated substantial delays on the part of the Issuer in completing the transaction; and
 - e) all conditions of the Underwriter to purchase Bonds will be included in the bond purchase agreement and conditions shall be satisfied or waived, in the sole discretion of the Underwriter.
6. Information. The Issuer agrees to reasonably and actively assist FMS in achieving an underwriting that is satisfactory to FMS and the Issuer. To assist FMS in the underwriting the Issuer will (a) provide and cause the Issuer's staff and its professionals to provide FMS upon request with all information reasonably deemed necessary by FMS to complete the underwritings, included but not limited to, information and evaluations prepared by the Issuer and its advisors and the primary landowner and developer; and (b) otherwise assist FMS in its underwriting efforts.
7. Term of Engagement. The term of our engagement shall commence as of the date the covering letter is executed by the Issuer and continue in full force and effect unless terminated by either party. In event of termination by the Issuer without cause, FMS shall be entitled to recover its reasonable out of pocket expenses incurred up to the date of termination.
8. No Commitment. Notwithstanding the foregoing, nothing herein shall constitute an agreement to provide a firm commitment, underwriting or placement or arrangement of any securities by FMS or its affiliates. Any such commitment, placement or arrangement shall only be made a part of an underwriting agreement or purchase agreement at the time of the sale of the Bonds.

The engagement contemplated hereby is solely for the benefit of the Issuer and FMS and their respective successors, assigns and representatives and no other person or entity shall acquire or have any right under or by virtue hereof.

This engagement contains the entire understanding of the parties relating to the transactions contemplated hereby and supersedes all prior agreements, understandings and negotiations with respect thereto.

9. No Financial Advisor. FMS's role is limited to that of an Underwriter and not a financial advisor or municipal advisor.

ATTACHMENT II

MSRB Rule G-17 Disclosure --- The Issuer recognizes that FMSbonds, Inc. will serve as the underwriter (the “Underwriter”) and not as a financial advisor or municipal advisor, in connection with the issuance of the bonds relating to this financing (herein, the ‘Bonds’). As part of our services as Underwriter, FMSbonds, Inc. may provide advice concerning the structure, timing, terms, and other similar matters concerning the issuance of the Bonds. Any such advice, if given, will be provided by FMSbonds, Inc. as Underwriter and not as your financial advisor or municipal advisor in this transaction. The Issuer may choose to engage the services of a municipal advisor with a fiduciary obligation to represent the Issuer’s interest in this transaction.

Pursuant to the Notice, we are required by the MSRB to advise you that:

- MSRB Rule G-17 requires a broker to deal fairly at all times with both municipal issuers and investors.
- The Underwriter’s primary role is to purchase the Bonds in an arm’s-length commercial transaction with the Issuer. As such, the Underwriter has financial and other interests that differ from those of the Issuer.
- Unlike a municipal advisor, the Underwriter does not have a fiduciary duty to the Issuer under the federal securities laws and is, therefore, not required by federal law to act in the best interests of the Issuer without regard to its own financial or other interests.
- The Underwriter has a duty to purchase the Bonds from the Issuer at a fair and reasonable price, but must balance that duty with its duty to use its best efforts to resell the Bonds with purchases at prices that are fair and reasonable.
- The Bonds may be sold into a trust either at the time of issuance or subsequent to issuance. In such instance FMSbonds, Inc., not in its capacity of Underwriter, may participate in such trust arrangement by performing certain administrative roles. Any compensation paid to FMSbonds, Inc. would not be derived from the proceeds of the Bonds or from the revenues pledged thereunder.

The Underwriter will be compensated in accordance with the terms of a bond purchase contract by and between the Underwriter and Issuer. Payment or receipt of the Underwriter’s compensation will be contingent on the closing of the transaction. While this form of compensation is customary in the municipal securities market, it presents a conflict of interest since an Underwriter may have an incentive to recommend a transaction that is unnecessary or to recommend that the size of a transaction be larger than is necessary. The Issuer acknowledges no such recommendation has been made by the Underwriter.

Please note nothing in this letter is an expressed or an implied commitment by us to provide financing or to place or purchase the Bonds. Any such commitment shall only be set forth in a bond purchase contract or other appropriate form of agreement for the type of transaction undertaken by you.

Further, our participation in any transaction (contemplated herein or otherwise) remains subject to, among other things, the execution of a bond purchase contract (or other appropriate form of agreement), further internal review and approvals, satisfactory completion of our due diligence investigation and market conditions.

FMSbonds, Inc. is acting independently in seeking to act as Underwriter in the transaction contemplated herein and shall not be deemed for any purpose to be acting as an agent, joint venturer or partner of any other principal involved in the proposed financing. FMSbonds, Inc. assumes no responsibility, express or implied, for any actions or omissions of, or the performance of services by, the purchasers or any other brokers in connection with the transactions contemplated herein or otherwise.

If you or any other representative of the Issuer have any questions or concerns about these disclosures, please make those questions or concerns known immediately to the undersigned. In addition, you should consult with your own financial, municipal, legal, accounting, tax and other advisors, as applicable, to the extent deemed appropriate.

The MSRB requires that we seek the Issuer's acknowledgement that it has received this letter. We request that the person at the Issuer who has the authority to bind the Issuer (herein, "Authorized Issuer Representative") acknowledge this letter as soon as practicable and by nature of such acknowledgment that such person is not a party to any conflict of interest relating to the subject transaction. If our understanding is incorrect, please notify the undersigned immediately.

Depending on the structure of the transaction that the Issuer decides to pursue, or if additional actual or perceived material conflicts are identified, we may be required to send you additional disclosures. At that time, we also will seek your acknowledgement of receipt of any such additional disclosures.

We look forward to working with you in connection with the issuance of the Bonds, and we appreciate the opportunity to assist you in this transaction. Thank you.

FMSbonds, Inc.

THIS BOND FINANCING TEAM FUNDING AGREEMENT (“Agreement”) is made and entered into this 2nd day of September, 2021, by and between:

ATLANTICBLUE CAPITAL, LLC, a Florida limited liability company, with a mailing address of 212 E. Stuart Ave., Lake Wales, FL 33853 (“Developer” and together with the District, the “Parties”).

RECITALS

WHEREAS, the District was established by Ordinance No. 21-1741, adopted by the City Commission of the City of Haines City, Florida, effective as of August 19, 2021, for the purpose of planning, financing, constructing, operating, and/or maintaining certain infrastructure; and

WHEREAS, the District presently expects to access the public bond market to provide for the financing of certain capital improvements, facilities, and services to benefit the lands within the District; and

WHEREAS, the District and the Developer desire to enter into this Agreement to provide funds to enable the District to commence its financing program.

NOW, THEREFORE, based upon good and valuable consideration and the mutual covenants of the Parties, the receipt and sufficiency of which are hereby acknowledged, the Parties agree as follows:

SECTION 1. PROVISION OF FUNDS. The Developer agrees to make available to the District such monies as are necessary to proceed with the issuance of bonds or other indebtedness to fund the District’s improvements, facilities, and services.

A. The Developer agrees to provide to the District any such monies upon receipt of an invoice from the District requesting such funds. Such funds, and all future funds provided pursuant to this Agreement, may be supplied by check, cash, wire transfer, or other form of payment deemed satisfactory in the sole discretion of the District as determined by the District Manager. The District agrees to authorize District staff, including the District Engineer, District Manager, and District Counsel to proceed with the work contemplated by this Agreement, and to retain a Bond Counsel and Financial Advisor and other professional assistance as may be necessary to proceed with the work contemplated by this Agreement.

B. The Parties agree that all fees, costs, or other expenses incurred by the District for the services of the District’s Engineer, Counsel, Financial Advisor, or other professionals, for the work contemplated by this Agreement shall be paid solely from the funds provided by the Developer pursuant to this Agreement. Such payments shall be made in accordance with the District’s normal invoice and payment procedures. The District agrees that any funds provided by the Developer pursuant to this Agreement shall be used solely for fees, costs, and expenses arising from or related to the work contemplated by this Agreement.

C. The District agrees to provide to the Developer, on a monthly basis, copies of all invoices, requisitions, or other bills for which payment is to be made from the funds provided by the Developer. The District agrees to provide to the Developer, monthly, a statement from the District Manager showing funds on deposit prior to payment, payments made, and funds remaining on deposit with the District.

D. The Developer agrees to provide funds within fifteen (15) days of receipt of written notification from the District Manager of the need for such funds.

E. In the event that the Developer fails to provide any such funds pursuant to this Agreement, the Parties agree the work may be halted until such time as sufficient funds are provided by the Developer to ensure payment of the costs, fees, or expenses which may be incurred in the performance of such work.

SECTION 2. TERMINATION. The Parties agree that the Developer may terminate this Agreement without cause by providing ten (10) days' written notice of termination to the District. Any such termination by the Developer is contingent upon the Developer's provision of sufficient funds to cover any and all fees, costs, or expenses incurred by the District in connection with the work to be performed under this Agreement as of the date by when notice of termination is received. The Parties agree that the District may terminate this Agreement due to a failure of the Developer to provide funds in accordance with Section 1 of this Agreement, by providing ten (10) days' written notice of termination to the Developer; provided, however, that the Developer shall be provided a reasonable opportunity to cure any such failure.

SECTION 3. CAPITALIZATION. The Parties agree that all funds provided by the Developer pursuant to this Agreement may be reimbursable from proceeds of District financing for capital improvements, and that within forty-five (45) days of receipt of the proceeds by the District of bonds or notes for the District's capital projects, the District shall reimburse the Developer in full, exclusive of interest, for these advances; provided, however, that in the event Bond Counsel determines that any such monies are not properly reimbursable, such funds shall be deemed paid in lieu of taxes or assessments. In the event that District bonds are not issued within five (5) years of the date of this Agreement, all funds provided by the Developer pursuant to this Agreement shall be deemed paid in lieu of taxes or assessments.

SECTION 4. DEFAULT. A default by either Party under this Agreement shall entitle the other to all remedies available at law or in equity, which may include, but not be limited to, the right of damages, injunctive relief, and/or specific performance.

SECTION 5. ENFORCEMENT OF AGREEMENT. In the event that either Party is required to enforce this Agreement by court proceedings or otherwise, then the substantially prevailing party shall be entitled to recover all fees and costs incurred, including reasonable attorney's fees, paralegal fees, and expert witness fees and costs for trial, alternative dispute resolution, or appellate proceedings.

Scenic Terrace North Community Development District

INTRODUCTION

The Scenic Terrace North Community Development District (the "District" or "CDD") is located on the west side of SR 17 – Scenic Highway. The District is located within the city limits of Haines City ("City"), Polk County, Florida. The District currently contains approximately 113.29 acres and is expected to consist of 429 residential lots of various sizes for single-family lots with recreation/amenity areas, parks, and associated infrastructure for the development.

The CDD was established under the City Ordinance No _____, which was approved by the City Commission on _____, 2021. The District will own and operate the public roadways, utilizes systems, and stormwater management facilities, as well as the landscape, irrigation, signage, and recreational facilities within the development.

The Master Developer ("Developer") Atlantic Blue Capital, LLC is based in Winter Haven, Florida. The development is approved as a Planned Development (PD) for Residential Units and is divided into two (2) phases. A land use summary is presented in Table 1.

Public improvements and facilities financed, acquired, and/or constructed by the District will be designed and constructed to conform to regulatory criteria from the city, county, Southwest Florida Water Management District (SWFWMD), and other applicable agencies with regulatory jurisdiction over the development, an overall estimate of the probable cost of the public improvements are provided in Exhibit 7 of this report.

The Capital Improvement Plan (CIP) or this Engineer's Report reflects the present intentions of the District and the landowners. It should be noted that the location of the proposed facilities and improvements may be adjusted during the final design, permitting, and implementation phases. It should also be noted that these modifications are not expected to diminish the benefits to the property within the District. The District reserves the right to make reasonable adjustments to the development plan to meet applicable regulatory requirements of agencies with jurisdiction over the development while maintaining a comparable level of benefits to the lands served by the improvements. Changes and modifications are expected as changes in regulatory criteria are implemented.

COMPANY CONFIDENTIAL AND PROPRIETARY: Use or disclosure of data contained on this sheet is subject to restriction on the title page of this proposal.

Implementation of any proposed facilities or improvements outlined in this report requires written approval from the District's Board of Supervisors. Estimated costs outlined in this report are based on the best available information, which includes, but is not limited to, previous experience with similar projects. Actual costs could be different than estimates because final engineering and specific field conditions may affect construction costs.

All roadway improvements including sidewalks in the right-of-way and storm drainage collection systems (from the curb inlets to their connection to the stormwater ponds) within the development will be maintained by the District. Water distribution and wastewater collection systems (gravity lines, force mains, and lift stations) will be dedicated to the City for ownership and maintenance upon completion.

PURPOSE AND SCOPE

The purpose of this report is to provide engineering support for the funding of the proposed improvements within the District. This report will identify the proposed public infrastructure to be constructed or acquired by the District along with an Opinion of Probable Construction Costs. The District will finance, construct, acquire, operate, and maintain all or specific portions of the proposed public infrastructure.

The predominant portion of this report provides descriptions of the proposed public infrastructure improvements, determination of estimated probable construction costs, and the corresponding benefits associated with the implementation of the described improvements. Detailed site construction plans and specifications have not yet been completed and permitted for the improvements described herein. The engineer has considered and in specific instances has relied upon, the information and documentation prepared or supplied by others to prepare this Engineer's Report.

THE DEVELOPMENT

The development will consist of a total of 429 residential units and associated infrastructure. The development is a planned residential community consisting of 113.29 acres located west side of SR 17 – Scenic Highway from the northern boundary adjacent to Floyd Road and extending south to Hughes Road. The District is located within the incorporated area of Haines City in Polk County. The land uses and zoning for the development are LDR – RPUD, Residential Low, and Planned Unit Development. The development will be constructed in two phases.

CAPITAL IMPROVEMENTS

The CIP consists of public infrastructure in the development. The primary portions of the CIP will provide for stormwater pond construction, roadways built to an urban roadway typical section, water, and sewer facilities including a lift station, and off-site improvements (including turn lanes and extension of water and sewer mains to serve the development).

There will also be stormwater structures and conveyance culverts within the CIP, which will outfall into the various on-site stormwater ponds. These structures and pond areas comprise the overall stormwater facilities of the CIP. Installation of the water distribution and wastewater collection system will also occur at this time as well as the lift station serving the project. Below-ground installation of telecommunications and cable television will occur but will not be funded by the District. Installation of streetlights and undergrounding of power within the public rights-of-way or easements will be funded by the District.

As a part of the recreational component of the CIP, there are conservation areas that can serve as passive parks within the development that are available to the public for utilization of the facilities. The recreational areas will have connectivity via sidewalks to the other portions of the District. The recreational areas will be accessed by the public roadways and sidewalks.

CAPITAL IMPROVEMENT PLAN COMPONENTS

The CIP for the District includes the following:

Stormwater Management Facilities

Stormwater Management facilities consisting of storm conveyance systems and retention/detention ponds are contained within the District boundaries. Stormwater will be discharged via roadway curb and gutter and storm inlets. Storm culverts convey the runoff into the proposed retention ponds for water quality treatment and attenuation. The proposed stormwater systems will utilize dry retention and wet retention for biological pollutant assimilation to achieve water quality treatment. The design criteria for the District's stormwater treatment systems are regulated by the city, the county, and SWFWMD. There are various conservation areas throughout the District and will be preserved in the existing condition and these will accept stormwater discharges from our ponds as shown in Exhibit 6.

Federal Emergency Management Agency Flood Insurance Rate Map (FEMA FIRM) Panel No. 12105Co380G, dated December 22, 2016, demonstrates that the property is located within Flood Zones AE and X. Based on this information and the site topography, it appears that 100-year compensation will be done in areas where we will impact existing depressions throughout the development and the 100-year flood volumes will be compensated as it is required the county and FEMA.

During the construction of stormwater management facilities, utilities, and roadway improvements the contractor will be required to adhere to a Stormwater Pollution Prevention Plan (SWPPP) as required by the Florida Department of Environmental Protection (FDEP) as delegated by the Environmental Protection Agency (EPA). The SWPPP will be prepared to depict the proposed recommended locations of required erosion control measures and staked turbidity barriers specifically along the downgradient side of any proposed construction activity. The site contractor will be required to provide the necessary reporting as required by the National Pollutant Discharge Elimination System (NPDES) General Permit with erosion control, its maintenance, and any rainfall events that occur during construction activity.

Public Roadways

The proposed public roadway sections include a 24-foot roadway consisting of asphalt and with Miami curbs or Type F curb and gutter on both sides along with a 40-foot right-of-way. The proposed roadway section will consist of stabilized subgrade, a lime rock, crushed concrete, or cement-treated base, and asphalt type roadway wearing surface. The proposed curb is to be 2-feet wide and placed along the edge of the proposed roadway section for purposes of protecting the integrity of the pavement and also to provide stormwater runoff conveyance to the proposed stormwater inlets.

The proposed roadways will also require signing and pavement markings within the public rights-of-way, as well as street signs depicting street name identifications and addressing, which will be utilized by the residents and public. As stated above, the District's funding of roadway construction will occur for all public roadways.

Water and Wastewater Facilities

A potable drinking water system inclusive of a water main, gate valves, fire hydrants, and appurtenances will be installed for the District. The water service provider will be the City of Haines City Public Utilities. The water system will be designed to provide an equally distributed system that provides redundancy to the system. These facilities will be installed within the proposed public rights-of-way and will provide potable drinking water (domestic) and fire protection services to serve the entire District.

A domestic wastewater collection system inclusive of gravity sanitary sewer mains and sewer laterals will be installed. The gravity sanitary sewer mains will be a minimum of eight (8)-inch diameter PVC pipe systems. The gravity sanitary sewer lines will be placed inside of the proposed public rights-of-way, under the proposed paved roadways. Sewer laterals will branch off from these sewer lines to serve the development. Lift stations are anticipated for this CIP. Flow from the lift station shall be connected to a proposed force main that will pump to an existing force main that will connect to the city wastewater treatment facility.

The City's public utilities will provide the reclaimed water to be used for all irrigation within the CDD. The reclaimed water will be funded by the District and installed onsite within the roadways to provide for irrigation within the public right-of-way or any areas needing irrigation. Any water, sewer, or reclaim water pipes or facilities placed on private property will not be publicly funded.

Off-Site Improvements

The District will provide funding for the anticipated turn lanes at the development entrances. The site construction activities associated with the CIP are anticipated to be completed in the next two (2) to three (3) years. Upon completion of each phase, the improvements required inspections will be completed and final certifications of completions will be obtained from SWFWMD, Polk County Health Department (water distribution system), FDEP (wastewater collection), City of Haines City Public Utilities, and Polk County.

Amenities and Parks

The District will provide funding for an amenity center to include the following: parking areas, pavilion with restroom facilities, pool, all-purpose playfields, and walking trails between the phases and villages to provide connectivity to the various amenity centers within the CDD. In addition, there will be passive parks throughout the development, which will include benches and walking trails.

Electric Utilities and Lighting

The electric distribution system thru the District is currently planned to be underground. The District presently intends to fund and construct the undergrounding of the electric conduits, transformer/cabinet pads, and electric manholes required by Duke Energy (Duke). Electric facilities will be owned and maintained by Duke after the dedication, with Duke providing underground electrical service to the development. The CDD presently intends to fund the cost to purchase and install the street lighting along the internal roadways within the CDD. These lights will be owned, operated, and maintained by Duke after the dedication, with the District funding maintenance services.

Entry Feature

Landscaping, irrigation, entry features, and walls at the entrances and along the outside boundary of the development will be provided by the District. The irrigation system will use an irrigation well. The well and irrigation water mains to the various phases of the development will be constructed and acquired by the CDD with District funds and operated and maintained by the CDD. Landscaping for the roadways will consist of sod, annual flowers, shrubs, ground cover, and trees for the internal roadways within the CDD. Perimeter fencing will be provided at the site entrances and perimeters. These items will be funded, owned, and maintained by the CDD.

Miscellaneous

The stormwater improvements, landscaping and irrigation, recreational improvements, street lighting, and certain permits and professional fees as described in this report are being financed by the District to benefit all of the developable real property within the District. The construction and maintenance of the proposed public improvements will benefit the development for the intended use as a single-family/residential planned development.

Permitting

Construction permits for all phases are required and include the SWFWMD ERP, Polk County Health Department, FDEP, and city construction plan approval.

Following is a summary of required permits obtained or pending approval for the construction of the public infrastructure improvements for the District:

Phase 1	
Permits/Approvals	Approval/Expected Date
Zoning Approval	Residential Planned Unit Development (RPUD)
Preliminary Plat	To be obtained
SWFWMD ERP	To be obtained
Construction Permits	To be obtained
City of Haines City Public Utilities-Water/Sewer	To be obtained
FDEP Sanitary Sewer General Permit	To be obtained
FDEP Water Distribution General Permit	To be obtained
FDEP NOI	To be obtained

RECOMMENDATION

As previously explained within this report, the public infrastructure, as described, is necessary for the development and functional operation as required by the City. The site planning, engineering design, and construction plans for the infrastructure are in accordance with the applicable requirements of the City of Haines City, Polk County, and SWFWMD. It should be noted that the infrastructure will provide its intended use and function so long as the construction and installation are in substantial conformance with the design construction plans and regulatory permits.

Items utilized in the Opinion of Probable Costs for this report are based upon the proposed plan infrastructure as shown on construction drawings incorporating specifications in the most current SWFWMD, Polk County, and the TWA regulations.

REPORT MODIFICATION

During the development and implementation of the designed public infrastructure improvements, it may be necessary to make modifications and/or deviations to the plans. However, if such deviations and/or revisions do not change the overall primary objective of the plan for such improvements, then the cost differences would not materially affect the proposed construction cost estimates.

SUMMARY AND CONCLUSION

The improvements as outlined are necessary for the functional development of the project. The project is being designed in accordance with current government regulatory requirements. The project will serve its intended function provided the construction is in substantial compliance with the design. Items of construction for the project are based upon current development plans.

ENGINEER'S CERTIFICATION

It is our professional opinion that the public infrastructure costs for the CIP provided in this report are reasonable to complete the construction of the public infrastructure improvements. Furthermore, the public infrastructure improvements will benefit and add value to lands within the District and the value is at least the same as the costs for said improvements.

The Opinion of Probable Costs for the public infrastructure improvements is only an estimate and is not a guaranteed maximum price. The estimated costs are based upon current unit prices and on our experience with ongoing and similar projects and basis in the county and city. However; labor market, future costs of equipment; materials, changes to the regulatory permitting agencies' activities, and the actual construction processes employed by the chosen site contractor are beyond the engineer's control. Due to this inherent opportunity for changes (upward or downward) in the construction costs, the total, final construction cost may be more or less than this estimate.

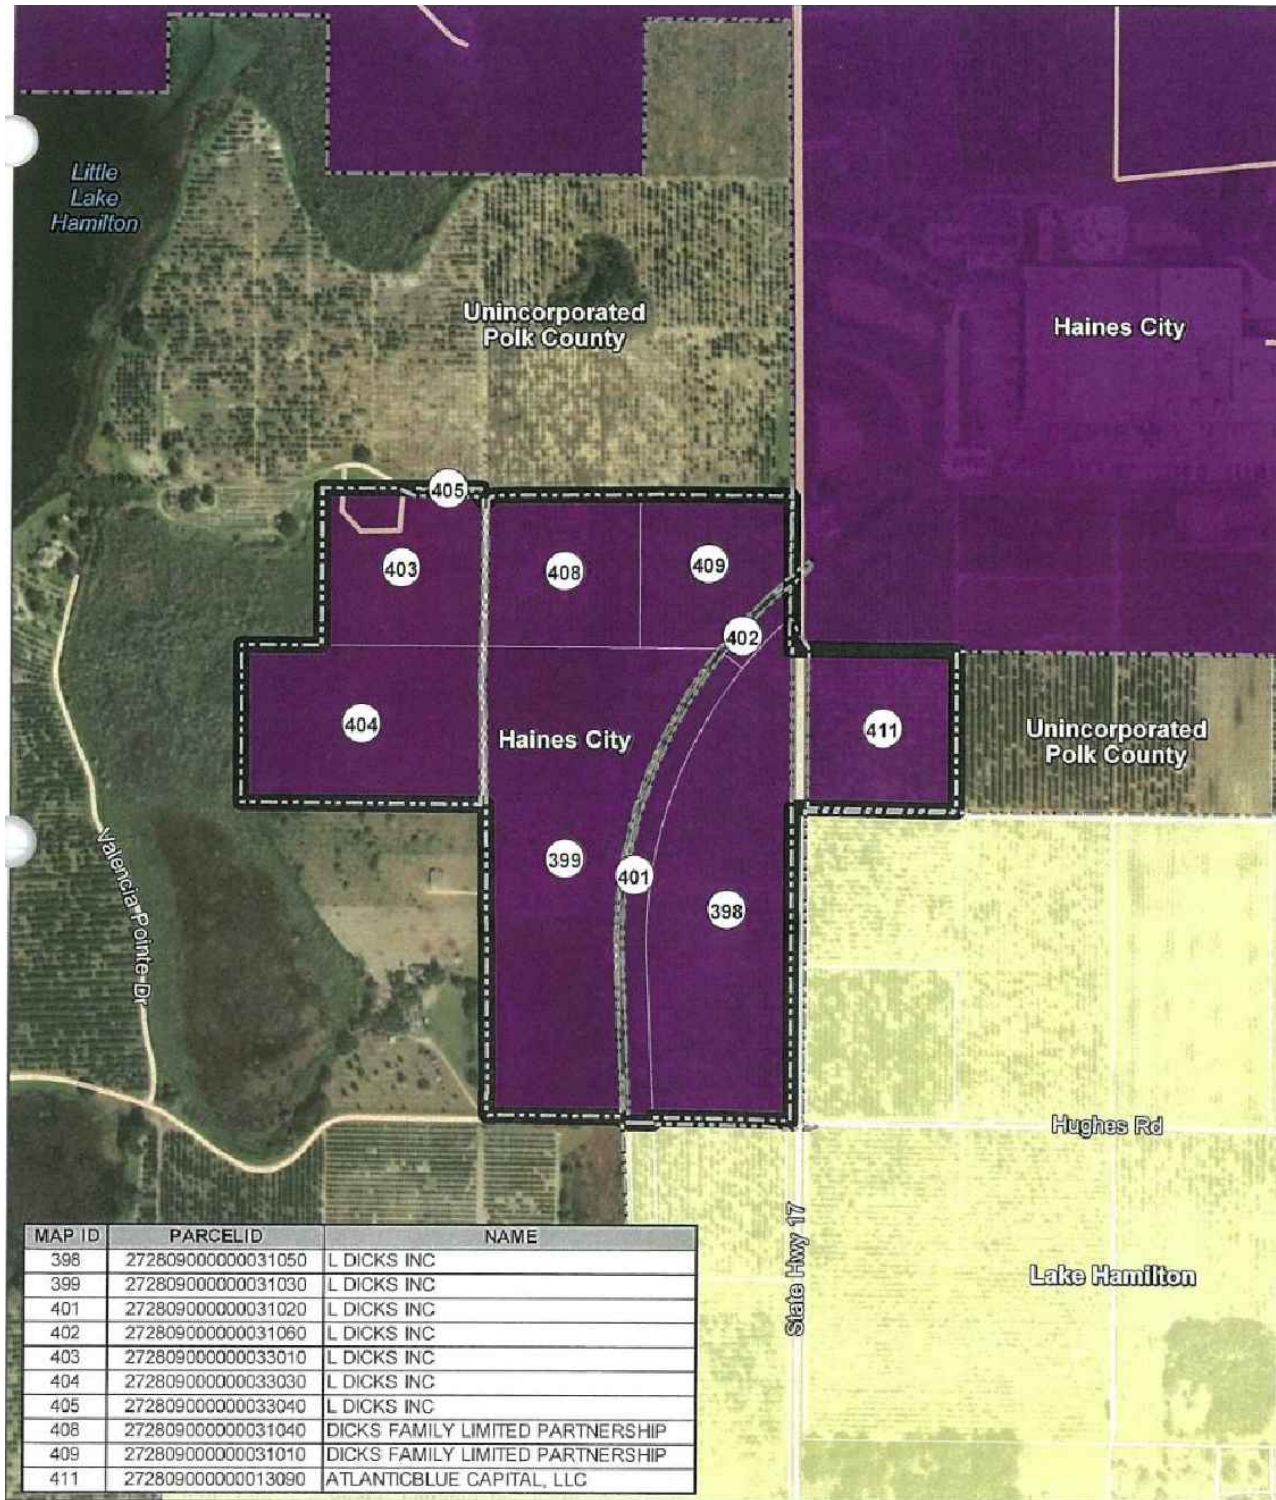

Based upon the presumption that the CIP construction continues in a timely manner, it is our opinion that the costs of the CIP proposed represent a system of improvements benefitting all developable property located within the District, are fair and reasonable, and that the District-funded improvements are assessable improvements within the meaning of Chapter 190, F.S. We have no reason to believe that the CIP improvements cannot be constructed at the cost described in this report. We expect the improvements to be constructed or acquired by the District with bond proceeds, as indicated within this report. We believe that the District will be well served by the improvements discussed in this report.

I hereby certify that the foregoing is a true and correct copy of the engineer's report for the Scenic Terrace North Community Development District.

Similarly, GMS-CF, LLC does not provide the Scenic Terrace North Community Development District with financial advisory services or offer investment advice in any form.

1.0 Introduction

The Scenic Terrace North Community Development District (the “District”) is a local unit of special-purpose government organized and existing under Chapter 190, Florida Statutes as amended. The District anticipates the issuance at this time of not to exceed \$22,500,000 of tax-exempt bonds in one or more series (the “Bonds”) for the purpose of financing certain infrastructure improvements (“Capital Improvement Plan”) within the District more specifically described in the Engineer’s Report Exhibit 7B, dated September 1, 2021 prepared by Dewberry Engineers Inc. as may be amended and supplemented from time to time (the “Engineer’s Report”). The District anticipates the construction of all or a portion of the Capital Improvements or Capital Improvement Plan (“Capital Improvements”) that benefit property owners within the District.

1.1 Purpose

This Master Assessment Methodology (the “Assessment Report”) provides for an assessment methodology that allocates the debt to be incurred by the District to benefiting properties within the District. This Assessment Report allocates the debt to properties based on the special benefits each receives from the Capital Improvements. This Assessment Report will be supplemented with one or more supplemental methodology reports to reflect the actual terms and conditions at the time of the issuance of each series of Bonds issued to finance all or a portion of the Capital Improvements. This Assessment Report is designed to conform to the requirements of Chapters 190 and 170, Florida Statutes, with respect to special assessments and is consistent with our understanding of case law on this subject.

The District intends to levy, impose and collect non ad valorem special assessments (“Special Assessments”) on the benefited lands within the District securing repayment of the Bonds based on this Assessment Report. It is anticipated that all of the proposed Special Assessments will be collected through the Uniform Method of Collection described in Section 197.3632, Florida Statutes or any other legal means available to the District. It is not the intent of this Assessment Report to address any other assessments, if applicable, that may be levied by the District including those for maintenance and operation of the Bonds, a homeowner’s association, or any other unit of government.

1.2 Background

The District currently includes approximately 113.29 gross developable acres within Polk County, Florida. The development program for the District currently envisions approximately 429 residential units. The proposed development program is depicted in Table 1. It is recognized that such development plan may change, and this Assessment Report will be modified or supplemented accordingly.

The Capital Improvements contemplated by the District in the Capital Improvement Plan will provide facilities that benefit certain property within the District. Specifically, the District will construct and/or acquire certain offsite improvements, stormwater management facilities, mass grading and master systems, utility facilities, roadways, entry

features, and park and amenity features. The acquisition and construction costs are summarized in Table 2.

The assessment methodology is a four-step process.

1. The District Engineer must first determine the public infrastructure improvements that may be provided by the District and the costs to implement the Capital Improvements.
2. The District Engineer determines the assessable acres that benefit from the District's Capital Improvements.
3. A calculation is made to determine the funding amounts necessary to acquire and/or construct the Capital Improvements.
4. This amount is initially divided equally among the benefited properties on a prorated assessable acreage basis. Ultimately, as land is platted, this amount will be assigned to each of the benefited properties based on the number and type of platted units.

1.3 Special Benefits and General Benefits

Capital Improvements undertaken by the District create special and peculiar benefits to the property, different in kind and degree, for properties within its borders as well as general benefits to the public at large. However, as discussed within this Assessment Report, these general benefits are incidental in nature and are readily distinguishable from the special and peculiar benefits, which accrue to property within the District. The implementation of the Capital Improvement Plan enables properties within the boundaries of the District to be developed. Without the District's Capital Improvement Plan, there would be no infrastructure to support development of land within the District. Without these improvements, development of the property within District would be prohibited by law.

The general public and property owners outside of the District may benefit from the provision of the Capital Improvements. However, any such benefit will be incidental for the purpose of the Capital Improvement Plan, which is designed solely to meet the needs of property within the District. Properties outside of the District boundaries do not depend upon the District's Capital Improvements. The property owners within the District are therefore receiving special benefits not received by the general public and those outside of the District's boundaries.

1.4 Requirements of a Valid Assessment Methodology

There are two requirements under Florida law for a valid special assessment:

- 1) The properties must receive a special benefit from the Capital Improvements being paid for.

- 2) The assessments must be fairly and reasonably allocated or apportioned to the properties being assessed based on the special benefit such properties receive.

Florida law provides for a wide application of special assessments that meet these two characteristics of special assessments.

1.5 Special Benefits Will Equal or Exceed the Costs Allocated

The special benefits provided to the property within the District will be equal to or greater than the costs associated with providing these benefits. The District Engineer estimates that the District's Capital Improvement Plan that is necessary to support full development of property within the District will cost approximately \$17,196,974. The District's Underwriter projects that financing costs required to fund the Capital Improvement Plan costs, the cost of issuance of the Bonds, the funding of a debt service reserve account and capitalized interest, will be approximately \$22,500,000. Without the Capital Improvement Plan, the property within the District would not be able to be developed and occupied by future residents of the community.

2.0 Assessment Methodology

2.1 Overview

The District anticipates issuing approximately \$22,500,000 in Bonds in one or more series to fund the District's entire Capital Improvement Plan, provide for capitalized interest, a debt service reserve account and pay cost of issuance. It is the purpose of this Assessment Report to allocate the \$22,500,000 in debt to the properties within the District benefiting from the Capital Improvement Plan. This report will be supplemented to reflect actual bond terms.

Table 1 identifies the land uses and lot sizes in the development as identified by the Developer within the District. The District has commissioned an Engineer's Report that includes estimated construction costs for the Capital Improvements needed to support the development; these construction costs are outlined in Table 2. The Capital Improvements needed to support the development are described in detail in the Engineer's Report and are estimated to cost \$17,196,974. Based on the estimated costs, the size of the Bond issue under current market conditions needed to generate funds to pay for the Capital Improvements and related costs was determined by the District's Underwriter to total approximately \$22,500,000. Table 3 shows the breakdown of the Bond sizing.

2.2 Allocation of Debt

Allocation of debt is a continuous process until the development plan for the District are completed. Until the platting process occurs, the Capital Improvements funded by District Bonds benefits all acres within the District.

The initial assessments will be levied on an equal basis to all gross acreage within the District. A fair and reasonable methodology allocates the debt incurred by the District proportionately to the properties receiving the special benefits. At this point all of the lands within the District are benefiting from the Capital Improvements.

Once platting or the recording of a declaration of condominium of any portion of the District into individual lots or units ("Assigned Properties") has begun, the Special Assessments will be levied to the Assigned Properties based on the benefits they receive, on a first platted, first assigned basis. The "Unassigned Properties" defined as property that has not been platted or subjected to a declaration of condominium, will continue to be assessed on a per acre basis. Eventually the development plan will be completed and the debt relating to the Bonds will be allocated to the assigned properties within the District, which are the beneficiaries of the Capital Improvement Plan, as depicted in Table 5 and Table 6. If there are changes to development plan, a true up of the assessment will be calculated to determine if a debt reduction or true-up payment from the Developer is required. The process is outlined in Section 3.0.

The assignment of debt in this Assessment Report sets forth the process by which debt is apportioned. As mentioned herein, this Assessment Report will be supplemented from time to time.

2.3 Allocation of Benefit

The Capital Improvement Plan consists of offsite improvements, stormwater management facilities, utility facilities, roadways, entry features, and park and amenity features and professional fees along with related incidental costs. There are two product types within the planned development. The single-family 40' home has been set as the base unit and has been assigned one equivalent residential unit ("ERU"). Table 4 shows the allocation of benefit to the particular product type. It is important to note that the benefit derived from the Capital Improvements on a particular unit will exceed the cost that the unit will be paying for such benefits.

2.4 Lienability Test: Special and Peculiar Benefit to the Property

Construction and/or acquisition by the District of its proposed Capital Improvements will provide several types of systems, facilities and services for its residents. These include offsite improvements, stormwater management facilities, mass grading and

master systems, utility facilities, roadways, entry features, and park and amenity features. The benefit from the Capital Improvements accrue in differing amounts and are somewhat dependent on the product type receiving the special benefits peculiar to that property type, which flow from the logical relationship of the Capital Improvements to the assigned properties.

Once these determinations are made, they are reviewed in the light of the special benefits peculiar to the property, which flow to the properties as a result of their logical connection from the Capital Improvements actually provided.

For the provision of the Capital Improvement Plan, the special and peculiar benefits are:

- 1) the added use of the property,
- 2) added enjoyment of the property, and
- 3) the increased marketability and value of the property.

These special and peculiar benefits are real and ascertainable but are not yet capable of being calculated as to value with mathematical certainty. However, each is more valuable than either the cost of, or the actual Special Assessment levied for the Improvement as allocated.

2.5 Lienability Test: Reasonable and Fair Apportionment of the Duty to Pay Non-Ad Valorem Assessments

A reasonable estimate of the proportion of special and peculiar benefits received from the public improvements described in the Capital Improvement Plan is delineated in Table 5 (expressed as Allocation of Par Debt per Product Type). This is also shown on Table 7 depicting Allocation of Par Debt per Product Type.

The determination has been made that the duty to pay the non-ad valorem special assessments is fairly and reasonably apportioned because the special and peculiar benefits to the property derived from the acquisition and/or construction of the Capital Improvement Plan have been apportioned to the property within the District according to reasonable estimates of the special and peculiar benefits provided consistent with the product type of assignable properties.

Accordingly, no acre or parcel of property within the boundaries of the District will have a lien for the payment of any Special Assessment more than the determined special benefit particular to that property and therefore, the debt allocation will not be increased more than the debt allocation set forth in this Assessment Report.

In accordance with the benefit allocation suggested for the product types in Table 4, a total debt per unit and an annual assessment per unit have been calculated for each

product type (Table 6). These amounts represent the preliminary anticipated per unit debt allocation assuming all anticipated assigned properties are built and sold as planned, and the entire proposed Capital Improvement Plan is constructed.

3.0 True Up Mechanism

Although the District does not process plats, declaration of condominiums, site plans or revisions thereto, it does have an important role to play during the course of platting and site planning. Whenever a plat, declaration of condominium or site plan is approved, the District must allocate a portion of its debt to the property according to this Assessment Report outlined herein ("Assigned Property"). In addition, the District must also prevent any buildup of debt on property or land that could be fully conveyed and/or platted without all of the debt being allocated ("Unassigned Property"). To preclude this, when platting for 25%, 50%, 75% and 100% of the units planned for platting has occurred within the District, the District will determine the amount of anticipated Bond Special Assessment revenue that remains on the Unassigned Properties, taking into account the full development plan of the District. If the total anticipated Bond Special Assessment revenue to be generated from the Assigned and Unassigned Properties is greater than or equal to the maximum annual debt service then no debt reduction or true-up payment is required. In the case that the revenue generated is less than the required amount then a debt reduction or true-up payment by the landowner in the amount necessary to reduce the par amount of the outstanding Bonds plus accrued interest to a level that will be supported by the new net annual debt service assessments will be required.

If a true-up payment is made less than 45 days prior to an interest payment date, the amount of accrued interest will be calculated to the next succeeding interest payment date.

4.0 Assessment Roll

The District will initially distribute the Special Assessments across the property within the District boundaries on a gross acreage basis. As Assigned Properties become known with certainty, the District will refine its allocation of debt from a per acre basis to a per unit basis as shown in Table 6. If the land use plan or product type changes, then the District will update Table 6 to reflect the changes as part of the foregoing true-up process. As a result, the assessment liens are not finalized with certainty on any acre of land in the District prior to the time final Assigned Properties become known. The preliminary assessment roll is attached as Table 7.

NOW, THEREFORE, BE IT RESOLVED by Scenic Terrace North Community Development District, as follows:

Section 1. Definitions. Capitalized terms used herein without definitions shall have the meanings assigned thereto in the Indenture described and defined in Section 5 hereof, the form of which is set out as Exhibit A attached hereto, unless the context otherwise clearly requires.

Section 2. Authorization of Bonds. The District hereby authorizes the issuance of not to exceed \$28,000,000 aggregate principal amount of the Bonds (excluding any refunding Bonds issued as provided in the Indenture) in one or more series to pay all or a portion of the costs of the planning, financing, acquisition, construction, reconstruction, equipping and installation of the Project. Pursuant to Section 190.016(1), Florida Statutes, the Bonds may be issued and delivered by the District in payment of all or a portion of the purchase price of the Project or may be sold at public or private sale.

Section 3. Certain Details of the Bonds. The Bonds, and the interest thereon, shall not be deemed to constitute a debt, liability or obligation of the District, of the City, Lake County, Florida (the "County"), or the State of Florida (the "State"), or of any political subdivision thereof, but shall be payable solely from the Pledged Revenues designated for the Bonds, including Special Assessments levied by the District on property within the District benefited by the Project and subject to assessment, as set forth in the Indenture, and neither the faith and credit nor any taxing power of the District, the City, the County or the State, nor of any political subdivision thereof, is pledged to the payment of the principal of or interest on the Bonds, except for Special Assessments to be assessed and levied by the District to secure and pay the Bonds.

The Bonds shall:

- (i) be issued in one or more series and may be delivered upon receipt of the purchase price therefor, for the purpose of financing or refinancing the costs of all or a portion of the Project and may be sold at public or private sale, as provided in Section 190.016(1), Florida Statutes, each series to be in an aggregate principal amount to be determined by subsequent resolution or resolutions of the District; provided, however, that the total aggregate principal amount of all series of Bonds (excluding refunding Bonds, as described in the Indenture) issued may not exceed \$28,000,000;
- (ii) be issued in fully registered form in such principal denominations of \$5,000 if the Bonds bear an investment grade rating by a nationally recognized rating agency, and otherwise, initially in principal amounts of \$100,000 and any integral multiple of \$5,000 in excess thereof, and thereafter, in denominations of \$5,000 or any integral multiple thereof;
- (iii) be secured and payable from the Pledged Revenues, as provided in the Indenture and any supplement thereto (a "Supplemental Indenture") and the resolution of the District relating to such series of Bonds;
- (iv) bear interest at an average annual rate not exceeding the maximum rate as may then be permitted by the laws of the State as more particularly provided in a resolution adopted by the District prior to the issuance and delivery of the Bonds;
- (v) be payable in not more than the maximum number of annual installments allowed by law (currently thirty (30) annual installments of principal); and
- (vi) be dated as provided in a resolution adopted by the District prior to the issuance and delivery of the Bonds.

The final maturity date or dates of the Bonds and the interest rate or rates thereon shall be determined, within the foregoing limits, and any optional, mandatory and extraordinary redemption provisions thereof shall be fixed, by the Indenture hereinafter referred to, as supplemented from time to time, or by one or more resolutions of the District to be adopted prior to the delivery of the Bonds. In other respects, the Bonds shall be in the form, shall be executed and authenticated, shall be subject to replacement and shall be delivered as provided in the Indenture and a Supplemental Indenture.

Prior to the issuance and delivery of any series of Bonds (other than refunding Bonds), the District shall have undertaken and, to the extent then required under applicable law and the Supplemental Indenture for a particular series, completed all necessary proceedings, including, without limitation, the approval of assessment rolls, the holding of public hearings, the adoption of resolutions and the establishment of all necessary collection proceedings, in order to levy and collect Special Assessments upon the lands within the District subject to assessment, all as more

specifically required and provided for by the Act and Chapters 170 and 190, Florida Statutes, as the same may be amended from time to time, or any successor statutes thereto.

Section 4. Designation of Attesting Members. The Secretary of the Board of Supervisors (the "Board") of the District, or in the case of the Secretary's absence or inability to act, any Assistant Secretary of the Board (each individually a "Designated Member"), are hereby designated and authorized on behalf of the Board to attest to the seal of the Board and to the signature of the Chairman or Vice Chairman of the Board as they appear on the Bonds, the Indenture and any other documents which may be necessary or helpful in connection with the issuance and delivery of the Bonds and in connection with the application of the proceeds thereof.

Section 5. Authorization of Execution and Delivery of Master Trust Indenture. The District does hereby authorize and approve the execution by the Chairman, Vice-Chairman or any Designated Member and the delivery of a Master Trust Indenture (the "Indenture") for the Bonds, between the District and the trustee appointed pursuant to Section 7 of this resolution (the "Trustee"). The Indenture shall provide, among other things, for the security of the Bonds and express the contract between the District and the owners of such Bonds. The Indenture shall be in substantially the form attached hereto as Exhibit A and is hereby approved, with such changes therein as shall be approved by the Chairman, Vice Chairman or Designated Member executing the same, with such execution to constitute conclusive evidence of such officer's approval and the District's approval of any changes therein from the form of Indenture attached hereto.

Section 6. Sale of Bonds. Pursuant to the provisions of Section 190.016(1), Florida Statutes, the Bonds may be issued in one or more series and may be delivered upon receipt of the purchase price therefor, for the purpose of financing or refinancing the costs of all or a portion of the Project and may be sold at public or private sale, after such advertisement, if any, as the Board may deem advisable but not in any event at less than ninety percent (90%) of the par value thereof, together with accrued interest thereon, unless otherwise permitted by the Act.

Section 7. Appointment of Trustee. The District does hereby appoint U.S. Bank National Association, as Trustee under the Indenture. The Trustee shall also serve as the Paying Agent, Registrar and Authenticating Agent under the Indenture.

Section 8. Bond Validation. District Counsel and Bond Counsel to the District are hereby authorized and directed to take appropriate proceedings in the Circuit Court of the Tenth Judicial Circuit of the State of Florida, in and for Polk County, Florida, for validation of the Bonds and the proceedings incident thereto to the extent required by and in accordance with Section 190.016(12), Florida Statutes. The Chairman or Vice-Chairman or any Designated Member is authorized to sign any pleadings and to offer testimony in any such proceedings for and on behalf of the District. The other members of the Board, the officers of the District and the agents and employees of the District, including, without limitation, the District Manager, the engineer or engineering firm serving as engineer to the District, and the District's financial advisor are hereby also authorized to offer testimony for and on behalf of the District in connection with any such validation proceedings.

Section 9. Authorization and Ratification of Prior and Subsequent Acts. The members of the Board, the officers of the District, and the agents and employees of the District, are hereby authorized and directed to do all such acts and things and to execute all such documents, including, without limitation, the execution and delivery of any closing documents, as may be necessary to carry out and comply with the provisions of this resolution and the Indenture, and all of the acts and doings of such members of the Board, the officers of the District, and the agents and employees of the District, which are in conformity with the intent and purposes of this resolution, whether heretofore or hereafter taken or done, shall be and are hereby ratified, confirmed and approved.

Section 10. Subsequent Resolution(s) Required. Notwithstanding anything to the contrary contained herein, no series of Bonds may be issued or delivered until the District adopts a subsequent resolution and/or supplemental indenture for each such series fixing the details of such series of Bonds remaining to be specified or delegating to a Designated Member the authority to fix such details.

Section 11. Severability. If any section, paragraph, clause or provision of this resolution shall be held to be invalid or ineffective for any reason, the remainder of this resolution shall continue in full force and effect, it being expressly hereby found and declared that the remainder of this resolution would have been adopted despite the invalidity or ineffectiveness of such section, paragraph, clause or provision.

Section 12. Open Meetings. It is hereby found and determined that all acts of the Board concerning and relating to adoption of this Resolution were taken in open meetings of the Board and all deliberations of the Board that resulted in such official acts were in meetings open to the public in compliance with all legal requirements, including, but not limited to, the requirements of Section 286.011, Florida Statutes.

Section 13. Effective Date. This resolution shall take effect immediately upon its adoption, and any provisions of any previous resolutions in conflict with the provisions hereof are hereby superseded.

The total principal amount of Bonds that may be issued and Outstanding under this Master Indenture is not expressly limited to a specific principal amount; provided, however, that the total principal amount of Bonds that may be issued and Outstanding under this Master Indenture shall be subject to any conditions and/or limitations (i) set forth in a Supplemental Indenture and (ii) under State law. The Bonds shall be issued in Authorized Denominations and within each Series shall be numbered consecutively from R-1 and upwards in each Series and in substantially the form attached hereto as Exhibit C, with such appropriate variations, omissions and insertions as are permitted or required by this Master Indenture or as otherwise provided in a Supplemental Indenture. All Bonds shall be issued only upon satisfaction of the conditions set forth in Article III hereof; and the Trustee shall, at the Issuer's request, authenticate such Bonds and deliver them as specified in such request.

Each Bond shall be dated, shall have such Interest Payment Dates, shall bear interest from such date or dates and at such rate or rates until the maturity thereof, payable on such Interest Payment Dates, and shall be stated to mature (subject to the right of prior redemption), all as provided in, or pursuant to, a Supplemental Indenture.

Both the principal of and the interest on the Bonds shall be payable in any coin or currency of the United States of America which is legal tender on the respective dates of payment thereof for the payment of public and private debts. Any interest on any Bond which is payable, but is not punctually paid or provided for on any Interest Payment Date (hereinafter called "Defaulted Interest") shall be paid to the Owner in whose name the Bond is registered at the close of business on a Special Record Date to be fixed by the Trustee, such date to be not more than fifteen (15) nor less than ten (10) days prior to the date of proposed payment. The foregoing notwithstanding, but subject to the procedures set forth in Section 2.11 hereof, any Owner of Bonds of a Series in an aggregate principal amount of at least \$1,000,000 shall be entitled to have interest paid by wire transfer to such Owner to the bank account number on file with the Trustee and Paying Agent, upon requesting the same in a writing received by the Trustee and Paying Agent at least fifteen (15) days prior to the relevant Record Date, which writing shall specify the bank, which shall be a bank within the continental United States, and bank account number to which interest payments are to be wired. Any such request for interest payments by wire transfer shall remain in effect until rescinded or changed, in a writing delivered by the Owner to the Trustee and Paying Agent, and any such rescission or change of wire transfer instructions must be received by the Trustee and Paying Agent at least fifteen (15) days prior to the relevant Record Date. Unless provided otherwise in a Supplemental Indenture with respect to a Series of Bonds, interest on the Bonds will be computed on the basis of a 360-day year of twelve 30-day months. Unless provided otherwise in a Supplemental Indenture with respect to a Series of Bonds, interest on overdue principal and, to the extent lawful, on overdue interest will be payable at the numerical rate of interest borne by such Bonds on the day before the default occurred.

The Trustee is hereby constituted and appointed as Paying Agent for the Bonds.

SECTION 2.02. Execution. The Bonds shall be executed by the manual or facsimile signature of the Chairperson or Vice Chairperson of the Issuer or by any other member of the Board designated by the Chairperson for such purpose, and the corporate seal of the Issuer shall appear thereon (which may be in facsimile) and shall be attested by the manual or facsimile signature of its Secretary or Assistant Secretary. Bonds executed as above provided may be issued and shall, upon request of the Issuer, be authenticated by the Trustee, notwithstanding that one or both of the officers of the Issuer whose signatures appear on such Bonds shall have ceased to hold office at the time of issuance or authentication or shall not have held office at the date of the Bonds.

SECTION 2.03. Authentication; Authenticating Agent. No Bond shall be valid until the certificate of authentication shall have been duly executed by the Trustee, and such authentication shall be proof that the Bondholder is entitled to the benefit of the trust hereby created. The Trustee shall at all times serve as Authenticating Agent.

SECTION 2.04. Registration and Registrar. The Trustee is hereby constituted and appointed as the Registrar for the Bonds. The Registrar shall act as registrar and transfer agent for the Bonds. The Trustee shall notify the Issuer in writing of the specific office location (which may be changed from time to time, upon similar notification) at which the Bond Register is kept. Initially, and until the Trustee provides notice to the Issuer as provided in the immediately preceding sentence, the Bond Register shall be kept at the Trustee's corporate trust office in Orlando, Florida.

SECTION 2.05. Mutilated, Destroyed, Lost or Stolen Bonds. If any Bond shall become mutilated, the Issuer shall execute and the Trustee or Authenticating Agent, as the case may be, shall thereupon authenticate and deliver a new Bond of like Series, tenor and denomination in exchange and substitution for the Bond so mutilated, but only upon surrender to the Trustee or Authenticating Agent, as the case may be, of such mutilated Bond for cancellation, and the Issuer and the Trustee or Authenticating Agent, as the case may be, may require reasonable indemnity therefor. If any Bond shall be reported lost, stolen or destroyed, evidence as to the ownership and the loss, theft or destruction thereof shall be submitted to the Issuer and the Trustee or Authenticating Agent, as the case may be; and if such evidence shall be satisfactory to both and indemnity satisfactory to both shall be given, the Issuer shall execute, and thereupon the Trustee or Authenticating Agent, as the case may be, shall authenticate and deliver a new Bond of like Series, tenor and denomination. The cost of providing any substitute Bond under the provisions of this Section shall be borne by the Bondholder for whose benefit such substitute Bond is provided. If any such mutilated, lost, stolen or destroyed Bond shall have matured or be about to mature, the Issuer may, with the consent of the Trustee or Authenticating Agent, as the case may be, pay to the Owner the principal amount of and accrued interest on such Bond upon the maturity thereof and compliance with the aforesaid conditions by such Owner, without the issuance of a substitute Bond therefor.

Every substituted Bond issued pursuant to this Section 2.05 shall constitute an additional contractual obligation of the Issuer, whether or not the Bond alleged to have been destroyed, lost or stolen shall be at any time enforceable by anyone, and shall be entitled to all the benefits of this Master Indenture and applicable Supplemental Indenture equally and proportionately with any and all other Bonds of such same Series duly issued hereunder and under such Supplemental Indenture.

All Bonds shall be held and owned upon the express condition that the foregoing provisions are exclusive with respect to the replacement or payment of mutilated, destroyed, lost or stolen Bonds, and shall preclude any and all other rights or remedies with respect to the replacement or payment of negotiable instruments, investments or other securities without their surrender.

SECTION 2.06. Temporary Bonds. Pending preparation of definitive Bonds, or by agreement with the original purchasers of all Bonds, the Issuer may issue and, upon its request, the Trustee shall authenticate in lieu of definitive Bonds one or more temporary printed or typewritten Bonds of substantially the tenor recited above. Upon request of the Issuer, the Trustee shall authenticate definitive Bonds in exchange for and upon surrender of an equal principal amount of temporary Bonds. Until so exchanged, temporary Bonds shall have the same rights, remedies and security hereunder as definitive Bonds. So long as Cede & Co., or any other nominee of DTC is the Registered Owner of the Bonds, the definitive Bonds shall be in typewritten form.

SECTION 2.07. Cancellation and Destruction of Surrendered Bonds. All Bonds surrendered for payment or redemption and all Bonds surrendered for exchange shall, at the time of such payment, redemption or exchange, be promptly transferred by the Registrar, Paying Agent or Authenticating Agent to, and cancelled and disposed of by, the Trustee in accordance with its then current procedures. The Trustee shall deliver to the Issuer a certificate of destruction (or other evidence of destruction) in respect of all Bonds destroyed in accordance with this Section.

SECTION 2.08. Registration, Transfer and Exchange. As provided in Section 2.04 hereof, the Issuer shall cause a Bond Register in respect of the Bonds to be kept at the designated office of the Registrar.

Upon surrender for requisition of transfer of any Bond at the designated office of the Registrar, and upon compliance with the conditions for the transfer of Bonds set forth in this Section 2.08, the Issuer shall execute and the Trustee (as Authenticating Agent and/or Registrar as described in Section 2.03 and Section 2.04 hereof) shall authenticate and deliver, in the name of the designated transferees, one or more new Bonds of a like aggregate principal amount and of the same Series and maturity.

At the option of the Bondholder, Bonds may be exchanged for other Bonds of a like aggregate principal amount and of the same Series and maturity, upon surrender of the Bonds to be exchanged at any such office or agency. Whenever any Bonds are so surrendered for exchange, the Issuer shall execute and the Trustee (as Authenticating Agent and/or Registrar as

described in Section 2.03 and Section 2.04 hereof) shall authenticate and deliver the Bonds which the Bondholder making the exchange is entitled to receive.

All Bonds issued upon any transfer or exchange of Bonds shall be valid obligations of the Issuer, evidencing the same debt and entitled to the same benefits under this Master Indenture and applicable Supplemental Indenture as the Bonds of such Series surrendered upon such transfer or exchange.

Every Bond presented or surrendered for transfer or exchange shall be duly endorsed or accompanied by a written instrument of transfer in form satisfactory to the Trustee, Paying Agent or the Registrar, duly executed by the Bondholder or his attorney duly authorized in writing.

Transfers and exchanges shall be made without charge to the Bondholder, except that the Issuer or the Trustee may require payment of a sum sufficient to cover any tax or other governmental charge that may be imposed in connection with any transfer or exchange of Bonds.

Neither the Issuer nor the Registrar on behalf of the Issuer shall be required (i) to issue, transfer or exchange any Bond during a period beginning at the opening of business fifteen (15) days before the day of mailing of a notice of redemption of Bonds selected for redemption and ending at the close of business on the day of such mailing, or (ii) to transfer or exchange any Bond so selected for redemption in whole or in part.

SECTION 2.09. Persons Deemed Owners. The Issuer, the Trustee, any Paying Agent, the Registrar, or the Authenticating Agent shall deem and treat the person in whose name any Bond is registered as the absolute Owner thereof (whether or not such Bond shall be overdue and notwithstanding any notation of ownership or other writing thereon made by anyone other than the Issuer, the Trustee, any Paying Agent, the Registrar or the Authenticating Agent) for the purpose of receiving payment of or on account of the principal or Redemption Price of and interest on such Bond, and for all other purposes, and the Issuer, the Trustee, any Paying Agent, the Registrar and the Authenticating Agent shall not be affected by any notice to the contrary. All such payments so made to any such Owner, or upon his order, shall be valid and, to the extent of the sum or sums so paid, effectual to satisfy and discharge the liability for moneys payable upon any such Bond.

SECTION 2.10. Limitation on Incurrence of Certain Indebtedness. The Issuer will not issue Bonds of any Series, except upon the conditions and in the manner provided or as otherwise permitted in the Indenture, provided that the Issuer may enter into agreements with issuers of Credit Facilities which involve liens on Pledged Revenues on a parity with that of the Bonds or portion thereof which is supported by such Credit Facilities.

SECTION 2.11. Qualification for The Depository Trust Company. To the extent provided in a Supplemental Indenture or authorized and directed by a Resolution of the Issuer authorizing the issuance of a Series of Bonds, the Trustee shall be authorized to enter into agreements with The Depository Trust Company, New York, New York ("DTC") and other depository trust companies, including, but not limited to, agreements necessary for wire transfers of interest and principal payments with respect to the Bonds, utilization of electronic book entry

data received from DTC, and other depository trust companies in place of actual delivery of Bonds and provision of notices with respect to Bonds registered by DTC and other depository trust companies (or any of their designees identified to the Trustee) by overnight delivery, courier service, telegram, telecopy or other similar means of communication.

So long as there shall be maintained a book-entry-only system with respect to a Series of Bonds, the following provisions shall apply:

Unless provided otherwise in a Supplemental Indenture with respect to a Series of Bonds, each Series of Bonds shall initially be registered in the name of Cede & Co. as nominee for DTC, which will act initially as securities depository for the Bonds and so long as the Bonds are held in book-entry-only form, Cede & Co. shall be considered the Registered Owner for all purposes hereof. On original issue, such Bonds shall be deposited with DTC, which shall be responsible for maintaining a book-entry-only system for recording the ownership interest of its participants ("DTC Participants") and other institutions that clear through or maintain a custodial relationship with a DTC Participant, either directly or indirectly ("Indirect Participants"). The DTC Participants and Indirect Participants will be responsible for maintaining records with respect to the beneficial ownership interests of individual purchasers of the Bonds ("Beneficial Owners").

Principal and interest on the Bonds registered in the name of Cede & Co. prior to and at maturity shall be payable directly to Cede & Co. in care of DTC. Disbursal of such amounts to DTC Participants shall be the responsibility of DTC. Payments by DTC Participants to Indirect Participants, and by DTC Participants and Indirect Participants to Beneficial Owners shall be the responsibility of DTC Participants and Indirect Participants and not of DTC, the Trustee or the Issuer.

The Bonds registered in the name of Cede & Co. shall initially be issued in the form of one fully registered Bond for each maturity of each Series registered in the name of Cede & Co. and shall be held in such form until maturity. Individuals may purchase beneficial interests in Authorized Denominations in book-entry-only form, without certificated Bonds, through DTC Participants and Indirect Participants.

DURING THE PERIOD FOR WHICH CEDE & CO. IS REGISTERED OWNER OF THE BONDS, ANY NOTICES TO BE PROVIDED TO ANY REGISTERED OWNER WILL BE PROVIDED TO CEDE & CO. DTC SHALL BE RESPONSIBLE FOR NOTICES TO DTC PARTICIPANTS AND DTC PARTICIPANTS SHALL BE RESPONSIBLE FOR NOTICES TO INDIRECT PARTICIPANTS, AND DTC PARTICIPANTS AND INDIRECT PARTICIPANTS SHALL BE RESPONSIBLE FOR NOTICES TO BENEFICIAL OWNERS.

The Issuer and the Trustee, if appropriate, shall enter into a blanket letter of representations with DTC providing for such book-entry-only system. Such agreement may be terminated at any time by either DTC or the Issuer. In the event of such termination, the Issuer shall select another securities depository. If the Issuer does not replace DTC, the Trustee will register and deliver to the Beneficial Owners replacement Bonds in the form of fully registered Bonds in accordance with the instructions from Cede & Co.

In the event DTC, any successor of DTC or the Issuer elects to discontinue the book-entry only system in conformity with the requirements of DTC, the Trustee shall deliver bond certificates in accordance with the instructions from DTC or its successor and after such time Bonds may be exchanged for an equal aggregate principal amount of Bonds in other Authorized Denominations and of the same maturity and Series upon surrender thereof at the corporate trust office of the Trustee.

(2) a written opinion or opinions of Counsel to the Issuer, to the effect that (a) all conditions prescribed herein as precedent to the issuance of the Bonds have been fulfilled; (b) the Bonds have been validly authorized and executed and when authenticated and delivered pursuant to the request of the Issuer will be valid obligations of the Issuer entitled to the benefit of the trust created hereby and will be enforceable in accordance with their terms except as enforcement thereof may be affected by bankruptcy, reorganization, insolvency, moratorium and other similar laws relating to creditors' rights generally and subject to equitable principles, whether in a proceeding at law or in equity; (c) any consents of any Regulatory Bodies required in connection with the issuance of the Bonds have been obtained or can be reasonably expected to be obtained on or prior to the date such consents are required; (d) if the acquisition of any real property or interest therein is included in the purpose of such issue, (i) the Issuer has or can acquire good and marketable title thereto free from all liens and encumbrances except such as will not materially interfere with the proposed use thereof or (ii) the Issuer has or can acquire a valid, subsisting and enforceable leasehold, easement, right-of-way or other interest in real property sufficient to effectuate the purpose of the issue (which opinion may be stated in reliance on the opinion of other Counsel satisfactory to the signer or on a title insurance policy issued by a reputable title company) (clauses (c) and (d) shall not apply in the case of the issuance of a refunding Series of Bonds); and (e) whether a certificate described in Section 3.01(13) hereof is required to be delivered and that such certificate conforms to the requirements of such section;

(3) an opinion of Counsel to the Issuer, which shall also be addressed to the Trustee, to the effect that: (a) the Issuer has good right and lawful authority under the Act to undertake the Project, subject to obtaining such licenses, orders or other authorizations as are, at the date of such opinion, required to be obtained from any agency or regulatory body; (b) that the Special Assessment proceedings have been taken in accordance with Florida law and that the Issuer has taken all action necessary to levy and impose the Special Assessments; (c) that the Special Assessments are legal, valid, and binding liens upon the property against which the Special Assessments are made, coequal with the lien of all state, county, district and municipal ad valorem taxes and superior in priority to all other liens, titles and claims against said property then existing or thereafter created, until paid; (d) this Master Indenture and the applicable Supplemental Indenture have been duly and validly authorized, approved, and executed by the Issuer; (e) the issuance of the Series of Bonds has been duly authorized and approved by the Board; and (f) this Master Indenture and the applicable Supplemental Indenture (assuming due authorization, execution and delivery by the Trustee) constitutes a binding obligation of the Issuer, enforceable against the Issuer in accordance with its terms except as enforcement thereof may be affected by bankruptcy, reorganization, insolvency, moratorium and other similar laws relating to creditors' rights generally and subject to equitable principles, whether in a proceeding at law or in equity;

(15) in the case of the issuance of a refunding Series of Bonds, a written opinion of Bond Counsel to the effect that the issuance of such Bonds will not adversely affect the exclusion from gross income for federal income tax purposes of interest on any Bonds issued pursuant to the Indenture (to the extent that upon original issuance thereof such Bonds were issued as Bonds the interest on which is excludable from gross income for federal income tax purposes); and

(16) such other documents, certifications and opinions as shall be required by the Supplemental Indenture, by the Participating Underwriter or the initial purchaser of a Series of Bonds or by the Issuer or the Trustee upon advice of counsel.

At the option of the Issuer, any or all of the matters required to be stated in the Certified Resolution described in (1) above may instead be stated in a Supplemental Indenture, duly approved by a Certified Resolution of the Issuer. Execution of a Series of the Bonds by the Issuer shall be conclusive evidence of satisfaction of the conditions precedent, set forth in this Article, as to the Issuer and the Underwriter.

ARTICLE IV

ACQUISITION AND CONSTRUCTION OF PROJECT

SECTION 4.01. Project to Conform to Plans and Specifications; Changes. The Issuer will proceed to complete any Project or portion thereof for which any Series of Bonds is being issued in accordance with the plans and specifications therefor, as such plans and specifications may be amended from time to time, and subject to the specific requirements of the Supplemental Indenture for such Series of Bonds.

SECTION 4.02. Compliance Requirements. The Issuer will comply with all present and future laws, acts, rules, regulations, orders and requirements lawfully made and applicable in fact to any acquisition or construction hereby undertaken and shall obtain all necessary approvals under federal, state and local laws, acts, rules and regulations necessary for the acquisition, completion and operation of any Project or portion thereof for which any Series of Bonds is being issued and shall complete any Project or portion thereof in conformity with such approvals, laws, rules and regulations. Prior to the completion of the Project, in the event that

any developer of the District Lands shall fail to pay, when due, any Special Assessments levied against lands within the Issuer owned by the developer or any affiliated entity thereof, the Issuer shall immediately take all actions necessary, to the extent revenues of the Issuer are legally available for such purpose, to complete the Project including, without limitation, taking control of the Project Documents.

ARTICLE V

ACQUISITION AND CONSTRUCTION FUND

SECTION 5.01. Acquisition and Construction Fund. The Trustee shall establish an Acquisition and Construction Fund into which shall be deposited the proceeds from each Series of Bonds issued under the Indenture (unless otherwise specified herein or in the applicable Supplemental Indenture for a Series of Bonds) and from which Costs may be paid as set forth herein and in the applicable Supplemental Indenture. Unless otherwise specified in the applicable Supplemental Indenture, a separate Series Account shall be established in the Acquisition and Construction Fund with respect to each Series of Bonds issued hereunder and the proceeds of each Series of Bonds (other than Bonds issued to refund all or a portion of the Bonds) shall be deposited into the corresponding Series Account in the Acquisition and Construction Fund. The amounts in any Series Account of the Acquisition and Construction Fund, until applied as hereinafter provided, shall be held for the security of the Series of Bonds hereunder in respect of which such Series Account was established. Separate subaccounts within any Series Account of the Acquisition and Construction Fund shall be maintained by the Trustee in respect of each Series of Bonds upon request of the Issuer whenever, in the opinion of the Issuer, it is appropriate to have a separate written accounting in respect of the Costs of any designated portion of the Project. Payments shall be made from the appropriate Series Account of the Acquisition and Construction Fund to pay any unpaid Costs of Issuance of the Series of Bonds in question, including without limitation, legal, engineering, and consultants' fees and to pay amounts to be reimbursed to the Issuer for Costs advanced, and thereafter to pay Costs of planning, financing, acquisition, construction, reconstruction, equipping and installation of the Project or portion thereof.

(a) *Deposits.* In addition to the deposit of amounts received by the Trustee on the date of issuance of each Series of Bonds, the Issuer shall pay or cause to be paid to the Trustee, for deposit into the Series Account of the Acquisition and Construction Fund, as promptly as practicable, the following amounts:

(i) Subject to the provisions of Section 9.23 hereof, payments made to the Issuer from the sale, lease or other disposition of the Project or any portion thereof;

(ii) Subject to the provisions of Section 9.14 hereof, the balance of insurance proceeds with respect to the loss or destruction of the Project or any portion thereof;

(iii) Deposits made by any developer of the District Lands pursuant to the terms and provisions of a developer funding agreement; and

(iv) Amounts received from a governmental entity pursuant to an interlocal agreement or other similar agreement between the District and such governmental entity

providing for the payment by such governmental entity of a portion of the Costs of the Project.

Amounts in the applicable Series Account of the Acquisition and Construction Fund shall be applied to pay the Cost of the Project or a portion thereof, as applicable, pertaining to the Series of Bonds in question; provided, however, that if any amounts remain in the Series Account of the Acquisition and Construction Fund after the Completion Date (as defined in paragraph (c) below) of the Project or portion thereof pertaining to the Series of Bonds in question, and if such amounts are not reserved for payment of any remaining part of the Cost of the Project as directed in writing by the Issuer, such amounts shall be transferred to the applicable Series Account of the Bond Redemption Fund for application to the redemption of Bonds of the Series to which such proceeds relate, as set forth in Section 6.06 hereof or in the applicable Supplemental Indenture.

(b) *Disbursements.* Unless provided otherwise in a Supplemental Indenture, all payments from the Acquisition and Construction Fund shall be paid in accordance with the provisions of this subsection. Moneys in the appropriate Series Account of the Acquisition and Construction Fund shall be disbursed by check, voucher, order, draft, certificate or warrant signed by any one or more officers or employees of the Trustee legally authorized to sign such items or by wire transfer to an account specified by the payee upon satisfaction of the conditions for disbursement set forth in this subsection (b). Before any such payment shall be made, the Issuer shall file with the Trustee a fully executed requisition in the form of Exhibit D attached hereto, signed by a Responsible Officer and, except for payments of cost of issuance, a certificate of the Consulting Engineer signed by a consulting engineer also in the form of Exhibit D attached hereto and as may be modified by terms of the related Supplemental Indenture. Upon receipt of each such requisition and accompanying certificate, the Trustee shall promptly withdraw from the appropriate Series Account of the Acquisition and Construction Fund and pay to the person, firm or corporation named in such requisition the amount designated in such requisition. The Trustee shall have no duty to investigate the accuracy or validity of the items delivered pursuant to this section. All requisitions and certificates received by the Trustee pursuant to this Section 5.01 shall be retained in the possession of the Trustee, subject at all reasonable times to the inspection of the Issuer, the Consulting Engineer, the Owner of any Bonds, and the agents and representatives thereof. The Trustee shall have no duty to verify that the disbursement of funds pursuant to a requisition is for a purpose for which payment may be made hereunder and the Trustee may conclusively rely that a properly signed requisition is, on its face, sufficient to disburse funds from the Acquisition and Construction Fund.

(c) *Completion of Project.* On the date of completion of the Project or if sufficient moneys are retained in the appropriate Series Account of the Acquisition and Construction Fund, to complete the Cost of the Project, in either case, as evidenced by the delivery of a Certificate of the Consulting Engineer to the Trustee and adoption of a resolution by the Board accepting the Project as provided by Section 170.09, Florida Statutes, as amended (the "Completion Date"), the balance in the appropriate Series Account of the Acquisition and Construction Fund not reserved by the Issuer for the payment of any remaining part of the Cost of the Project shall be transferred by the Trustee to, and deposited in, the applicable Series Account of the Bond Redemption Fund and applied as provided in Section 6.06 hereof and in the applicable Supplemental Indenture.

ARTICLE VI
SPECIAL ASSESSMENTS;
APPLICATION THEREOF TO FUNDS AND ACCOUNTS

SECTION 6.01. Special Assessments; Lien of Indenture on Pledged Revenues. The Issuer hereby covenants that it shall levy Special Assessments in the amount necessary to pay the Debt Service Requirement on Bonds issued and Outstanding hereunder and enforce such Special Assessments pursuant to the Act, Chapter 170 or Chapter 197, Florida Statutes, or any successor statutes, as applicable.

The Issuer shall, within five (5) Business Days of receipt thereof, pay to the Trustee for deposit in the Series Account of the Revenue Fund established under Section 6.03 hereof all Special Assessments received by the Issuer from the levy thereof on the District Lands subject to assessments for the payment of the related Series of Bonds; provided, however, that amounts received as prepayments of Special Assessments shall be deposited directly into the applicable Series Account within the Bond Redemption Fund established hereunder or in any account thereof established pursuant to the applicable Supplemental Indenture. The Issuer shall notify the Trustee in writing at the time of deposit of any amounts received as prepayments of Special Assessments and shall identify the related Series of Bonds. If necessary, the Issuer shall direct the Landowner making such prepayment to specify what Series of Bonds such prepayments relate.

There are hereby pledged for the payment of the principal or Redemption Price of and interest on all Bonds of each Series issued and Outstanding under the Indenture and all reimbursements due to any Credit Facility Issuer for any drawing with respect to such Series of Bonds on its Credit Facility, including, without limitation, interest thereon, as required under the terms of the applicable Credit Facility Agreement, the Pledged Revenues; provided, however, that unless otherwise specifically provided herein or in a Supplemental Indenture relating to a Series of Bonds with respect to the Pledged Revenues securing such Series of Bonds, the Pledged Revenues securing a Series of Bonds shall secure only such Series of Bonds and Bonds issued on a parity therewith and shall not secure any other Bonds or Series of Bonds. The Pledged Revenues shall immediately be subject to the lien and pledge of the Indenture without any physical delivery hereof or further act; provided, however, that the lien and pledge of the Indenture shall not apply to any moneys transferred by the Trustee to the Rebate Fund. The foregoing notwithstanding, to the extent provided in the Supplemental Indenture authorizing the issuance of a Series of Bonds, such Series of Bonds may be made payable from and secured by less than all of the Pledged Revenues, and any one or more of the provisions of this Master Indenture may be made inapplicable to such Series of Bonds, all as more specifically provided in the corresponding Supplemental Indenture; provided, however, that any such provisions shall apply only to the particular Series of Bonds authorized by such Supplemental Indenture and shall not affect in any manner whatsoever any Outstanding Series of Bonds.

SECTION 6.02. Funds and Accounts Relating to the Bonds. The Funds and Accounts specified in this Article VI shall be established under this Master Indenture and each Supplemental Indenture pursuant to which a Series of Bonds is issued for the benefit of the specific Series of Bonds issued pursuant to such Supplemental Indenture and any Series issued on a parity therewith and, unless expressly otherwise provided in said Supplemental Indenture,

shall not apply to Bonds Outstanding hereunder issued under any other indenture supplemental hereto. Unless provided otherwise by Supplemental Indenture, all moneys, including, without limitation, proceeds of a Series of Bonds, on deposit to the credit of the Funds and Accounts established hereunder and under a Supplemental Indenture (except for moneys transferred to the Rebate Fund) shall be pledged to the payment of the principal, redemption or purchase price of (as the case may be) and interest on the Series of Bonds issued hereunder and under such Supplemental Indenture, and any Series issued on a parity therewith.

SECTION 6.03. Revenue Fund. The Trustee is hereby authorized and directed to establish a Revenue Fund and pursuant to a Supplemental Indenture a Series Account for each Series of Bonds issued hereunder, into which the Trustee shall immediately deposit any and all Special Assessments received from the levy thereof on the District Lands or any portion thereof (other than Prepayments) and any amounts received as the result of any foreclosure, sale of tax certificates or other remedial action for nonpayment of Special Assessments for the payment of the related Series of Bonds and other payments required hereunder or under the applicable Supplemental Indenture (unless such Special Assessments and/or other payments are specifically designated by the Issuer pursuant to a Supplemental Indenture for deposit into the Rebate Fund or any other Fund or Account established hereunder or under a Supplemental Indenture) and each Series Account therein shall be held by the Trustee separate and apart from all other Funds and Accounts held under the Indenture and from all other moneys of the Trustee. The Trustee shall transfer from amounts on deposit in the Series Account in the Revenue Fund to the Funds and Accounts designated below, the following amounts, at the following times and in the following order of priority unless other times and/or priorities are established in a Supplemental Indenture with respect to a Series of Bonds:

FIRST, upon receipt but no later than the Business Day preceding the first May 1 for which there is an insufficient amount from Bond proceeds (or investment earnings thereon) on deposit in the applicable Series Interest Account of the Debt Service Fund to be applied to the payment of interest on the Bonds of a Series due on the next succeeding May 1, and no later than the Business Day next preceding each May 1 thereafter while Bonds of a Series issued under the Indenture remain Outstanding, to the applicable Series Interest Account of the Debt Service Fund, an amount equal to the interest on the related Series of Bonds becoming due on the next succeeding May 1, less any amount on deposit in such Interest Account not previously credited;

SECOND, beginning on the date set forth in the related Supplemental Indenture, and no later than the Business Day next preceding each May 1 or November 1, as designated in the applicable Supplemental Indenture thereafter while Bonds of a Series issued under the Indenture remain Outstanding, to the applicable Series Principal Account of the Debt Service Fund, an amount equal to the principal amount of Bonds of such Series maturing on the next succeeding principal payment date, less any amount on deposit in the applicable Series Principal Account not previously credited;

THIRD, beginning on the date set forth in the related Supplemental Indenture, and no later than the Business Day next preceding each May 1 or November 1, as so designated in the applicable Supplemental Indenture thereafter while Bonds of a Series issued under the Indenture remain Outstanding, to the applicable Series Sinking Fund

Account of the Debt Service Fund, an amount equal to the principal amount of Bonds of such Series subject to mandatory sinking fund redemption on the next succeeding mandatory sinking fund redemption date, less any amount on deposit in the applicable Series Sinking Fund Account not previously credited;

FOURTH, upon receipt but no later than the Business Day preceding the first November 1 for which there remains an insufficient amount from Bond proceeds (or investment earnings thereon) on deposit in the applicable Series Interest Account to be applied to the payment of interest on the Bonds of a Series due on the next succeeding November 1, and no later than the Business Day next preceding each November 1 thereafter while Bonds of such Series issued under the Indenture remain Outstanding, to the applicable Series Interest Account of the Debt Service Fund, an amount equal to the interest on the Bonds of such Series becoming due on the next succeeding November 1, less any amount on deposit in the applicable Series Interest Account not previously credited;

FIFTH, upon receipt but no later than the Business Day next preceding each Interest Payment Date while Bonds of a Series issued under the Indenture remain Outstanding, to the applicable Series Account of the Debt Service Reserve Fund, if any, an amount equal to the amount, if any, which is necessary to make the amount on deposit therein equal to the Debt Service Reserve Requirement;

SIXTH, subject to the following paragraph, the balance of any moneys remaining in a Series Account of the Revenue Fund after making the foregoing deposits shall remain therein.

Except as otherwise provided in a Supplemental Indenture, the Trustee shall retain any moneys held for the credit of the Revenue Fund which are not otherwise required to be deposited pursuant to this Section and apply such amounts on subsequent dates for the purposes and in the priority set forth above. Notwithstanding the foregoing, if pursuant to any Arbitrage Certificate it is necessary to make a deposit in the Rebate Fund, the Issuer shall direct the Trustee to make such deposit thereto. Prepayments pledged to a particular Series of Bonds shall be deposited directly into the applicable Series Account of the Bond Redemption Fund as provided herein.

SECTION 6.04. Debt Service Fund. The Trustee is hereby authorized and directed to establish a Debt Service Fund which shall consist of amounts deposited therein by the Trustee and any other amounts the Issuer may pay to the Trustee for deposit therein with respect to the related Series of Bonds. The Debt Service Fund shall be held by the Trustee separate and apart from all other Funds and Accounts held under the Indenture and from all other moneys of the Trustee. The Trustee shall establish within the Debt Service Fund pursuant to a Supplemental Indenture, a Series Principal Account, a Series Interest Account and, if applicable, a Series Sinking Fund Account for each Series of Bonds and a Series Capitalized Interest Account, which accounts shall be separate and apart from all other Funds and Accounts established under the Indenture and from all other moneys of the Trustee.

The Trustee at all times shall make available to any Paying Agent the funds in the Series Principal Account and the Series Interest Account of the Debt Service Fund to pay the principal

of the applicable Series of Bonds as they mature upon surrender thereof and the interest on the applicable Series of Bonds as it becomes payable, respectively. When a Series of Bonds is redeemed, the amount, if any, in the Debt Service Fund representing interest thereon shall be applied to the payment of accrued interest in connection with such redemption.

The Trustee shall apply moneys in the Series Sinking Fund Account in the Debt Service Fund for purchase or redemption of the applicable Series of Bonds in amounts and maturities set forth in the Supplemental Indenture. Whenever Bonds of a Series are to be purchased out of such Series Sinking Fund Account, if the Issuer shall notify the Trustee in writing that the Issuer wishes to arrange for such purchase, the Trustee shall comply with the Issuer's arrangements provided they conform to the Indenture.

Except to the extent otherwise provided in a Supplemental Indenture with respect to a Series of Bonds, purchases and redemptions out of the Series Sinking Fund Account shall be made as follows:

(a) The Trustee shall apply the amounts required to be transferred to the Series Sinking Fund Account (less any moneys applied to the purchase of Bonds of the applicable Series pursuant to the next sentence hereof) on the mandatory sinking fund redemption date in each of the years set forth in the Supplemental Indenture to the redemption of Bonds of the related Series in the amounts, manner and maturities and on the dates set forth in the Supplemental Indenture, at a Redemption Price of 100% of the principal amount thereof. At the written direction of the Issuer, the Trustee shall apply moneys from time to time available in the Series Sinking Fund Account to the purchase of Bonds of the applicable Series which mature in the aforesaid years, at prices not higher than the principal amount thereof, in lieu of redemption as aforesaid, provided that firm purchase commitments can be made before the notice of redemption would otherwise be required to be given. In the event of purchases at less than the principal amount thereof, the difference between the amount in the Series Sinking Fund Account representing the principal amount of the Bonds so purchased and the purchase price thereof (exclusive of accrued interest) shall be transferred to the related Series Interest Account of the Debt Service Fund.

(b) Accrued interest on purchased Bonds of a Series shall be paid from the related Series Interest Account of the Debt Service Fund.

(c) In lieu of paying the Debt Service Requirements necessary to allow any mandatory redemption of Bonds of a Series from the related Series Sinking Fund Account, the Issuer may present to the Trustee Bonds of such Series purchased by the Issuer pursuant to subparagraph (a) above and furnished for such purposes; provided, however, that no Bonds of such Series so purchased shall be credited towards the Debt Service Requirements in respect of the mandatory redemption of Bonds of such Series for which notice of redemption has been given pursuant to Section 8.02 of this Master Indenture. Any Bond so purchased shall be presented to the Trustee for cancellation. In such event, the Debt Service Requirements with respect to the Bonds of a Series for the period in which the purchased Bonds are presented to the Trustee shall, for all purposes hereunder, be reduced by an amount equal to the aggregate principal amount of any such Bonds so presented.

SECTION 6.05. Debt Service Reserve Fund. The Trustee is hereby authorized and directed to establish a Debt Service Reserve Fund and, if applicable, pursuant to a Supplemental Indenture a Series Account for each Series of Bonds issued hereunder. The Debt Service Reserve Fund and each Series Account therein shall be held by the Trustee solely for the benefit of each related Series of Bonds or sub-Series, as determined by the applicable Supplemental Indenture; provided, however, that notwithstanding anything to the contrary contained in this Master Indenture, the Supplemental Indenture authorizing the issuance of a Series of Bonds may provide that the Debt Service Reserve Fund is not applicable and no account therein shall secure such Series of Bonds. The Debt Service Reserve Fund and each Series Account therein shall constitute an irrevocable trust fund to be applied solely as set forth herein and shall be held by the Trustee separate and apart from all other Funds and Accounts held under the Indenture and from all other moneys of the Trustee. Unless otherwise provided in the Supplemental Indenture authorizing the issuance of a Series of Bonds, on the date of issuance and delivery of a Series of Bonds an amount of Bond proceeds or equity equal to the Debt Service Reserve Requirement in respect of such Series of Bonds, calculated as of the date of issuance and delivery of such Series of Bonds, shall be deposited in the related Series Account of the Debt Service Reserve Fund. Unless otherwise provided in the Supplemental Indenture with respect to a Series of Bonds, and as long as there exists no default under the Indenture and the amount in the Series Account of the Debt Service Reserve Fund is not reduced below the then applicable Debt Service Reserve Requirement with respect to such Series of Bonds, earnings on investments in the Series Account of the Debt Service Reserve Fund shall, prior to the Completion Date of a Project, be transferred to the applicable Series Account of the Acquisition and Construction Fund, and after the Completion Date, shall be transferred to the related Series Account of the Revenue Fund. Otherwise, earnings on investments in each Series Account of the Debt Service Reserve Fund shall be retained therein until applied as set forth herein. Unless otherwise provided in a Supplemental Indenture, in the event that the amount in a Series Account of the Debt Service Reserve Fund exceeds the Debt Service Reserve Requirement with respect to such Series of Bonds due to a decrease in the then applicable Debt Service Reserve Requirement as a result of a Prepayment of Special Assessments, which Special Assessments are pledged for the payment and security of such Series of Bonds, the excess amount shall be transferred from the Series Account or Subaccount of the Debt Service Reserve Fund to the applicable Series Account of the Bond Redemption Fund established for such Series of Bonds and shall constitute a credit against such Prepayment. In the event that the amount in a Series Account of the Debt Service Reserve Fund exceeds the Debt Service Reserve Requirement with respect to such Series of Bonds due to a decrease in the then applicable Debt Service Reserve Requirement for any other reason, the excess amount shall, unless otherwise provided in the Supplemental Indenture with respect to a Series of Bonds, be transferred from the Series Account of the Debt Service Reserve Fund to the related Series Account or subaccount of the Bond Redemption Fund.

Whenever for any reason on an Interest Payment Date, principal payment date or mandatory redemption date with respect to a related Series of Bonds secured by a Series Account of the Debt Service Reserve Fund the amount in the related Series Interest Account, the related Series Principal Account or the related Series Sinking Fund Account, as the case may be, is insufficient to pay all amounts payable on such Series of Bonds therefrom on such payment dates, the Trustee shall, without further instructions, transfer the amount of any such deficiency from the related Series Account of the Debt Service Reserve Fund into the related Series Interest Account, the related Series Principal Account and the related Series Sinking Fund Account, as

the case may be, with priority to the related Series Interest Account and then, proportionately according to the respective deficiencies therein, to the related Series Principal Account and the related Series Sinking Fund Account, to be applied to pay the Series of Bonds secured by the Series Account of the Debt Service Reserve Fund.

Notwithstanding the foregoing, in lieu of the required deposits into the related Series Account of the Debt Service Reserve Fund, the Issuer may cause to be deposited into the Series Account of the Debt Service Reserve Fund a Debt Service Reserve Insurance Policy or Debt Service Reserve Letter of Credit, either in lieu of any cash amount required to be deposited therein in connection with the issuance of any Series of Bonds or in substitution for the full amounts then on deposit therein or in an amount equal to the difference between the amount required to be deposited and the sum, if any, then on deposit in the Series Account of the Debt Service Reserve Fund, which Debt Service Reserve Insurance Policy or Debt Service Reserve Letter of Credit shall be payable (upon the giving of notice as required thereunder) on any Interest Payment Date or principal payment date on which a deficiency exists which cannot be remedied by moneys in any other Fund or Account held pursuant to the Indenture and available for such purpose. Unless otherwise provided in the Supplemental Indenture with respect to a Series of Bonds, if any such Debt Service Reserve Insurance Policy or Debt Service Reserve Letter of Credit is substituted for moneys on deposit in the Series Account of the Debt Service Reserve Fund, or if at any time there are excess moneys in the Series Account of the Debt Service Reserve Fund, the excess moneys in the Series Account of the Debt Service Reserve Fund shall be transferred to and deposited in the related Series Account or Subaccount of the Revenue Fund. If a disbursement is made from a Debt Service Reserve Insurance Policy or Debt Service Reserve Letter of Credit, the Issuer shall be obligated to either reinstate the maximum limits of such Debt Service Reserve Insurance Policy or Debt Service Reserve Letter of Credit immediately following such disbursement or to deposit into the Series Account of the Debt Service Reserve Fund, as provided in the Indenture for restoration of withdrawals from the Series Account of the Debt Service Reserve Fund, funds in the amount of the disbursement made under such Debt Service Reserve Insurance Policy or Debt Service Reserve Letter of Credit.

In the event that upon the occurrence of any deficiency in a Series Interest Account, a Series Principal Account or a Series Sinking Fund Account, the Series Account of the Debt Service Reserve Fund is then funded with a Debt Service Reserve Letter of Credit or Debt Service Reserve Insurance Policy, the Trustee shall, on an Interest Payment Date or principal payment date or mandatory redemption date to which such deficiency relates, draw upon the Debt Service Reserve Letter of Credit or cause to be paid under the Debt Service Reserve Insurance Policy an amount sufficient to remedy such deficiency, in accordance with the terms and provisions of the Debt Service Reserve Letter of Credit or Debt Service Reserve Insurance Policy, as applicable, and any corresponding reimbursement or other agreement governing the Debt Service Reserve Letter of Credit or Debt Service Reserve Insurance Policy; provided, however, that if at the time of such deficiency the Series Account of the Debt Service Reserve Fund is only partially funded with a Debt Service Reserve Letter of Credit or Debt Service Reserve Insurance Policy, prior to drawing on the Debt Service Reserve Letter of Credit or Debt Service Reserve Insurance Policy, as applicable, the Trustee shall first apply any cash and securities on deposit in the Series Account of the Debt Service Reserve Fund to remedy the deficiency in accordance with the second paragraph of this Section 6.05 and, if after such application a deficiency still exists, the Trustee shall make up the balance of the deficiency by

drawing on the Debt Service Reserve Letter of Credit or Debt Service Reserve Insurance Policy, as provided in this sentence. Amounts drawn on the Debt Service Reserve Letter of Credit or Debt Service Reserve Insurance Policy, as applicable, shall be applied as set forth in the second paragraph of this Section 6.05. Any amounts drawn under a Debt Service Reserve Letter of Credit or Debt Service Reserve Insurance Policy shall be reimbursed to the issuer thereof in accordance with the terms and provisions of the reimbursement or other agreement governing such Debt Service Reserve Letter of Credit or Debt Service Reserve Insurance Policy.

SECTION 6.06. Bond Redemption Fund. The Trustee is hereby authorized and directed to establish a Bond Redemption Fund and a Series Account therein for each Series of Bonds issued hereunder into which shall be deposited moneys, unless otherwise provided in a Supplemental Indenture with respect to a Series of Bonds, in the amounts and at the times provided in Sections 5.01, 6.01, 6.03, 6.05, 9.08(c) and 9.14(c) of this Master Indenture. The Series Account within the Bond Redemption Fund shall constitute an irrevocable trust fund to be applied solely as set forth in the applicable Supplemental Indenture for the related Series of Bonds and shall be held by the Trustee separate and apart from all other Funds and Accounts held under such Indenture and from all other moneys of the Trustee. All earnings on investments held in the Series Account within the Bond Redemption Fund shall be retained therein and applied as set forth below.

Moneys in the Series Account within the Bond Redemption Fund (including all earnings on investments held in the Series Account within the Bond Redemption Fund) shall be accumulated therein to be used in the following order of priority, to the extent that the need therefor arises:

FIRST, to make such deposits into the Rebate Fund created and established under this Master Indenture as the Issuer may direct in accordance with an arbitrage rebate agreement, such moneys thereupon to be used solely for the purposes specified in said arbitrage rebate agreement. Any moneys so transferred from the Series Account within the Bond Redemption Fund to the Rebate Fund shall thereupon be free from the lien and pledge of the related Indenture;

SECOND, to be used to call for redemption pursuant to clause (b) of Section 8.01 hereof an amount of Bonds of the applicable Series equal to the amount of money transferred to the Series Account within the Bond Redemption Fund pursuant to the aforesaid clauses or provisions, as appropriate, for the purpose of such extraordinary mandatory redemption on the dates and at the prices provided in such clauses or provisions, as appropriate; and

THIRD, the remainder to be utilized by the Trustee, at the direction of a Responsible Officer, to call for redemption on each Interest Payment Date or other date on which Bonds of the applicable Series are subject to optional redemption pursuant to Section 8.01(a) hereof such amount of Bonds of the applicable Series as, with the redemption premium, may be practicable; provided, however, that not less than Five Thousand Dollars (\$5,000) principal amount of Bonds of the applicable Series shall be called for redemption at one time.

Any such redemption shall be made in accordance with the provisions of Article VIII of this Master Indenture and the applicable provisions of the related Supplemental Indenture. The Issuer shall pay all expenses in connection with such redemption.

SECTION 6.07. Drawings on Credit Facility. With respect to Bonds in respect of which there has been issued a Credit Facility, the Trustee shall draw on the Credit Facility, in accordance with the provisions for drawing under such Credit Facility, and within the requisite time period, all as set forth in the Credit Facility Agreement or the Supplemental Indenture.

SECTION 6.08. Procedure When Funds Are Sufficient to Pay All Bonds of a Series. Unless otherwise provided in the Supplemental Indenture with respect to a Series of Bonds, if at any time the moneys held by the Trustee in the Funds (other than the moneys in the Rebate Fund) and Accounts hereunder and under a Supplemental Indenture and available therefor are sufficient to pay the principal or Redemption Price of, as the case may be, and interest on all Bonds of a Series then Outstanding under such Indenture to maturity or prior redemption, together with any amounts due the Issuer and the Trustee, Paying Agent, Registrar and Credit Facility Issuer, if any, the Trustee, at the direction of the Issuer, shall apply the amounts in the Series Funds and Series Accounts to the payment of the aforesaid obligations and the Issuer shall not be required to pay over any further Pledged Revenues with respect to such Series of Bonds unless and until it shall appear that there is a deficiency in the Funds and Accounts held by the Trustee.

SECTION 6.09. Certain Moneys to Be Held for Series Bondholders Only. Each Series of Bonds issued pursuant to this Master Indenture and the related Supplemental Indenture shall be secured by Pledged Revenues, as set forth herein, and otherwise may be secured by such additional Funds and Accounts and other security (including, but not limited to, Credit Facilities) established by the pertinent Supplemental Indenture. Moneys and investments in the various Funds and Accounts created under a Supplemental Indenture expressly and solely for the benefit of the Series of Bonds issued under such Supplemental Indenture shall be held in trust by the Trustee for the benefit of the Holders of, and Credit Facility Issuer with respect to, Bonds of that Series only.

SECTION 6.10. Unclaimed Moneys. In the event any Bond shall not be presented for payment when the principal of such Bond becomes due, either at maturity or at the date fixed for redemption of such Bond or otherwise, if amounts sufficient to pay such Bond have been deposited with the Trustee for the benefit of the owner of the Bond and have remained unclaimed for two (2) years after the date payment thereof becomes due shall, upon request of the Issuer, if the Issuer is not at the time to the actual knowledge of a Responsible Officer of the Trustee in default with respect to any covenant in this Master Indenture, any Supplemental Indenture or the Bonds contained, be paid to the Issuer; and the Owners of the Bonds for which the deposit was made shall thereafter be limited to a claim against the Issuer; provided, however, that the Trustee, before making payment to the Issuer, may, at the expense of the Issuer, cause a notice to be published in an Authorized Newspaper, stating that the money remaining unclaimed will be returned to the Issuer after a specified date.

SECTION 6.11. Rebate Fund. The Trustee is hereby authorized and directed to establish a Rebate Fund. Unless provided otherwise in a Supplemental Indenture, the Trustee

shall transfer monies from the applicable Series Account in the Revenue Fund and deposit the same to the Rebate Fund, and shall make payments therefrom at the times and in the amounts as directed by the Issuer in writing that are required to comply with the covenants in the applicable Arbitrage Certificate. If so directed by the Issuer in writing, the Trustee shall create one or more Series Accounts within the Rebate Fund relating to one or more particular Series of Bonds.

(a) All amounts held in the Rebate Fund shall be governed by this Section and the applicable Arbitrage Certificate. The Trustee shall be entitled to rely on the rebate calculations obtained from the rebate analyst retained by the Issuer pursuant to any Arbitrage Certificate and the Trustee shall not be responsible for any loss or damage resulting from any good faith action taken or omitted to be taken by the Issuer in reliance upon such calculations.

(b) Pursuant to the applicable Arbitrage Certificate, the Trustee shall remit all rebate installments and a final rebate payment to the United States. The Trustee shall have no obligation to pay any amounts required to be rebated pursuant to this Section and the applicable Arbitrage Certificate, other than at the direction of the Issuer and from moneys held in the Rebate Fund or from other moneys provided to it by the Issuer. Any moneys remaining in the Rebate Fund after redemption and payment of all of the Bonds and payment and satisfaction of any arbitrage rebate shall be withdrawn and paid to the Issuer.

(c) Notwithstanding any other provision of this Indenture, including in particular Article XIV hereof, the obligation to pay arbitrage rebate to the United States and to comply with all other requirements of this Section and the Arbitrage Certificate shall survive the defeasance or payment in full of the Bonds.

(d) The Trustee shall not be deemed to have constructive knowledge of the Code or regulations, rulings and judicial decisions concerning the Code.

ARTICLE VII

SECURITY FOR AND INVESTMENT OR DEPOSIT OF FUNDS

SECTION 7.01. Deposits and Security Therefor. Unless otherwise provided in the Supplemental Indenture with respect to a Series of Bonds, all moneys received by the Trustee under a Supplemental Indenture for deposit in any Fund or Account established under this Master Indenture or such Supplemental Indenture shall be considered trust funds, shall not be subject to lien or attachment, except for the lien created by this Master Indenture and the related Supplemental Indenture, and shall be deposited with the Trustee, until or unless invested or deposited as provided in Section 7.02 hereof. All deposits of moneys received by the Trustee under this Master Indenture or such Supplemental Indenture (whether original deposits under this Section 7.01 or deposits or redeposits in time accounts under Section 7.02) shall, to the extent not insured, and to the extent permitted by law, be fully secured as to both principal and interest earned, by Investment Securities of the types set forth in the definition of Investment Securities and the provisions thereof. If at any time the Trustee is unwilling to accept such deposits or unable to secure them as provided above, the Trustee may deposit such moneys with any other depository which is authorized to receive them and the deposits of which are insured by the Federal Deposit Insurance Corporation (including the FDIC Savings Association Insurance Fund). All deposits in any other depository in excess of the amount covered by insurance

(whether under this Section 7.01 or Section 7.02 as aforesaid) shall, to the extent permitted by law, be fully secured as to both principal and interest earned, in the same manner as required herein for deposits with the Trustee. Such security shall be deposited with a Federal Reserve Bank, with the trust department of the Trustee as authorized by law with respect to trust funds in the State, or with a bank or trust company having a combined net capital and surplus of not less than \$50,000,000.

SECTION 7.02. Investment or Deposit of Funds. The Trustee shall, as directed by the Issuer in writing, invest moneys held in the Series Accounts in the Debt Service Fund and any Series Account within the Bond Redemption Fund created under any Supplemental Indenture only in Government Obligations and securities described in subparagraphs (iii), (iv), (v), (vi), (ix), (x) or (xi) of the definition of Investment Securities unless the applicable Supplemental Indenture provides for alternate investments. Except to the extent otherwise provided in a Supplemental Indenture with respect to a Series of Bonds, the Trustee shall, as directed by the Issuer in writing, invest moneys held in any Series Account of the Debt Service Reserve Fund in Investment Securities. All deposits in time accounts shall be subject to withdrawal without penalty and all investments shall mature or be subject to redemption by the holder without penalty, not later than the date when the amounts will foreseeably be needed for purposes set forth herein. All securities securing investments under this Section shall be deposited with a Federal Reserve Bank, with the trust department of the Trustee, as authorized by law with respect to trust funds in the State, or with a bank or trust company having a combined net capital and surplus of not less than \$50,000,000. The interest and income received upon such investments and any interest paid by the Trustee or any other depository of any Fund or Account and any profit or loss resulting from the sale of securities shall be added or charged to the Fund or Account for which such investments are made; provided, however, that if the amount in any Fund or Account equals or exceeds the amount required to be on deposit therein, subject to Section 6.05 of this Master Indenture and unless otherwise provided in a Supplemental Indenture with respect to a Series of Bonds, any interest and other income so received shall be deposited in the related Series Account of the Revenue Fund. Upon written request of the Issuer, or on its own initiative whenever payment is to be made out of any Fund or Account, the Trustee shall sell such securities as may be requested to make the payment and restore the proceeds to the Fund or Account in which the securities were held. The Trustee shall not be accountable for any depreciation in the value of any such security or for any loss resulting from the sale thereof. If net proceeds from the sale of securities held in any Fund or Account shall be less than the amount invested and, as a result, the amount on deposit in such Fund or Account is less than the amount required to be on deposit in such Fund or Account, the amount of such deficit shall be transferred to such Fund or Account from the related Series Account of the Revenue Fund.

In the absence of written investment instructions from the Issuer, the Trustee shall not be responsible or liable for keeping the moneys held by it hereunder invested or for any losses because such amounts were not invested. Moneys in any of the Funds and Accounts established pursuant to the Indenture, when held by the Trustee, shall be promptly invested by the Trustee in accordance with all written directions from the Issuer and the Issuer shall be responsible for ensuring that such instructions conform to requirements of this Master Indenture including, without limitation, Article VII hereof. The Trustee shall not be liable or responsible for any loss or entitled to any gain resulting from any investment or sale upon the investment instructions of the Issuer or otherwise, including that set forth in the first sentence of this paragraph. The

Trustee may conclusively rely upon the Issuer's written instructions as to both the suitability and legality of all investments directed hereunder or under any Supplemental Indenture. Ratings of investments shall be determined by the Issuer at the time of purchase of such investments and without regard to ratings subcategories. The Trustee shall have no responsibility to monitor the ratings of investments after the initial purchase of such investments. The Trustee may make any and all such investments through its own investment department or that of its affiliates or subsidiaries, and may charge its ordinary and customary fees for such trades. Confirmations of investments are not required to be issued by the Trustee for each month in which a monthly statement is rendered. No statement need be rendered for any fund or account if no activity occurred in such fund or account during such month.

SECTION 7.03. Valuation of Funds. Except for the assets on deposit in the Debt Service Reserve Fund, the Trustee shall value the assets in each of the Funds and Accounts established hereunder or under any Supplemental Indenture within ten (10) Business Days prior to each Interest Payment Date. With respect to the assets in the Debt Service Reserve Fund, including all accounts established therein, the Trustee shall value such assets forty-five (45) days prior to each Interest Payment Date. In either case, as soon as practicable after each such valuation date (but no later than ten (10) Business Days after each such valuation date), the Trustee shall provide the Issuer a report of the status of each Fund and Account as of the valuation date. In computing the assets of any Fund or Account, investments and accrued interest thereon shall be deemed a part thereof, subject to Section 7.02 hereof. For the purpose of determining the amount on deposit to the credit of any Fund or Account established hereunder or under any Supplemental Indenture, obligations in which money in such Fund or Account shall have been invested shall be valued at the market value or the amortized cost thereof, whichever is lower, or at the redemption price thereof, to the extent that any such obligation is then redeemable at the option of the holder.

SECTION 7.04. Brokerage Confirmations. The District acknowledges that to the extent regulations of the Comptroller of the Currency or other applicable regulatory entity grant the District the right to receive individual confirmations of security transactions at no additional cost, as they occur, the District specifically waives receipt of such confirmations to the extent permitted by law. The Trustee will furnish the District periodic cash transaction statements that include detail for all investment transactions made by the Trustee hereunder.

ARTICLE VIII REDEMPTION AND PURCHASE OF BONDS

SECTION 8.01. Redemption Dates and Prices. Unless provided otherwise in a Supplemental Indenture with respect to a Series of Bonds, the Bonds of a Series may be made subject to optional, mandatory and extraordinary redemption and purchase, either in whole or in part, by the Issuer, prior to maturity in the amounts, at the times and in the manner provided in this Article VIII and in the related Supplemental Indenture.

(a) *Optional Redemption.* Bonds of a Series shall be subject to optional redemption at the direction of the Issuer, at the times and upon payment of the purchase price as provided in the related Supplemental Indenture.

(b) *Extraordinary Mandatory Redemption in Whole or in Part.* Except as otherwise provided in a Supplemental Indenture with respect to Bonds of the related Series, Bonds of a Series are subject to extraordinary mandatory redemption prior to maturity by the Issuer in whole, on any date, or in part, on any Interest Payment Date, at an extraordinary mandatory redemption price equal to 100% of the principal amount of the Bonds to be redeemed, plus interest accrued to the redemption date, (i) from moneys deposited into the related Series Bond Redemption Fund following the payment in full of Special Assessments on any portion of the District Lands in accordance with the provisions of Section 9.08(a) hereof; (ii) from moneys deposited into the related Series Bond Redemption Fund following the payment in full of Special Assessments on any portion of the District Lands as a result of any prepayment of Special Assessments in accordance with Section 9.08(b) hereof; (iii) when sufficient moneys are on deposit in the related Series Funds and Accounts (other than moneys in the Rebate Fund and any other excluded Fund or Account as provided in a Supplemental Indenture with respect to a Series of Bonds or moneys required to pay Costs of the Project under the applicable Supplemental Indenture) to pay and redeem all Outstanding Bonds of a Series and accrued interest thereon to the redemption date in addition to all amounts owed to Persons under the Indenture; (iv) unless otherwise provided in the Supplemental Indenture with respect to a Series of Bonds from moneys in excess of the Series Account of the Debt Service Reserve Requirement in the Series Account of the Debt Service Reserve Fund transferred to the Series Bond Redemption Fund pursuant to Section 6.05 hereof; (v) from excess moneys transferred from the Series Account of the Revenue Fund to the Series Bond Redemption Fund in accordance with Section 6.03 of this Master Indenture; (vi) from moneys, if any, on deposit in the Series Bond Redemption Fund pursuant to Section 9.14(c) hereof following condemnation or the sale of any portion of the District Lands benefited by a Project to a governmental entity under threat of condemnation by such governmental entity or the damage or destruction of all or substantially all of the Project when such moneys are not to be used pursuant to 9.14(c) to repair, replace or restore the Project; provided, however, that at least forty-five (45) days prior to such extraordinary mandatory redemption, the Issuer shall cause to be delivered to the Trustee (x) notice setting forth the redemption date and (y) a certificate of the Consulting Engineer confirming that the repair and restoration of the Project would not be economical or would be impracticable; or (vii) from amounts transferred to the Series Account of the Bond Redemption Fund from the Series Account of the Acquisition and Construction Fund in accordance with Section 5.01(c) hereof.

(c) *Mandatory Sinking Fund Redemption.* Bonds of a Series may be subject to mandatory sinking fund redemption at a Redemption Price of 100% of the principal amount thereof plus accrued interest to the redemption date, in the years and amounts set forth in a Supplemental Indenture.

In connection with such mandatory sinking fund redemption of Bonds, amounts shall be transferred from the applicable Series Account of the Revenue Fund to the Series Sinking Fund Account of the Debt Service Fund, all as more particularly described in Section 6.03 hereof.

The principal amounts of scheduled mandatory sinking fund redemption amounts shall be reduced as specified by the Issuer or as provided in Section 8.04 hereof by any principal amounts of the Bonds redeemed pursuant to Section 8.01(a) and (b) hereof or purchased pursuant to Section 6.04 hereof.

Upon any redemption of Bonds other than in accordance with scheduled mandatory sinking fund redemption amounts, the Issuer shall cause to be recalculated and delivered to the Trustee revised mandatory sinking fund redemption amounts recalculated so as to amortize the Outstanding principal amount of Bonds of such Series in substantially equal annual installments of principal and interest (subject to rounding to Authorized Denominations of principal) over the remaining term of the Bonds of such Series. The mandatory sinking fund redemption amounts as so recalculated shall not result in an increase in the aggregate of the mandatory sinking fund redemption amounts for all Bonds of such Series in any year. In the event of a redemption or purchase occurring less than 45 days prior to a date on which a mandatory sinking fund redemption amount is due, the foregoing recalculation shall not be made to mandatory sinking fund redemption amounts due in the year in which such redemption or purchase occurs, but shall be made to mandatory sinking fund redemption amounts for the immediately succeeding and subsequent years.

SECTION 8.02. Notice of Redemption and of Purchase. Except where otherwise required by a Supplemental Indenture, when required to redeem or purchase Bonds of a Series under any provision of the related Indenture or directed to do so by the Issuer, the Trustee shall cause notice of the redemption, either in whole or in part, to be mailed at least thirty (30) but not more than sixty (60) days prior to the redemption or purchase date to all Owners of Bonds to be redeemed or purchased (as such Owners appear on the Bond Register on the fifth (5th) day prior to such mailing), at their registered addresses, but failure to mail any such notice or defect in the notice or in the mailing thereof shall not affect the validity of the redemption or purchase of the Bonds of such Series for which notice was duly mailed in accordance with this Section 8.02. Such notice shall be given in the name of the Issuer, shall be dated, shall set forth the Bonds of such Series Outstanding which shall be called for redemption or purchase and shall include, without limitation, the following additional information:

- (a) the redemption or purchase date;
- (b) the redemption or purchase price;
- (c) CUSIP numbers, to the extent applicable, and any other distinctive numbers and letters;
- (d) any conditions that must be satisfied for the Bonds to be redeemed on the date of redemption;
- (e) if less than all Outstanding Bonds of a Series to be redeemed or purchased, the identification (and, in the case of partial redemption, the respective principal amounts) of the Bonds to be redeemed or purchased;
- (f) that on the redemption or purchase date the Redemption Price or purchase price will become due and payable upon surrender of each such Bond or portion thereof called for redemption or purchase, and that interest thereon shall cease to accrue from and after said date; and
- (g) the place where such Bonds are to be surrendered for payment of the redemption or purchase price, which place of payment shall be a corporate trust office of the Trustee.

If at the time of mailing of notice of an optional redemption or purchase, the Issuer shall not have deposited with the Trustee or Paying Agent moneys sufficient to redeem or purchase all the Bonds called for redemption or purchase, such notice shall be entitled "CONDITIONAL NOTICE OF REDEMPTION" or "CONDITIONAL NOTICE OF PURCHASE", as appropriate, and shall expressly state that the redemption or purchase, as appropriate, is conditional and is subject to the deposit of the redemption or purchase moneys with the Trustee or Paying Agent, as the case may be, not later than the opening of business on the redemption or purchase date, and such notice shall be of no effect unless such moneys are so deposited.

If the amount of funds deposited with the Trustee for such redemption, or otherwise available, is insufficient to pay the Redemption Price and accrued interest on the Bonds so called for redemption on the redemption date, the Trustee shall redeem and pay on such date an amount of such Bonds for which such funds are sufficient, selecting the Bonds to be redeemed randomly from among all such Bonds called for redemption on such date, and among different maturities of Bonds in the same manner as the initial selection of Bonds to be redeemed, and from and after such redemption date, interest on the Bonds or portions thereof so paid shall cease to accrue and become payable; but interest on any Bonds or portions thereof not so paid shall continue to accrue until paid at the same rate as it would have had such Bonds not been called for redemption.

The notices required to be given by this Section 8.02 shall state that no representation is made as to correctness or accuracy of the CUSIP numbers listed in such notice or printed on the Bonds.

SECTION 8.03. Payment of Redemption Price. If any required (a) unconditional notice of redemption has been duly mailed or waived by the Owners of all Bonds called for redemption or (b) conditional notice of redemption has been so mailed or waived and the redemption moneys have been duly deposited with the Trustee or Paying Agent, then in either case, the Bonds called for redemption shall be payable on the redemption date at the applicable Redemption Price plus accrued interest, if any, to the redemption date. Bonds of a Series so called for redemption, for which moneys have been duly deposited with the Trustee, will cease to bear interest on the specified redemption date, shall no longer be secured by the related Indenture and shall not be deemed to be Outstanding under the provisions of the related Indenture.

Payment of the Redemption Price, together with accrued interest, shall be made by the Trustee or Paying Agent to or upon the order of the Owners of the Bonds called for redemption upon surrender of such Bonds. The Redemption Price of the Bonds to be redeemed, the expenses of giving notice and any other expenses of redemption, shall be paid out of the Fund from which redemption is to be made or by the Issuer, or as specified in a Supplemental Indenture.

SECTION 8.04. Partial Redemption of Bonds. Except to the extent otherwise provided in a Supplemental Indenture, if less than all of a Series of Bonds of a maturity are to be redeemed, the Trustee shall select the particular Bonds or portions of the Bonds to be called for redemption by lot in such reasonable manner as the Trustee in its discretion may determine. In the case of any partial redemption of Bonds of a Series pursuant to Section 8.01(a), such redemption shall be effectuated by redeeming Bonds of such Series of such maturities in such

manner as shall be specified by the Issuer in writing, subject to the provisions of Section 8.01 hereof. In the case of any partial redemption of Bonds of a Series pursuant to Section 8.01(b), such redemption shall be effectuated by redeeming Bonds of such Series pro rata among the maturities, treating each date on which a mandatory sinking fund redemption amount is due as a separate maturity for such purpose, with the portion to be redeemed from each maturity being equal to the product of the aggregate principal amount of Bonds of such Series to be redeemed multiplied times a fraction the numerator of which is the principal amount of the Series of Bonds of such maturity outstanding immediately prior to the redemption date and the denominator of which is the aggregate principal amount of all Bonds of such Series outstanding immediately prior to the redemption date.

ARTICLE IX COVENANTS OF THE ISSUER

SECTION 9.01. Power to Issue Bonds and Create Lien. The Issuer is duly authorized under the Act and all applicable laws of the State to issue the Bonds, to adopt and execute this Master Indenture and to pledge the Pledged Revenues for the benefit of the Bonds of a Series and any Credit Facility Issuer, except to the extent otherwise provided in a Supplemental Indenture. The Pledged Revenues are not and shall not be subject to any other lien senior to or on a parity with the lien created in favor of the Bonds of a Series and any Credit Facility Issuer with respect to such Series. The Bonds and the provisions of this Master Indenture and any Supplemental Indenture are and will be valid and legally enforceable obligations of the Issuer in accordance with their respective terms. The Issuer shall, at all times, to the extent permitted by law, defend, preserve and protect the pledge created by this Master Indenture and any Supplemental Indenture and all the rights of the Bondholders and any Credit Facility Issuer under this Master Indenture and any Supplemental Indenture against all claims and demands of all other Persons whomsoever.

SECTION 9.02. Payment of Principal and Interest on Bonds. The payment of the principal or Redemption Price of and interest on all of the Bonds of a Series issued under the related Indenture shall be secured forthwith equally and ratably by a first lien on and pledge of the Pledged Revenues, except to the extent otherwise provided in a Supplemental Indenture; and Pledged Revenues in an amount sufficient to pay the principal or Redemption Price of and interest on the Bonds of a Series authorized by the related Indenture are hereby irrevocably pledged to the payment of the principal or Redemption Price of and interest on the Bonds of a Series authorized under the related Indenture, as the same become due and payable. The Issuer shall promptly pay the interest on and the principal or Redemption Price of every Bond issued hereunder according to the terms thereof, but shall be required to make such payment only out of the Pledged Revenues.

THE BONDS AUTHORIZED UNDER THIS MASTER INDENTURE AND THE RELATED SUPPLEMENTAL INDENTURE AND THE OBLIGATIONS EVIDENCED THEREBY SHALL NOT CONSTITUTE A LIEN UPON ANY PROPERTY OF THE ISSUER, INCLUDING, WITHOUT LIMITATION, THE PROJECT OR ANY PORTION THEREOF IN RESPECT OF WHICH ANY SUCH BONDS ARE BEING ISSUED, OR ANY PART THEREOF, BUT SHALL CONSTITUTE A LIEN ONLY ON THE PLEDGED REVENUES AS SET FORTH IN THIS MASTER INDENTURE AND ANY SUPPLEMENTAL

INDENTURE. NOTHING IN THE BONDS AUTHORIZED UNDER THIS MASTER INDENTURE AND ANY SUPPLEMENTAL INDENTURE SHALL BE CONSTRUED AS OBLIGATING THE ISSUER TO PAY THE BONDS OR THE REDEMPTION PRICE THEREOF OR THE INTEREST THEREON EXCEPT FROM THE PLEDGED REVENUES, OR AS PLEDGING THE FAITH AND CREDIT OF THE ISSUER, THE CITY, THE COUNTY, THE STATE OR ANY OTHER POLITICAL SUBDIVISION THEREOF, OR AS OBLIGATING THE ISSUER, THE CITY, THE COUNTY, THE STATE OR ANY OF ITS POLITICAL SUBDIVISIONS, DIRECTLY OR INDIRECTLY OR CONTINGENTLY, TO LEVY OR TO PLEDGE ANY FORM OF TAXATION WHATEVER THEREFOR.

SECTION 9.03. Special Assessments; Re-Assessments.

(a) Except as otherwise provided in a Supplemental Indenture with respect to a Series of Bonds, the Issuer shall levy Special Assessments, and evidence and certify the same to the Tax Collector or cause the Property Appraiser to certify the same on the tax roll to the Tax Collector for collection by the Tax Collector and enforcement by the Tax Collector or the Issuer pursuant to the Act, Chapter 170 or Chapter 197, Florida Statutes, or any successor statutes, as applicable, and Section 9.04 hereof, to the extent and in an amount sufficient to pay Debt Service Requirements on all Outstanding Bonds.

(b) If any Special Assessment shall be either in whole or in part annulled, vacated or set aside by the judgment of any court, or if the Issuer shall be satisfied that any such Special Assessment is so irregular or defective that the same cannot be enforced or collected, or if the Issuer shall have omitted to make such Special Assessment when it might have done so, the Issuer shall either (i) take all necessary steps to cause a new Special Assessment to be made for the whole or any part of said improvement or against any property benefited by said improvement, or (ii) in its sole discretion, make up the amount of such Special Assessment from any legally available moneys, which moneys shall be deposited into the applicable Series Account in the Revenue Fund. In case such second Special Assessment shall be annulled, the Issuer shall obtain and make other Special Assessments until a valid Special Assessment shall be made.

SECTION 9.04. Method of Collection. Special Assessments shall be collected by the Issuer in accordance with the provisions of the Act and Chapter 170 or Chapter 197, Florida Statutes, or any successor statutes thereto, as applicable, in accordance with the terms of this Section. Except as stated in the next succeeding sentence, the Issuer shall use the uniform method for the levy, collection and enforcement of Special Assessments afforded by Sections 197.3631, 197.3632 and 197.3635, Florida Statutes, or any successor statutes thereto (the "Uniform Method"), and to do all things necessary to continue to use the Uniform Method or a comparable alternative method afforded by Section 197.3631, Florida Statutes. The Issuer shall use its best efforts to enter into and/or maintain in effect one or more written agreements with the Property Appraiser and the Tax Collector, either individually or jointly (together, the "Property Appraiser and Tax Collector Agreement") in order to effectuate the provisions of this Section. The Issuer shall ensure that any such Property Appraiser and Tax Collector Agreement remains in effect for at least as long as the final maturity of Bonds Outstanding under this Indenture. To the extent that the Issuer is legally prevented from collecting Special Assessments pursuant to the Uniform Method, then the Issuer shall collect and enforce Special Assessments pursuant to any

available method under the Act, Chapter 170, Florida Statutes, or Chapter 197, Florida Statutes, or any successor statutes thereto.

Notwithstanding the immediately preceding paragraph or any other provision in this Master Indenture to the contrary, upon the occurrence of an Event of Default, if the Trustee, acting at the direction of the Majority Holder of a Series of Bonds, requests that the Issuer not use the Uniform Method to collect the Special Assessments levied by the Issuer for the purpose of paying the Debt Service Requirements such Series of Bonds, but instead collect and enforce the Special Assessments levied by the Issuer for the purpose of paying the Debt Service Requirements such Series of Bonds to another available method under the Act, Chapter 170, Florida Statutes, or Chapter 197, Florida Statutes, or any successor statutes thereto, then the Issuer shall collect and enforce said Special Assessments in the manner and pursuant to the method so requested by the Trustee. Any Special Assessments that are not collected pursuant to the Uniform Method shall be billed directly to the applicable Landowner and be payable not later than thirty (30) days prior to each Interest Payment Date.

SECTION 9.05. Delinquent Special Assessments. Subject to the provisions of Section 9.04 hereof, if the owner of any lot or parcel of land assessed for a particular Project shall be delinquent in the payment of any Special Assessment, then such Special Assessment shall be enforced pursuant to the provisions of Chapter 197, Florida Statutes, or any successor statute thereto, including but not limited to the sale of tax certificates and tax deeds as regards such delinquent Special Assessment. In the event the provisions of Chapter 197, Florida Statutes, and any provisions of the Act with respect to such sale are inapplicable by operation of law, then upon the delinquency of any Special Assessment the Issuer shall, to the extent permitted by law, utilize any other method of enforcement as provided by Section 9.04 hereof, including, without limitation, declaring the entire unpaid balance of such Special Assessment to be in default and, at its own expense, cause such delinquent property to be foreclosed, pursuant to the provisions of Section 170.10, Florida Statutes, in the same method now or hereafter provided by law for the foreclosure of mortgages on real estate and Sections 190.026 and 170.10, Florida Statutes, or otherwise as provided by law. The Issuer covenants not to use the provisions of Chapter 173, Florida Statutes.

SECTION 9.06. Sale of Tax Certificates and Issuance of Tax Deeds; Foreclosure of Special Assessment Liens. If the Special Assessments levied and collected under the Uniform Method described in Section 9.04 are delinquent, then the applicable procedures for issuance and sale of tax certificates and tax deeds for nonpayment shall be followed in accordance with Chapter 197, Florida Statutes and related statutes. Alternatively, if the Uniform Method is not utilized, and if any property shall be offered for sale for the nonpayment of any Special Assessment, and no person or persons shall purchase the same for an amount at least equal to the full amount due on the Special Assessment (principal, interest, penalties and costs, plus attorneys' fees, if any), the property may then be purchased by the Issuer, to the extent the Issuer has available funds, for an amount equal to the balance due on the Special Assessment (principal, interest, penalties and costs, plus attorneys' fees, if any), and the Issuer shall thereupon receive, in its corporate name or in the name of a special purpose entity nominee of the Issuer, the title to the property for the benefit of the Registered Owners. The Issuer, either through its own actions or actions caused to be done through the Trustee, shall have the power and shall use its best efforts to lease or sell such property and deposit all of the net proceeds of any such lease or sale

into the related Series Account of the Revenue Fund. Not less than ten (10) days prior to the filing of any foreclosure action or any sale of tax deed as herein provided, the Issuer shall cause written notice thereof to be mailed to the Registered Owners of the Series of Bonds secured by such delinquent Special Assessments. Not less than thirty (30) days prior to the proposed sale of any lot or tract of land acquired by foreclosure by the Issuer, it shall give written notice thereof to such Registered Owners. The Issuer, either through its own actions or actions caused to be done through the Trustee, agrees that it shall be required to take the measure provided by law for sale of property acquired by it as trustee for the Registered Owners within thirty (30) days after the receipt of the request therefor signed by the Registered Owners of at least twenty-five percent (25%) of the aggregate principal amount of all Outstanding Bonds of the Series payable from Special Assessments assessed on such property. If directed by an owner of at least twenty-five percent (25%) of the Bonds Outstanding or if the Trustee or the Issuer shall so elect, the Issuer and the Trustee may place title of property received upon foreclosure or deed in lieu of foreclosure into a special purpose entity controlled by the Trustee or such other entity acceptable to the Registered Holders of a majority of the Bonds of a Series so effected by such foreclosure, for the benefit of the Registered Owners. If the Issuer determines, after consultation with District Counsel, that there is an obligated person, as defined under the Rule, then in addition to the Issuer, the decision to file a foreclosure action shall be made by at least twenty-five percent (25%) of the Holders of the Bonds so secured by the delinquent Special Assessments and such decision shall be communicated to the Issuer and Trustee in writing.

SECTION 9.07. Books and Records with Respect to Special Assessments. In addition to the books and records required to be kept by the Issuer pursuant to the provisions of Section 9.17 hereof, the Issuer shall keep books and records for the collection of the Special Assessments on the District Lands, which such books, records and accounts shall be kept separate and apart from all other books, records and accounts of the Issuer. The District Manager or the District Manager's designee, at the end of each Fiscal Year, shall prepare a written report setting forth the collections received, the number and amount of delinquencies, the proceedings taken to enforce collections and cure delinquencies and an estimate of time for the conclusion of such legal proceedings. As soon as practicable after such audit shall become available, a copy of such audit shall be mailed to any Registered Owner upon its written request.

SECTION 9.08. Removal of Special Assessment Liens. Except as otherwise provided in a Supplemental Indenture with respect to a related Series of Bonds, the following procedures shall apply in connection with the removal of Special Assessment liens:

(a) At any time from the date of levy of Special Assessments on a parcel of District Lands through the date that is thirty (30) days after the related Project has been completed and the Board has adopted a resolution accepting such Project as provided by Section 170.09, Florida Statutes, as amended, any owner of property subject to the Special Assessments may, at its option, require the Issuer to release and extinguish the lien upon its property by virtue of the levy of the Special Assessments that relate to a Series of Bonds by paying to the Issuer the entire amount of such Special Assessment on such property, without interest. The Issuer shall promptly notify the Trustee in writing of any Prepayment made under such circumstances. Accrued interest on the principal amount of any Bonds that would be redeemed as a result of such Prepayment made within thirty (30) days after the Board has adopted a resolution accepting the Project shall be derived from moneys on deposit in the Capitalized Interest Account and, if

no moneys remain, from moneys on deposit in the Interest Account, and, if no moneys remain therein, from moneys on deposit in the Debt Service Reserve Account.

Upon receipt of a Prepayment as described in the immediately preceding paragraph, the Issuer shall immediately, but in any event within two (2) Business Days following the receipt of such Prepayment moneys, pay the amount so received to the Trustee, and the Issuer shall take such action as is necessary to record in the official records of the Issuer that the Special Assessment has been paid in full or in part and that such Special Assessment lien is thereby released and extinguished if paid in full or such Special Assessment lien shall be reduced if the Landowner only made a partial Prepayment. Upon receipt of any such moneys from the Issuer the Trustee shall immediately deposit the same into the Bond Redemption Fund to be applied to the redemption of Bonds in accordance with Section 8.01(b)(i) hereof. In connection with such Prepayment, the Trustee shall calculate the credit authorized pursuant to Section 6.05 hereof, and transfer such credit to the Bond Redemption Fund to be used together with such Prepayment for the redemption of Bonds in accordance with Section 8.01(b)(i) hereof.

(b) Notwithstanding the foregoing, and consistent with the proceedings of the Issuer relating to the imposition and levy of the Special Assessments, any Landowner may at any time require the Issuer to release and extinguish the lien upon its property by virtue of the levy of the Special Assessments by paying to the Issuer the entire amount of the Special Assessment, plus accrued interest to the next succeeding Interest Payment Date (or the second succeeding Interest Payment Date if such prepayment is made within forty (40) calendar days before an Interest Payment Date), attributable to the property subject to Special Assessment owned by such owner.

(c) Upon receipt of a Prepayment as described in (a) and (b) above, the Issuer shall immediately pay the amount so received to the Trustee, and the Issuer shall take such action as is necessary to record in the official records of the Issuer that the Special Assessment has been paid or otherwise satisfied and that such Special Assessment lien is thereby released and extinguished. Except as otherwise provided by a Supplemental Indenture, upon receipt of any such moneys from the Issuer the Trustee shall immediately deposit the same into the applicable Series Account within the Bond Redemption Fund to be applied to the redemption of Bonds in accordance with Section 8.01(b)(i) or (ii) hereof, as the case may be.

SECTION 9.09. Deposit of Special Assessments. The Issuer covenants to cause any Special Assessments collected or otherwise received by it to be deposited with the Trustee within five (5) Business Days after receipt thereof for deposit into the related Series Account of the Revenue Fund (except that amounts received as Prepayments of Special Assessments shall be designated by the Issuer as such upon delivery to the Trustee and shall be deposited directly into the related Series Account within the Bond Redemption Fund).

SECTION 9.10. Construction to be on District Lands. The Issuer covenants that no part of the Project will be constructed on, over or under lands other than (i) lands good and marketable title to which is owned by the Issuer or other appropriate entity in fee simple, (ii) lands on, over or under which the Issuer or other appropriate entity shall have acquired perpetual easements for the purposes of the Project, or (iii) lands, including public streets and highways, the right to the use and occupancy of which for such purposes shall be vested in the

Issuer or other appropriate entity by law or by valid franchises, licenses, easements or rights of way or other legally effective permissions or approval.

SECTION 9.11. Operation, Use and Maintenance of Project. The Issuer shall establish and enforce reasonable rules and regulations governing the use of the Project owned by the Issuer, and the operation thereof, such rules and regulations to be adopted in accordance with the Act, and the Issuer shall operate, use and maintain the Project owned by the Issuer in accordance with the Act and all other applicable federal and State laws, rules and regulations; the Issuer shall maintain and operate the Project owned by the Issuer in an efficient and economical manner, shall at all times maintain the same in good repair and in sound operating condition and shall make all necessary repairs, renewals and replacements.

SECTION 9.12. Observance of and Compliance with Valid Requirements. The Issuer shall pay all municipal or governmental charges lawfully levied or assessed upon any Project or any part thereof or upon any revenues when the same shall become due, and the Issuer shall duly observe and comply with all valid requirements of any municipal or governmental authority relative to the Project. The Issuer shall not, except as otherwise permitted in Sections 9.23 and 9.24 of this Article, create or suffer to be created any lien or charge upon any Project or upon Pledged Revenues, except the lien and charge of the Bonds on the Pledged Revenues.

SECTION 9.13. Payment of Operating or Maintenance Costs by State or Others. The Issuer may permit the United States of America, the State, the County, the City or any of their agencies, departments or political subdivisions to pay all or any part of the cost of maintaining, repairing and operating the Project out of funds other than Pledged Revenues.

SECTION 9.14. Public Liability and Property Damage Insurance; Maintenance of Insurance; Use of Insurance and Condemnation Proceeds.

(a) Except as otherwise provided in subsection (d) of this Section, the Issuer will carry or cause to be carried, in respect of each Project, comprehensive general liability insurance (covering bodily injury and property damage) issued by one or more insurance companies authorized and qualified to do business under the laws of the State, in such amounts as is customary for similar operations, or as is more specifically set forth herein below.

(b) At all times, to the extent commercially available, the Issuer shall maintain a practical insurance program, with reasonable terms, conditions, provisions and costs which the District Manager determines will afford adequate protection against loss caused by damage to or destruction of any component of the Project owned by the Issuer. Limits for such coverage will be subject to the Consulting Engineer's recommendations which are to be provided in an annual report, as required by Section 9.21 hereof. The Issuer shall also, at all times, maintain a practical comprehensive general liability insurance program with respect to the Project for such coverage, with such reasonable terms, conditions, provisions and costs as the District Manager determines will afford adequate protection against bodily injury and property damage.

All insurance policies of the Issuer relating to the Project shall be carried with companies authorized to do business in the State, with a Best rating of no less than "A" as to management and Class "V" as to financial strength; provided, however, that if, in the opinion of the District

Manager, adequate insurance protection under reasonable terms, conditions, provisions and cost cannot be purchased from an insurance company with the above-designated ratings, then the District Manager, on behalf of the Issuer, may secure such insurance protection as the Issuer determines to be in its best interests and otherwise consistent with this Master Indenture and any Supplemental Indenture; provided further, however, that the Issuer may act as a self-insurer in accordance with the requirements of subsection (d) hereof. All policies providing the insurance coverages required by this Section shall designate the Issuer as the loss-payee and shall be made payable to the Issuer.

(c) All proceeds received from property damage or destruction insurance and all proceeds received from the condemnation of the Project or any part thereof are hereby pledged by the Issuer as security for the related Series of Bonds and shall be deposited at the option of the Issuer, but subject to the limitations hereinafter described, either (i) into a separate subaccount within the Acquisition and Construction Fund to be established by the Trustee for such purpose, and used to remedy the loss, damage or taking for which such proceeds are received, either by repairing the damaged property or replacing the destroyed or taken property, as soon as practicable after the receipt of such proceeds, or (ii) into the related Series Account within the Bond Redemption Fund for the purpose of purchasing or redeeming Bonds according to the provisions set forth in Article VIII hereof. The Issuer shall not be entitled to deposit insurance proceeds or condemnation awards into the separate fund described above in clause (i) of this paragraph (and such proceeds and awards shall be deposited directly into the related Series Account within the Bond Redemption Fund pursuant to clause (ii) of this paragraph) unless there shall have been filed with the Issuer within a reasonable time after the damage, destruction or condemnation (A) a certificate from the Consulting Engineer that the proceeds of the insurance or condemnation awards deposited into such separate fund, together with other funds available for such purposes, will be sufficient to repair, rebuild, replace or restore such property to substantially the same condition as it was in prior to its damage, destruction or condemnation (taking into consideration any changes, alterations and modifications that the Issuer may desire), (B) an opinion from the Consulting Engineer that the Project can be repaired, rebuilt, replaced or restored within two (2) years following the damage, destruction or condemnation thereof and (C) an opinion of the Consulting Engineer that, in each of the three (3) Fiscal Years following completion of such repair, rebuilding, replacement or restoration, the Issuer will be in compliance with its obligations hereunder. If the certificate described in clause (A) of this paragraph is not rendered because such proceeds or awards are insufficient for such purposes, the Issuer may deposit any other legally available funds in such separate fund in an amount required to enable the Consulting Engineer to render its certificate. If the insurance proceeds or condemnation awards deposited in such separate fund are more than sufficient to repair the damaged property or to replace the destroyed or taken property, the balance thereof remaining shall be deposited to the credit of the related Series Account in the Revenue Fund.

(d) The Issuer shall be entitled to provide all or a portion of the insurance coverage required by subsections (a) and (b) of this Section through Qualified Self Insurance, provided that the requirements hereinafter set forth in this subsection (d) are satisfied. "Qualified Self Insurance" means insurance maintained through a program of self insurance or insurance maintained with a company or association in which the Issuer has a material interest or of which the Issuer has control, either singly or with others.

Each plan of Qualified Self Insurance shall be in written form, shall provide that upon the termination of such plan reserves will be established or insurance acquired in amounts adequate to cover any potential retained liability in respect of the period of self insurance, and shall be reviewed annually by the District Manager or registered actuary who shall deliver to the Issuer a report on the adequacy of the reserves established thereunder in light of claims made. If the District Manager or registered actuary determines that such reserves are inadequate in light of the claims made, he shall make recommendations as to the amount of reserves that should be established and maintained, and the Issuer shall comply with such recommendations.

(e) Copies of all recommendations and approvals made by the Consulting Engineer under the provisions of this Section shall be filed with the District Manager.

SECTION 9.15. Collection of Insurance Proceeds. Copies of all insurance policies referred to in Section 9.14 of this Article shall be available at the offices of the Issuer at all reasonable times to the inspection of the Holders of the Bonds and their agents and representatives duly authorized in writing. The Issuer covenants that it will take such action as may be necessary to demand, collect and sue for any insurance money which may become due and payable under any policy of insurance required under this Master Indenture or any Supplemental Indenture, whether such policy is payable to the Issuer or to the Trustee. The Trustee is hereby authorized in its own name to demand, collect, sue and receive any insurance money which may become due and payable under any policies payable to it.

Any appraisal or adjustment of any loss or damage under any policy of insurance required under the Indenture, whether such policy is payable to the Issuer or to the Trustee, and any settlement or payment of indemnity under any such policy which may be agreed upon by the Issuer and any insurer shall be evidenced by a certificate, signed by the District Manager approved by the Consulting Engineer, and filed with the Trustee. The Trustee shall in no way be liable or responsible for the collection of insurance moneys in case of any loss or damage.

SECTION 9.16. Use of Revenues for Authorized Purposes Only. None of the Pledged Revenues shall be used for any purpose other than as provided in this Master Indenture and the related Supplemental Indenture and no contract or contracts shall be entered into or any action taken by the Issuer or the Trustee which will be inconsistent with the provisions of this Master Indenture and the related Supplemental Indenture.

SECTION 9.17. Books, Records and Annual Reports. The Issuer shall keep proper books of record and account in accordance with Generally Accepted Accounting Principles (separate from all other records and accounts) consistently applied and consistent with the provisions of this Master Indenture and any Supplemental Indenture, in which complete and correct entries shall be made of its transactions relating to the Project, and which, together with all other books and records of the Issuer, including, without limitation, insurance policies, relating to the Project, shall at all times be subject during regular business hours to the inspection of the Trustee.

SECTION 9.18. [Reserved].

SECTION 9.19. Employment of Certified Public Accountant. The Issuer shall employ or cause to be employed as required a Certified Public Accountant to perform accounting and auditing functions and duties required by the Act and this Master Indenture and any Supplemental Indenture.

SECTION 9.20. Establishment of Fiscal Year, Annual Budget. The Issuer has established a Fiscal Year beginning October 1 of each year and ending September 30 of the following year. The reports and budget of the Issuer shall relate to such Fiscal Year unless and until, in accordance with applicable law, a different Fiscal Year is established by Certified Resolution of the Issuer and is filed with the Trustee.

On or before the first day of each Fiscal Year the Issuer shall adopt a final Annual Budget with respect to the Project for such Fiscal Year for the payment of anticipated operating and maintenance expenses and shall supply a copy of such budget promptly upon the approval thereof to any Bondholders who shall have so requested in writing and shall have filed their names and addresses with the Secretary of the Board for such purpose. If for any reason the Issuer shall not have adopted the Annual Budget with respect to the Project on or before the first day of any Fiscal Year, the Annual Budget for the preceding Fiscal Year shall, until the adoption of the new Annual Budget, be deemed in force for the ensuing Fiscal Year. The Issuer may at any time adopt an amended or supplemental Annual Budget for the remainder of the current Fiscal Year, and when such amended or supplemental Annual Budget is approved it shall be treated as the official Annual Budget under this Master Indenture and any Supplemental Indenture. Copies of such amended or supplemental Annual Budget shall be mailed by the Issuer to any Bondholders who shall have so requested in writing and shall have filed their names and addresses with the Secretary of the Board for such purpose.

SECTION 9.21. Employment of Consulting Engineer; Consulting Engineer's Report.

(a) The Issuer shall, for the purpose of performing and carrying out the duties imposed on the Consulting Engineer by this Master Indenture and any Supplemental Indenture, employ one or more Independent engineers or engineering firms or corporations having a statewide and favorable reputation for skill and experience in such work.

(b) The Issuer shall cause the Consulting Engineer to make an inspection of any portions of the Project owned by the Issuer at least once in each Fiscal Year and, on or before the first day of July in each Fiscal Year, to submit to the Board a report setting forth (i) its findings as to whether such portions of the Project owned by the Issuer have been maintained in good repair, working order and condition, (ii) its recommendations as to the proper maintenance, repair and operation of the Project during the ensuing Fiscal Year and an estimate of the amount of money necessary for such purpose and (iii) the insurance to be carried under the provisions of Section 9.14 hereof and the amount that should be set aside monthly for the purpose of paying insurance premiums which fall due less often than monthly.

Promptly after the receipt of such reports by the Issuer, copies thereof shall be mailed by the Issuer to all Bondholders who shall have filed their names and addresses with the Secretary of the Board for such purpose.

SECTION 9.22. Audit Reports. The Issuer covenants to keep accurate records and books of account with respect to the Project, and covenants that, no later than 270 days after the end of each Fiscal Year, it will cause an audit to be made by a Certified Public Accountant covering all receipts and moneys then on deposit with or in the name of the Trustee or the Issuer and any security held therefor and any investments thereof. Copies of such audit reports shall be filed with the District Manager and the Secretary of the Board, and mailed by said Secretary to the Consulting Engineer and to all Bondholders who shall have filed their names and addresses with him for such purpose.

SECTION 9.23. Covenant Against Sale or Encumbrance; Exceptions. The Issuer covenants that, (a) except for those improvements comprising the Project that are to be conveyed by the Issuer to the City, the County, the State Department of Transportation or another governmental entity, as to which no assessments of the Issuer will be imposed and (b) except as in this Section permitted, it will not sell, lease or otherwise dispose of or encumber the Project, or any part thereof. Subject to the provisions of Section 9.29 hereof, the Issuer may, however, from time to time, sell any machinery, fixtures, apparatus, tools, instruments or other movable property acquired by it from the proceeds of a Series of Bonds or from Pledged Revenues if the District Manager shall determine, with the approval of the Consulting Engineer, that such items are no longer needed or are no longer useful in connection with the construction, maintenance and operation of the related Project, and the proceeds thereof shall be applied to the replacement of the properties so sold or disposed of or, at the written direction of the Issuer shall be deposited to the credit of the related Series Account in the Acquisition and Construction Fund.

Upon any sale of property relating to the Project, the aggregate of which in any thirty (30) day period exceeds Fifty Thousand Dollars (\$50,000) under the provisions of this Section, the Issuer shall provide written notice to the Trustee of the property so sold and the amount and disposition of the proceeds thereof.

Subject to obtaining an opinion of Bond Counsel that such action will not adversely affect the exclusion of interest on the Bonds for federal income tax purposes, the Issuer may lease or grant easements, franchises or concessions for the use of any part of the Project not incompatible with the maintenance and operation thereof, if the Consulting Engineer shall approve such lease, easement, franchise or concession in writing, and the net proceeds of any such lease, easement, franchise or concession (after the making of provision for payment from said proceeds of all costs incurred in financing, constructing, operating, maintaining or repairing such leases, easements, franchises or concessions) shall be deposited as received to the credit of related Series Account in the Acquisition and Construction Fund.

SECTION 9.24. No Loss of Lien on Pledged Revenue. The Issuer shall not do or omit to do, or suffer to be done or omit to be done, any matter or thing whatsoever whereby the lien of the Bonds on the Pledged Revenues or any part thereof, or the priority thereof, would be lost or impaired; provided, however, that this Section shall not prohibit the Trustee from transferring moneys to the Rebate Fund held by the Trustee under any arbitrage rebate agreement.

SECTION 9.25. Compliance With Other Contracts and Agreements. The Issuer shall comply with and abide by all of the terms and conditions of any and all contracts and agreements which the Issuer enters into in connection with the Project and the issuance of the Bonds.

SECTION 9.26. Issuance of Additional Obligations. The Issuer shall not issue any obligations other than the Bonds payable from Pledged Revenues, nor voluntarily create or cause to be created any debt, lien, pledge, assignment, encumbrance or other charge, payable from Pledged Revenues, except in the ordinary course of business.

SECTION 9.27. Extension of Time for Payment of Interest Prohibited. The Issuer shall not directly or indirectly extend or assent to an extension of time for payment of any claim for interest on any of the Bonds and shall not directly or indirectly be a party to or approve any arrangement therefor by purchasing or funding or in any manner keeping alive any such claim for interest; no claim for interest which in any way, at or after maturity, shall have been transferred or pledged apart from the Bonds to which it relates or which shall in any manner have been kept alive after maturity by extension or by purchase thereof by or on behalf of the Issuer, shall be entitled, in case of a default hereunder, to any benefit or security under this Master Indenture and any Supplemental Indenture except after the prior payment in full of the principal of all Bonds and claims for interest appertaining thereto not so transferred, pledged, kept alive or extended.

SECTION 9.28. Further Assurances. The Issuer shall not enter into any contract or take any action by which the rights of the Trustee or the Bondholders may be impaired and shall, from time to time, execute and deliver such further instruments and take such further action as may be required to carry out the purposes of this Master Indenture and any Supplemental Indenture.

SECTION 9.29. Use of Bond Proceeds to Comply with Internal Revenue Code. The Issuer covenants to the Holders of the Bonds that it will not make or direct the making of any investment or other use of the proceeds of any Bonds issued hereunder, the interest on which is intended to be excluded from gross income for federal income tax purposes ("Tax-Exempt Bonds") which would cause such Bonds to be "arbitrage bonds" as that term is defined in Section 148 of the Code or "private activity bonds" as that term is defined in Section 141, of the Code, and that it will comply with the requirements of such Code sections and related regulations throughout the term of such Tax-Exempt Bonds. The Issuer hereby further covenants and agrees to comply with the procedures and covenants contained in any Arbitrage Certificate executed in connection with the issuance of each Series of Tax-Exempt Bonds for so long as compliance is necessary in order to maintain the exclusion from gross income for federal income tax purposes of interest on each Series of Tax-Exempt Bonds.

SECTION 9.30. Corporate Existence and Maintenance of Properties. For so long as any Bonds are Outstanding hereunder, unless otherwise provided by the Act, the Issuer shall maintain its corporate existence as a local unit of special purpose government under the Act and shall provide for or otherwise require all Projects, and all parts thereof owned by the Issuer to be (a) continuously operated, repaired, improved and maintained as shall be necessary to provide adequate service to the lands benefited thereby; and (b) in compliance with all valid and applicable laws, acts, rules, regulations, permits, orders, requirements and directions of any competent public authority.

SECTION 9.31. Bankruptcy or Insolvency of Landowner. For purposes of this Section 9.31, (a) each Series of Bonds secured by and payable from Special Assessments levied against

property owned by any Insolvent Taxpayer (defined below) are collectively referred to herein as the "Affected Bonds" and (b) the Special Assessments levied against any Insolvent Taxpayer's property and pledged under one or more Supplemental Indentures as security for the Affected Bonds are collectively referred to herein as the "Affected Special Assessments".

The provisions of this Section 9.31 shall be applicable both before and after the commencement, whether voluntary or involuntary, of any case, proceeding or other action by or against any owner of any tax parcel subject to the Affected Special Assessments (an "Insolvent Taxpayer") under any existing or future law of any jurisdiction relating to bankruptcy, insolvency, reorganization, assignment for the benefit of creditors, or relief of debtors (a "Proceeding"). For as long as any Affected Bonds remain Outstanding, in any Proceeding involving the Issuer, any Insolvent Taxpayer, the Affected Bonds or the Affected Special Assessments, the Issuer shall be obligated to act in accordance with any direction from the Trustee with regard to all matters directly or indirectly affecting at least three percent (3%) of the Outstanding aggregate principal amount of the Affected Bonds or for as long as any Affected Bonds remain Outstanding, in any proceeding involving the Issuer, any Insolvent Taxpayer, the Affected Bonds or the Affected Special Assessments or the Trustee. The Issuer agrees that it shall not be a defense to a breach of the foregoing covenant that it has acted upon advice of counsel in not complying with this covenant.

The Issuer acknowledges and agrees that, although the Affected Bonds were issued by the Issuer, the Owners of the Affected Bonds are categorically the party with the ultimate financial stake in the transaction and, consequently, the party with a vested and pecuniary interest in a Proceeding. In the event of any Proceeding involving any Insolvent Taxpayer: (a) the Issuer hereby agrees that it shall follow the direction of the Trustee in making any election, giving any consent, commencing any action or filing any motion, claim, obligation, notice or application or in taking any other action or position in any Proceeding or in any action related to a Proceeding that affects, either directly or indirectly, the Affected Special Assessments, the Affected Bonds or any rights of the Trustee under the Indenture; (b) the Issuer hereby agrees that it shall not make any election, give any consent, commence any action or file any motion, claim, obligation, notice or application or take any other action or position in any Proceeding or in any action related to a Proceeding that affects, either directly or indirectly, the Affected Special Assessments, the Affected Bonds or any rights of the Trustee under the Indenture that is inconsistent with any direction from the Trustee; (c) to the extent permitted by law, the Trustee shall have the right, but is not obligated to, (i) vote in any such Proceeding any and all claims of the Issuer, or (ii) file any motion, pleading, plan or objection in any such Proceeding on behalf of the Issuer, including without limitation, motions seeking relief from the automatic stay, dismissal the Proceeding, valuation of the property belonging to the Insolvent Taxpayer, termination of exclusivity, and objections to disclosure statements, plans of liquidation or reorganization, and motions for use of cash collateral, seeking approval of sales or post-petition financing. If the Trustee chooses to exercise any such rights, the Issuer shall be deemed to have appointed the Trustee as its agent and granted to the Trustee an irrevocable power of attorney coupled with an interest, and its proxy, for the purpose of exercising any and all rights and taking any and all actions available to the Issuer in connection with any Proceeding of any Insolvent Taxpayer, including without limitation, the right to file and/or prosecute any claims, to propose and prosecute a plan, to vote to accept or reject a plan, and to make any election under Section 1111(b) of the Bankruptcy Code and (d) the Issuer shall not challenge the validity or amount of

any claim submitted in such Proceeding by the Trustee in good faith or any valuations of the lands owned by any Insolvent Taxpayer submitted by the Trustee in good faith in such Proceeding or take any other action in such Proceeding, which is adverse to Trustee's enforcement of the Issuer claim and rights with respect to the Affected Special Assessments or receipt of adequate protection (as that term is defined in the Bankruptcy Code). Without limiting the generality of the foregoing, the Issuer agrees that the Trustee shall have the right (i) to file a proof of claim with respect to the Affected Special Assessments, (ii) to deliver to the Issuer a copy thereof, together with evidence of the filing with the appropriate court or other authority, and (iii) to defend any objection filed to said proof of claim.

SECTION 9.32. Continuing Disclosure. The Issuer hereby covenants and agrees that it will comply with and carry out all of the provisions of the Continuing Disclosure Agreement. Notwithstanding any other provision of this Master Indenture and any Supplemental Indenture, failure of the Issuer or the Developer (if obligated pursuant to the Continuing Disclosure Agreement) to comply with the Continuing Disclosure Agreement shall not be considered an Event of Default; however, the Trustee may (and, at the request of any participating underwriter or the Holders of at least 25% aggregate principal amount in Outstanding Bonds of a Series and receipt of indemnity to its satisfaction, shall) or any Holder of the Bonds or Beneficial Owner may take such actions as may be necessary and appropriate, including seeking specific performance by court order, to cause the Issuer to comply with its obligations under this Section 9.32. For purposes of this Section, "Beneficial Owner" means any person which (a) has the power, directly or indirectly, to vote or consent with respect to, or to dispose of ownership of, any Bonds (including persons holding Bonds through nominees, depositories or other intermediaries), or (b) is treated as the owner of any Bonds for federal income tax purposes.

ARTICLE X EVENTS OF DEFAULT AND REMEDIES

SECTION 10.01. Events of Default and Remedies. Except to the extent otherwise provided in the Supplemental Indenture authorizing a Series of Bonds, events of default and remedies with respect to each Series of Bonds shall be as set forth in this Master Indenture.

SECTION 10.02. Events of Default Defined. Each of the following shall be an "Event of Default" under the Indenture, with respect to a Series of Bonds:

(a) if payment of any installment of interest on any Bond of such Series is not made when it becomes due and payable; or

(b) if payment of the principal or Redemption Price of any Bond of such Series is not made when it becomes due and payable at maturity or upon call or presentation for redemption; or

(c) if the Issuer, for any reason, fails in, or is rendered incapable of, fulfilling its obligations under the Indenture or under the Act, as determined by the Majority Holder of such Series of Bonds; or

(d) if the Issuer proposes or makes an assignment for the benefit of creditors or enters into a composition agreement with all or a material part of its creditors, or a trustee, receiver, executor, conservator, liquidator, sequestrator or other judicial representative, similar or dissimilar, is appointed for the Issuer or any of its assets or revenues, or there is commenced any proceeding in liquidation, bankruptcy, reorganization, arrangement of debts, debtor rehabilitation, creditor adjustment or insolvency, local, state or federal, by or against the Issuer and if such is not vacated, dismissed or stayed on appeal within ninety (90) days; or

(e) if the Issuer defaults in the due and punctual performance of any other covenant in the Indenture or in any Bond of such Series issued pursuant to the Indenture and such default continues for sixty (60) days after written notice requiring the same to be remedied shall have been given to the Issuer by the Trustee, which may give such notice in its discretion and shall give such notice at the written request of the Majority Holder of the Outstanding Bonds of such Series; provided, however, that if such performance requires work to be done, actions to be taken, or conditions to be remedied, which by their nature cannot reasonably be done, taken or remedied, as the case may be, within such sixty (60) day period, no Event of Default shall be deemed to have occurred or exist if, and so long as the Issuer shall commence such performance within such sixty (60) day period and shall diligently and continuously prosecute the same to completion; or

(f) written notice shall have been received by the Trustee from a Credit Facility Issuer securing Bonds of such Series that an event of default has occurred under the Credit Facility Agreement, or there shall have been a failure by said Credit Facility Issuer to make said Credit Facility available or to reinstate the interest component of said Credit Facility in accordance with the terms of said Credit Facility, to the extent said notice or failure is established as an event of default under the terms of a Supplemental Indenture; or

(g) if at any time the amount in the Debt Service Reserve Fund or any account therein is less than the Debt Service Reserve Requirement as a result of the Trustee withdrawing an amount therefrom to pay debt service on any Series of Bonds and such amount has not been restored within ninety (90) days of such withdrawal; or

(h) if, at any time after eighteen months following issuance of the related series of Bonds, more than twenty percent (20%) of the "maintenance special assessments" levied by the Issuer on the District Lands upon which the Special Assessments are levied to secure one or more Series of Bonds pursuant to Section 190.021(3), Florida Statutes, as amended, and collected directly by the District have become due and payable and have not been paid, when due.

The Trustee shall not be required to rely on any official action, admission or declaration by the Issuer before recognizing that an Event of Default under (c) above has occurred.

SECTION 10.03. No Acceleration; Redemption. No Series of Bonds issued under this Master Indenture shall be subject to acceleration. Upon occurrence and continuance of an Event of Default, no optional redemption or extraordinary mandatory redemption of the Bonds pursuant to Article VIII hereof shall occur unless all of the Bonds of the Series where an Event of Default has occurred will be redeemed or if 100% of the Holders of such Series of Bonds

agree to such redemption. Provided however nothing in this Section 10.03 shall prevent a pro rata default distribution pursuant to Section 10.12 herein.

SECTION 10.04. Foreclosure of Assessment Lien. Notwithstanding Section 9.06 of this Master Indenture or any other provision of this Master Indenture to the contrary, the following provisions shall apply with respect to the Special Assessments securing a Series of Bonds and such Series of Bonds.

If any property shall be offered for sale for the nonpayment of any Special Assessment and no person or persons shall purchase such property for an amount equal to the full amount due on the Special Assessments (principal, interest, penalties and costs, plus attorneys' fees, if any), the property may then be purchased by the Issuer for an amount equal to the balance due on the Special Assessments (principal, interest, penalties and costs, plus attorneys' fees, if any), from any legally available funds of the Issuer and the Issuer shall receive in its corporate name or in the name of a special purpose entity title to the property for the benefit of the Owners of the applicable Series of Bonds; provided that the Trustee shall have the right, acting at the written direction of the Majority Holder, but shall not be obligated, to direct the Issuer with respect to any action taken pursuant to this Section. The Issuer, either through its own actions, or actions caused to be taken through the Trustee, shall have the power and shall lease or sell such property, and deposit all of the net proceeds of any such lease or sale into the Revenue Account. The Issuer, either through its own actions, or actions caused to be taken through the Trustee, agrees that it shall be required to take the measures provided by law for sale of property acquired by it as Trustee for the Owners of the applicable Series of Bonds within sixty (60) days after the receipt of the request therefor signed by the Trustee or the Majority Holder.

SECTION 10.05. Legal Proceedings by Trustee. If any Event of Default with respect to a Series of Bonds has occurred and is continuing, the Trustee, in its discretion may, and upon the written request of the Majority Holder of the Outstanding Bonds of such Series and receipt of indemnity to its satisfaction shall, in its own name:

- (a) by mandamus, or other suit, action or proceeding at law or in equity, enforce all rights of the Holders of the Bonds of such Series, including, without limitation, the right to require the Issuer to carry out any agreements with, or for the benefit of, the Bondholders of the Bonds of such Series and to perform its or their duties under the Act;
- (b) bring suit upon the Series of Bonds;
- (c) by action or suit in equity require the Issuer to account as if it were the trustee of an express trust for the Holders of the Bonds of such Series;
- (d) by action or suit in equity enjoin any acts or things which may be unlawful or in violation of the rights of the Holders of the Bonds of such Series; and
- (e) by other proceeding in law or equity, exercise all rights and remedies provided for by any other document or instrument securing such Series of Bonds.

SECTION 10.06. Discontinuance of Proceedings by Trustee. If any proceeding taken by the Trustee on account of any Event of Default is discontinued or is determined adversely to the

Trustee, the Issuer, the Trustee, the Paying Agent and the Bondholders shall be restored to their former positions and rights hereunder as though no such proceeding had been taken.

SECTION 10.07. Bondholders May Direct Proceedings. Subject to Section 10.08 below, the Majority Holder of the Outstanding Bonds of a Series then subject to remedial proceedings under this Article X shall have the right to direct the method and place of conducting all remedial proceedings by the Trustee under the Indenture, provided that such directions shall not be otherwise than in accordance with law or the provisions of the Indenture.

SECTION 10.08. Limitations on Actions by Bondholders. No Bondholder shall have any right to pursue any remedy hereunder unless (a) the Trustee shall have been given written notice of an Event of Default, (b) the Majority Holder of the Outstanding Bonds of the applicable Series shall have requested the Trustee, in writing, to exercise the powers hereinabove granted or to pursue such remedy in its or their name or names, (c) the Trustee shall have been offered indemnity satisfactory to it against costs, expenses and liabilities (including attorneys' fees, costs and expenses), and (d) the Trustee shall have failed to comply with such request within a reasonable time.

SECTION 10.09. Trustee May Enforce Rights Without Possession of Bonds. All rights under the Indenture and a Series of Bonds may be enforced by the Trustee without the possession of any of the Bonds of such Series or the production thereof at the trial or other proceedings relative thereto, and any proceeding instituted by the Trustee shall be brought in its name for the ratable benefit of the Holders of the Bonds of such Series.

SECTION 10.10. Remedies Not Exclusive. Except as limited under Section 15.01 of this Master Indenture, no remedy contained in the Indenture with respect to a Series of Bonds is intended to be exclusive of any other remedy or remedies, and each remedy is in addition to every other remedy given hereunder or now or hereafter existing at law or in equity or by statute.

SECTION 10.11. Delays and Omissions Not to Impair Rights. No delay or omission in respect of exercising any right or power accruing upon any Event of Default shall impair such right or power or be a waiver of such Event of Default, and every remedy given by this Article X may be exercised from time to time and as often as may be deemed expedient.

SECTION 10.12. Application of Moneys in Event of Default. Any moneys received by the Trustee or the Paying Agent, as the case may be, in connection with any proceedings brought under this Article X with respect to a Series of Bonds shall be applied in the following order of priority:

(a) to the payment of the costs of the Trustee and Paying Agent incurred in connection with actions taken under this Article X with respect to such Series of Bonds, including counsel fees, costs and expenses and any disbursements of the Trustee and the Paying Agent and payment of unpaid fees owed to the Trustee, the Registrar or the Paying Agent.

(b) unless the principal of all the Bonds of such Series shall have become or shall have been declared due and payable:

FIRST, to payment of all installments of interest then due on the Bonds of such Series in the order of maturity of such installments of interest, and, if the amount available shall not be sufficient to pay in full any particular installment, then to the payment ratably, according to the amounts due on such installment, to the persons entitled thereto, without any preference or priority of one installment of interest over any other installment; and

SECOND, to payment to the persons entitled thereto of the unpaid principal or Redemption Price of any of the Bonds of such Series which shall have become due in the order of their due dates, with interest on such Bonds from the respective dates upon which they become due and, if the amount available shall not be sufficient to pay in full the principal or Redemption Price coming due on such Bonds on any particular date, together with such interest, then to the payment ratably, according to the amount of principal due on such date, to the persons entitled thereto without any preference or priority of one such Bond of a Series over another or of any installment of interest over another.

(c) if the principal of all Bonds of a Series shall have become or shall have been declared due and payable, to the payment of principal or Redemption Price (as the case may be) and interest then owing on the Bonds of such Series and in case such moneys shall be insufficient to pay the same in full, then to the payment of principal or Redemption Price and interest ratably, without preference or priority of one Bond of such Series over another or of any installment of interest over any other installment of interest.

Any surplus remaining after the payments described above shall be paid to the Issuer or to the Person lawfully entitled to receive the same or as a court of competent jurisdiction may direct.

For purposes of the application of moneys described above, to the extent payments of principal of and interest on a Series of Bonds shall have been made under a Credit Facility relating thereto, the Credit Facility Issuer shall be entitled to moneys in the related Series Accounts in the Debt Service Fund in accordance with the agreement pursuant to which such Credit Facility has been issued (but subject to subsection (a) hereof and Section 11.04 hereof) and the Certified Resolution of the Issuer authorizing the issuance of such Bonds to which such Credit Facility relates.

SECTION 10.13. Trustee's Right to Receiver; Compliance with Act. During the continuance of an Event of Default, the Trustee shall be entitled as of right to the appointment of a receiver and the Trustee, the Bondholders and any receiver so appointed shall have such rights and powers and be subject to such limitations and restrictions as are contained in the Act and other applicable law of the State. When the Trustee incurs costs or expenses (including legal fees, costs and expenses) or renders services after the occurrence of an Event of Default, such costs and expenses and the compensation for such services are intended to constitute expenses of administration under any federal or state bankruptcy, insolvency, arrangement, moratorium, reorganization or other debtor relief law.

SECTION 10.14. Trustee and Bondholders Entitled to all Remedies under Act. It is the purpose of this Article to provide such remedies to the Trustee and Bondholders as may be lawfully granted under the provisions of the Act and other applicable laws of the State; if any remedy herein granted shall be held unlawful, the Trustee and the Bondholders shall nevertheless be entitled to every other remedy provided by the Act and other applicable laws of the State. It is further intended that, insofar as lawfully possible, the provisions of this Article X shall apply to and be binding upon any receiver appointed in accordance with Section 10.13 hereof.

SECTION 10.15. Credit Facility Issuer's Rights Upon Events of Default. Anything in the Indenture to the contrary notwithstanding, if any Event of Default, other than Events of Default described in Section 10.02(a) or (b) hereof, has occurred and is continuing while a Credit Facility securing all or a portion of such Bonds of a Series Outstanding is in effect, the Credit Facility Issuer shall have the right, in lieu of the Owners of the Series of Bonds (or portion thereof) secured by said Credit Facility, by an instrument in writing, executed and delivered to the Trustee, to direct the time, method and place of conducting all remedial proceedings available to the Trustee under the Indenture, or exercising any trust or power conferred on the Trustee by the Indenture. Said direction shall be controlling to the extent the direction of Owners of the Series of Bonds (or portion thereof) secured by said Credit Facility would have been controlling under this Article. If the Credit Facility Issuer shall be in default in the performance of its obligations under the Credit Facility, said Credit Facility Issuer shall have no rights under this Section.

ARTICLE XI

THE TRUSTEE; THE PAYING AGENT AND REGISTRAR

SECTION 11.01. Acceptance of Trust. The Trustee accepts and agrees to execute the trusts hereby created, but only upon the additional terms set forth in this Article XI, to all of which the parties hereto the Bondholders and any Credit Facility Issuer agree. The Trustee shall act as Trustee under this Master Indenture. Subject to the provisions of Section 11.03 hereof, the Trustee shall have only such duties as are expressly set forth herein, and no duties shall be implied on the part of the Trustee. The Trustee further agrees to assist the Issuer in complying with the procedures and covenants of the Issuer contained in any arbitrage rebate agreement to which the Issuer is a party and which specifically pertain to the Trustee for so long as compliance is necessary in order to maintain the exclusion from gross income for federal income tax purposes of interest on the Bonds, to the extent applicable.

SECTION 11.02. No Responsibility for Recitals. The recitals, statements and representations in this Master Indenture or in the Bonds, save only the Trustee's Certificate of Authentication, if any, upon the Bonds, have been made by the Issuer and not by the Trustee and the Trustee shall be under no responsibility for the correctness thereof.

SECTION 11.03. Trustee May Act Through Agents; Answerable Only for Willful Misconduct or Negligence. The Trustee may execute any powers hereunder and perform any duties required of it through attorneys, agents, officers or employees, and shall be entitled to advice of Counsel concerning all questions hereunder and the advice of such Counsel or any opinion of Counsel shall be full and complete authorization and protection in respect of any action taken, suffered or omitted by the Trustee hereunder in good faith and in reliance thereon;

the Trustee shall not be answerable for the default or misconduct of any attorney or agent selected and supervised by it with reasonable care. The Trustee shall not be answerable for the exercise of any discretion or power under this Master Indenture and any Supplemental Indenture nor for anything whatever in connection with the trust hereunder, except only its own negligence or willful misconduct or breach of its obligations hereunder. The Trustee shall not be accountable for the use or application of any of the Bonds or the proceeds thereof or for the use or application of any money paid over by the Trustee in accordance with the provisions of this Indenture. The permissive right of the Trustee to do things enumerated in this Indenture shall not be construed as a duty. The Trustee shall have no responsibility with respect to any information, statement or recital in any official statement, offering memorandum or any other disclosure material prepared or distributed with respect to the Bonds and shall have no responsibility for compliance with any state or federal securities laws in connection with the Bonds. None of the provisions of this Indenture shall require the Trustee to expend or risk its own funds or otherwise to incur any liability, financial or otherwise, in the performance of any of its duties hereunder, or in the exercise of any of its rights or powers if it shall have reasonable grounds for believing that repayment of such funds or indemnity satisfactory to it against such risk or liability is not assured to it. The Trustee shall not be responsible or liable for any failure or delay in the performance of its obligations under this Indenture arising out of or caused, directly or indirectly, by circumstances beyond its reasonable control, including, without limitation, acts of God; earthquakes; fire; flood; hurricanes or other storms; wars; terrorism; similar military disturbances; sabotage; epidemic; pandemic; riots; interruptions, loss or malfunctions of utilities, computer (hardware or software) or communications services; accidents; labor disputes; acts of civil or military authority or governmental action; it being understood that the Trustee shall use commercially reasonable efforts which are consistent with accepted practices in the banking industry to resume performance as soon as reasonably practicable under the circumstances.

SECTION 11.04. Compensation and Indemnity. The Issuer shall pay the Trustee reasonable compensation for its services hereunder, and also all its reasonable expenses and disbursements, and shall, to the extent permitted by law, indemnify and hold the Trustee harmless against any liabilities which it may incur in the proper exercise and performance of its powers and duties hereunder, except with respect to its own willful misconduct, negligence or breach of its obligations hereunder. If the Issuer defaults in respect of the foregoing obligations, the Trustee may deduct the amount owing to it from any moneys held by the Trustee or coming into its hands but exclusive of the Rebate Fund and moneys from a drawing on any Credit Facility, which right of payment shall be prior to the right of the holders of the Bonds. The Trustee shall promptly provide to the Issuer a periodic report of any moneys the Trustee has deducted for amounts owing to it. This Section 11.04 shall survive the termination of this Master Indenture and any Supplemental Indenture and, as to any Trustee, its removal or resignation as Trustee. No provision of this Master Indenture shall require the Trustee to expend or risk its own funds.

SECTION 11.05. No Duty to Renew Insurance. The Trustee shall be under no duty to effect or to renew any insurance policy nor shall it incur any liability for the failure of the Issuer to require or effect or renew insurance or to report or file claims of loss thereunder.

SECTION 11.06. Notice of Default; Right to Investigate. The Trustee shall give written notice by first-class mail to registered Holders of a Series of Bonds of all defaults known to the Trustee, unless such defaults have been remedied (the term "defaults" for purposes of this Section and Section 11.07 being defined to include the events specified as "Events of Default" in Article X hereof, but not including any notice or periods of grace provided for therein); provided that, except in the case of a default in payment of principal or interest or Redemption Price, the Trustee may withhold such notice so long as it in good faith determines that such withholding is in the interest of the Bondholders. The Trustee shall not be deemed to have notice of any default other than a payment default under this Master Indenture and any Supplemental Indenture or a notification by a Credit Facility Issuer of a default under its Credit Facility, unless notified in writing of such default by the Majority Holder of the Outstanding Bonds of a Series. The Trustee may, however, at any time require of the Issuer full information as to the performance of any covenant hereunder, and if information satisfactory to it is not forthcoming, the Trustee may make or cause to be made, at the expense of the Issuer, an investigation into the affairs of the Issuer.

SECTION 11.07. Obligation to Act on Defaults. The Trustee shall be under no obligation to take any action in respect of any default or otherwise, unless it is requested in writing to do so by the Majority Holder of the Outstanding Bonds which are or would be, upon the taking of such action, subject to remedial proceedings under Article X of this Master Indenture if in its opinion such action may tend to involve expense or liability, and unless it is also furnished with indemnity satisfactory to it.

SECTION 11.08. Reliance by Trustee. The Trustee may act on any requisition, resolution, notice, telegram, electronic mail, facsimile transmission, request, consent, waiver, certificate, statement, affidavit, voucher, bond, or other paper or document which it in good faith believes to be genuine and to have been passed, signed or given by the persons purporting to be authorized (which in the case of the Issuer shall be a Responsible Officer) or to have been prepared and furnished pursuant to any of the provisions of this Master Indenture and any Supplemental Indenture; the Trustee shall be under no duty to make any investigation as to any statement contained in any such instrument, but may accept the same as conclusive evidence of the accuracy of such statement.

SECTION 11.09. Trustee May Deal in Bonds. The Trustee may in good faith buy, sell, own, hold and deal in any of the Bonds and may join in any action which any Bondholders may be entitled to take with like effect as if the Trustee were not a party to this Master Indenture and any Supplemental Indenture. The Trustee may also engage in or be interested in any financial or other transaction with the Issuer; provided, however, that if the Trustee determines that any such relation is in conflict with its duties under this Master Indenture and any Supplemental Indenture, it shall eliminate the conflict or resign as Trustee.

SECTION 11.10. Construction of Ambiguous Provisions. The Trustee may construe any ambiguous or inconsistent provisions of this Master Indenture and any Supplemental Indenture, and except as otherwise provided in Article XIII of this Master Indenture, any construction by the Trustee shall be binding upon the Bondholders. The Trustee shall give prompt notice to the Issuer of any intention to make such construction.

SECTION 11.11. Resignation of Trustee. The Trustee may resign and be discharged of the trusts created by this Master Indenture and all Supplemental Indentures by written resignation filed with the Secretary of the Issuer not less than sixty (60) days before the date when such resignation is to take effect. Notice of such resignation shall be sent by first-class mail to each Bondholder as its name and address appears on the Bond Register and to any Paying Agent, Registrar and Credit Facility Issuer, if any, at least sixty (60) days before the resignation is to take effect. Such resignation shall take effect on the day specified in the Trustee's notice of resignation unless a successor Trustee is previously appointed, in which event the resignation shall take effect immediately on the appointment of such successor; provided, however, that notwithstanding the foregoing, such resignation shall not take effect until a successor Trustee has been appointed. If a successor Trustee has not been appointed within ninety (90) days after the Trustee has given its notice of resignation, the Trustee may petition any court of competent jurisdiction for the appointment of a temporary successor Trustee to serve as Trustee until a successor Trustee has been duly appointed. Notice of such resignation shall also be given to any rating agency that shall then have in effect a rating on any of the Bonds.

SECTION 11.12. Removal of Trustee. The Trustee may be removed at any time by either (a) the Issuer, if no default exists under this Master Indenture or any Supplemental Indenture, or (b) an instrument or concurrent instruments in writing, executed by the Majority Holder of the Bonds then Outstanding and filed with the Issuer. A photographic copy of any instrument or instruments filed with the Issuer under the provisions of this paragraph, duly certified by a Responsible Officer, shall be delivered promptly by the Issuer to the Trustee and to any Paying Agent, Registrar and Credit Facility Issuer, if any.

The Trustee may also be removed at any time for any breach of trust or for acting or proceeding in violation of, or for failing to act or proceed in accordance with, any material provision of this Master Indenture or any Supplemental Indenture with respect to the duties and obligations of the Trustee by any court of competent jurisdiction upon the application of the Issuer or the Majority Holder of the Bonds then Outstanding.

SECTION 11.13. Appointment of Successor Trustee. If the Trustee or any successor Trustee resigns or is removed or dissolved, or if its property or business is taken under the control of any state or federal court or administrative body, a vacancy shall forthwith exist in the office of the Trustee, and the Issuer shall appoint a successor and shall mail notice of such appointment by first-class mail to each Bondholder as its name and address appear on the Bond Register, and to the Paying Agent, Registrar, Credit Facility Issuer, if any, and any rating agency that shall then have in effect a rating on any of the Bonds. If no appointment of a successor Trustee shall be made pursuant to the foregoing provisions of this Master Indenture prior to the date specified in the notice of resignation or removal as the date when such resignation or removal was to take effect, the Majority Holder of all Bonds then Outstanding may appoint a successor Trustee.

SECTION 11.14. Qualification of Successor. A successor Trustee shall be a bank or trust company with trust powers, having a combined net capital and surplus of at least \$50,000,000.

SECTION 11.15. Instruments of Succession. Subject to Section 11.16 hereof, any successor Trustee shall, subject to Section 11.16 hereof, execute, acknowledge and deliver to the Issuer an instrument accepting such appointment hereunder and thereupon, such successor Trustee, without any further act, deed, or conveyance, shall become fully vested with all the estates, properties, rights, powers, trusts, duties and obligations of its predecessor in trust hereunder, with like effect as if originally named Trustee herein. The Trustee ceasing to act hereunder, after deducting all amounts owed to the Trustee, shall pay over to the successor Trustee all moneys held by it hereunder and, upon written request of the successor Trustee, the Trustee ceasing to act and the Issuer shall execute and deliver an instrument or instruments prepared by the Issuer transferring to the successor Trustee all the estates, properties, rights, powers and trusts hereunder of the predecessor Trustee, except for its rights to indemnity under Section 11.04 hereof.

SECTION 11.16. Merger of Trustee. Any corporation into which any Trustee hereunder may be merged or with which it may be consolidated, or any corporation resulting from any merger or consolidation to which any Trustee hereunder shall be a party, or any corporation that acquires the Trust Accounts of any Trustee hereunder, shall be the successor Trustee under this Master Indenture and all Supplemental Indentures, without the execution or filing of any paper or any further act on the part of the parties hereto, anything herein to the contrary notwithstanding; provided, however, that any such successor corporation continuing to act as Trustee hereunder shall meet the requirements of Section 11.14 hereof, and if such corporation does not meet the aforesaid requirements, a successor Trustee shall be appointed pursuant to this Article XI. The Trustee may not resign as the Paying Agent or the Registrar without resigning as Trustee.

SECTION 11.17. Extension of Rights and Duties of Trustee to Paying Agent and Registrar. The provisions of Sections 11.02, 11.03, 11.04, 11.08, 11.09, 11.10 and 11.16 hereof are hereby made applicable to the Paying Agent and the Registrar, as appropriate, and any Person serving as Paying Agent and/or Registrar, hereby enters into and agrees to comply with the covenants and agreements of this Master Indenture and all Supplemental Indentures applicable to the Paying Agent and Registrar, respectively.

SECTION 11.18. Resignation of Paying Agent or Registrar. The Paying Agent or Registrar may resign and be discharged of the duties created by this Master Indenture and all Supplemental Indentures by executing an instrument in writing resigning such duties and specifying the date when such resignation shall take effect, and filing the same with the Issuer, the Trustee, and any rating agency that shall then have in effect a rating on any of the Bonds, not less than forty-five (45) days before the date specified in such instrument when such resignation shall take effect, and by giving written notice of such resignation not less than three (3) weeks prior to such resignation date to the Bondholders, mailed to their addresses as such appear in the Bond Register. Such resignation shall take effect on the date specified in such instrument and notice, but only if a successor Paying Agent or Registrar shall have been appointed as hereinafter provided, in which event such resignation shall take effect immediately upon the appointment of such successor Paying Agent or Registrar. If the successor Paying Agent or Registrar shall not have been appointed within a period of ninety (90) days following the giving of notice, then the Paying Agent or Registrar shall be authorized to petition any court of competent jurisdiction to appoint a successor Paying Agent or Registrar as provided in Section 11.22 hereof.

SECTION 11.19. Removal of Paying Agent or Registrar. The Paying Agent or Registrar may be removed at any time prior to any Event of Default by the Issuer by filing with the Paying Agent or Registrar to be removed, and with the Trustee, an instrument or instruments in writing executed by the Issuer appointing a successor, or an instrument or instruments in writing designating, and accompanied by an instrument or appointment by the Issuer of, such successor. Such removal shall be effective thirty (30) days (or such longer period as may be set forth in such instrument) after delivery of the instrument; provided, however, that no such removal shall be effective until the successor Paying Agent or Registrar appointed hereunder shall execute, acknowledge and deliver to the Issuer an instrument accepting such appointment hereunder.

SECTION 11.20. Appointment of Successor Paying Agent or Registrar. In case at any time the Paying Agent or Registrar shall be removed, or be dissolved, or if its property or affairs shall be taken under the control of any state or federal court or administrative body because of insolvency or bankruptcy, or for any other reason, then a vacancy shall forthwith and ipso facto exist in the office of the Paying Agent or Registrar, as the case may be, and a successor shall be appointed by the Issuer; and in case at any time the Paying Agent or Registrar shall resign, then a successor shall be appointed by the Issuer. After any such appointment, notice of such appointment shall be given by the Issuer to the predecessor Paying Agent or Registrar, the successor Paying Agent or Registrar, the Trustee, the Credit Facility Issuer, if any, any rating agency that shall then have in effect a rating on any of the Bonds, and all Bondholders. Any new Paying Agent or Registrar so appointed shall immediately, and without further act, supersede the predecessor Paying Agent or Registrar.

SECTION 11.21. Qualifications of Successor Paying Agent or Registrar. Every successor Paying Agent or Registrar (a) shall be a commercial bank or trust company (i) duly organized under the laws of the United States or any state or territory thereof, (i) authorized by law to perform all the duties imposed upon it by this Master Indenture and all Supplemental Indentures and (iii) capable of meeting its obligations hereunder, and (b) shall have a combined net capital and surplus of at least \$50,000,000.

SECTION 11.22. Judicial Appointment of Successor Paying Agent or Registrar. In case at any time the Paying Agent or Registrar shall resign and no appointment of a successor Paying Agent or Registrar shall be made pursuant to the foregoing provisions of this Master Indenture prior to the date specified in the notice of resignation as the date when such resignation is to take effect, the retiring Paying Agent or Registrar may forthwith apply to a court of competent jurisdiction for the appointment of a successor Paying Agent or Registrar. Such court may thereupon, after such notice, if any, as it may deem proper and prescribe, appoint a successor Paying Agent or Registrar. Notice of such appointment shall be given by the Successor Registrar or Paying Agent to the Issuer, the Trustee, the Credit Facility Issuer, if any, any rating agency that shall then have in effect a rating on any of the Bonds, and all Bondholders. In the absence of such an appointment, the Trustee shall become the Registrar or Paying Agent, or and shall so notify the Issuer, any rating agency that shall have issued a rating on the Bonds, and all Bondholders.

SECTION 11.23. Acceptance of Duties by Successor Paying Agent or Registrar. Any successor Paying Agent or Registrar shall become duly vested with all the estates, property, rights, powers, duties and obligations of its predecessor hereunder, with like effect as if

originally named Paying Agent or Registrar herein. Upon request of such Paying Agent or Registrar, such predecessor Paying Agent or Registrar and the Issuer shall, after payment of its fees and expenses, execute and deliver an instrument transferring to such successor Paying Agent or Registrar all the estates, property, rights and powers hereunder, except for its rights under Section 11.04 hereof, as applicable, pursuant to Section 11.17 hereof, of such predecessor Paying Agent or Registrar and such predecessor Paying Agent or Registrar shall pay over and deliver to the successor Paying Agent or Registrar all moneys and other assets at the time held by it hereunder.

SECTION 11.24. Successor by Merger or Consolidation. Any corporation into which any Paying Agent or Registrar hereunder may be merged or converted or with which it may be consolidated, or any corporation resulting from any merger or consolidation to which any Paying Agent or Registrar hereunder shall be a party, or any corporation which shall have purchased substantially all of the bond administration business of the corporate trust department shall be the successor Paying Agent or Registrar under this Master Indenture and all Supplemental Indentures without the execution or filing of any paper or any further act on the part of the parties thereto, anything in this Master Indenture or any Supplemental Indenture to the contrary notwithstanding.

SECTION 11.25 Patriot Act Requirements of Trustee. To help the government fight the funding of terrorism and money laundering activities, Federal law requires all financial institutions to obtain, verify and record information that identifies each person who opens an account. For a non-individual person such as a business entity, a charity, a trust or other legal entity, the Trustee will ask for documentation to verify such non-individual person's formation and existence as a legal entity. The Trustee may also ask to see financial statements, licenses, identification and authorization documents from individuals claiming authority to represent the entity or other relevant documentation.

SECTION 11.26 Signatures. All notices, approvals, consents, requests and any communications hereunder must be in writing (provided that any communication sent to Trustee hereunder must be in the form of a document that is signed manually or by way of a digital signature provided by the Issuer (or such other digital signature provider as specified in writing to the Trustee by the authorized representative), in English.

ACTS OF BONDHOLDERS; EVIDENCE OF OWNERSHIP OF BONDS

SECTION 12.01. Acts of Bondholders; Evidence of Ownership of Bonds. Any action to be taken by Bondholders may be evidenced by one or more concurrent written instruments of similar tenor signed or executed by such Bondholders in person or by an agent appointed in writing. The fact and date of the execution by any person of any such instrument may be provided by acknowledgment before a notary public or other officer empowered to take acknowledgments or by an affidavit of a witness to such execution. (d) to make such changes as may be necessary in order to reflect amendments to Chapters 170, 190 and 197, Florida Statutes, so long as, in the opinion of counsel to the Issuer, such changes either: (i) do not have a material adverse effect on the Holders of the Bonds; or (ii) if such changes do have an adverse effect, that they nevertheless are required to be made as a result of such amendments.

SECTION 13.02. Amendments With Bondholders' Consent. conditions on which the Bonds are issued, the rights, duties and obligations of the Issuer and of the Trustee under the Indenture, the conditions under which such Indenture may be amended without the consent of the Registered Owners of the Bonds, the conditions under which such Indenture may be amended with the consent of the Majority Holders, and as to other rights and remedies of the Registered Owners of the Bonds.

The Registered Owner of this Bond shall have no right to enforce the provisions of the Indenture or to institute action to enforce the covenants therein, or to take any action with respect to any event of default under the Indenture or to institute, appear in or defend any suit or other proceeding with respect thereto, except as provided in the Indenture.

It is expressly agreed by the Registered Owner of this Bond that such Registered Owner shall never have the right to require or compel the exercise of the ad valorem taxing power of the Issuer, the City, the County, the State of Florida (the "State") or any other political subdivision thereof, or taxation in any form of any real or personal property of the Issuer, the City, the County, the State or any other political subdivision thereof, for the payment of the principal of, premium, if any, and interest on this Bond or the making of any other sinking fund and other payments provided for in the Indenture, except for Special Assessments to be assessed and levied by the Issuer as set forth in the Indenture.

By the acceptance of this Bond, the Registered Owner hereof assents to all the provisions of the Indenture.

This Bond is payable from and secured by Pledged Revenues, as such term is defined in the Indenture, all in the manner provided in the Indenture. The Indenture provides for the levy and the evidencing and certifying, of non-ad valorem assessments in the form of Special Assessments to secure and pay the Bonds.

The Bonds are subject to redemption prior to maturity in the amounts, at the times and in the manner provided below. All payments of the Redemption Price of the Bonds shall be made on the dates specified below. Upon any redemption of Bonds other than in accordance with scheduled mandatory sinking fund redemption amounts, the Issuer shall cause to be recalculated and delivered to the Trustee revised mandatory sinking fund redemption amounts recalculated so as to amortize the Outstanding principal amount of Bonds in substantially equal annual installments of principal and interest (subject to rounding to Authorized Denominations of principal) over the remaining term of the Bonds. The mandatory sinking fund redemption amounts as so recalculated shall not result in an increase in the aggregate of the mandatory sinking fund redemption amounts for all Bonds in any year. In the event of a redemption or purchase occurring less than 45 days prior to a date on which a mandatory sinking fund redemption amount is due, the foregoing recalculation shall not be made to mandatory sinking fund redemption amounts due in the year in which such redemption or purchase occurs, but shall be made to mandatory sinking fund redemption amounts for the immediately succeeding and subsequent years.

[Insert Optional, Mandatory, Sinking Fund and Extraordinary Mandatory Redemption Provisions from Series Supplemental Indenture]

Notice of Redemption

The Trustee shall cause notice of redemption to be mailed at least thirty (30) but not more than sixty (60) days prior to the date of redemption to all Registered Owners of Bonds to be redeemed (as such owners appear on the books of the Registrar on the fifth (5th) day prior to such mailing) and to certain additional parties as set forth in the Indenture; provided, however, that failure to mail any such notice or any defect in the notice or the mailing thereof shall not affect the validity of the redemption of the Bonds for which such notice was duly mailed in accordance with the Indenture. If less than all of the Bonds shall be called for redemption, the notice of redemption shall specify the Bonds to be redeemed. On the redemption date, the Bonds called for redemption will be payable at the corporate trust office of the Paying Agent and on such date interest shall cease to accrue, such Bonds shall cease to be entitled to any benefit under the Indenture and such Bonds shall not be deemed to be outstanding under the provisions of the Indenture and the Registered Owners of such Bonds shall have no rights in respect thereof except to receive payment of the redemption price thereof. If the amount of funds so deposited with the Trustee, or otherwise available, is insufficient to pay the redemption price and interest on all Bonds so called for redemption on such date, the Trustee shall redeem and pay on such date an amount of such Bonds for which such funds are sufficient, selecting the Bonds to be redeemed by lot from among all such Bonds called for redemption on such date, and interest on any Bonds not paid shall continue to accrue, as provided in the Indenture.

Partial Redemption of Bonds. If less than all the Bonds of a maturity are to be redeemed, the Trustee shall select the particular Bonds or portions of Bonds to be redeemed by lot in such reasonable manner as the Trustee in its discretion may determine. In the case of any partial redemption of Bonds pursuant to an optional redemption, such redemption shall be effectuated by redeeming Bonds of such maturities in such manner as shall be specified by the Issuer in writing, subject to the provisions of the Indenture. In the case of any partial redemption of Bonds pursuant to an extraordinary mandatory redemption, such redemption shall be effectuated by redeeming Bonds pro rata among the maturities, treating each date on which a mandatory sinking fund redemption amount is due as a separate maturity for such purpose, with the portion to be redeemed from each maturity being equal to the product of the aggregate principal amount of Bonds to be redeemed multiplied times a fraction the numerator of which is the principal amount of Bonds of such maturity outstanding immediately prior to the redemption date and the denominator of which is the aggregate principal amount of all Bonds outstanding immediately prior to the redemption date.

This Bond shall initially be issued in the name of Cede & Co. as nominee for DTC, and so long as this Bond is held in book-entry-only form Cede & Co. shall be considered the Registered Owner for all purposes hereof, including the payment of the principal of and interest on this Bond. Payment to DTC Participants shall be the responsibility of DTC. Payments by DTC Participants to Indirect Participants, and by DTC Participants and Indirect Participants to individual Beneficial Owners shall be the responsibility of DTC Participants and Indirect Participants and not of DTC, the Issuer or the Trustee.

The Issuer shall keep books for the registration of the Bonds at the corporate trust office of the Registrar in Orlando, Florida. Subject to the restrictions contained in the Indenture, the Bonds may be transferred or exchanged by the Registered Owner thereof in person or by his

attorney duly authorized in writing only upon the books of the Issuer kept by the Registrar and only upon surrender thereof together with a written instrument of transfer satisfactory to the Registrar duly executed by the Registered Owner or his duly authorized attorney. In all cases in which the privilege of transferring or exchanging Bonds is exercised, the Issuer shall execute and the Trustee shall authenticate and deliver a new Bond or Bonds in authorized form and in like aggregate principal amount in accordance with the provisions of the Indenture. Every Bond presented or surrendered for transfer or exchange shall be duly endorsed or accompanied by a written instrument of transfer in form satisfactory to the Trustee, Paying Agent or the Registrar, duly executed by the Bondholder or his attorney duly authorized in writing. Transfers and exchanges shall be made without charge to the Bondholder, except that the Issuer or the Trustee may require payment of a sum sufficient to cover any tax or other governmental charge that may be imposed in connection with any transfer or exchange of Bonds. Neither the Issuer nor the Registrar on behalf of the Issuer shall be required (i) to issue transfer or exchange any Bond during a period beginning at the opening of business fifteen (15) days before the day of mailing of a notice of redemption of Bonds selected for redemption and ending at the close of business on the day of such mailing, or (ii) to transfer or exchange any Bond so selected for redemption in whole or in part.

The Issuer, the Trustee, the Paying Agent and the Registrar shall deem and treat the person in whose name any Bond shall be registered upon the books kept by the Registrar as the absolute owner thereof (whether or not such Bond shall be overdue and notwithstanding any notation of ownership or other writing thereon made by anyone other than the Issuer, the Trustee, the Paying Agent or the Registrar) for the purpose of receiving payment of or on account of the principal of, premium, if any, and interest on such Bond as the same becomes due, and for all other purposes. All such payments so made to any such Registered Owner or upon his order shall be valid and effectual to satisfy and discharge the liability upon such Bond to the extent of the sum or sums so paid, and neither the Issuer, the Trustee, the Paying Agent, nor the Registrar shall be affected by any notice to the contrary.

It is hereby certified and recited that all acts, conditions and things required to exist, to happen, and to be performed, precedent to and in the issuance of this Bond exist, have happened and have been performed in regular and due form and time as required by the laws and Constitution of the State applicable thereto, including particularly the Act, and that the issuance of this Bond, and of the issue of the Bonds of which this Bond is one, is in full compliance with all constitutional and statutory limitations or provisions.

This Bond shall not be valid or become obligatory for any purpose or be entitled to any benefit or security under the Indenture until it shall have been authenticated by execution of the Trustee, or such other authenticating agent as may be appointed by the Trustee under the Indenture, of the certificate of authentication endorsed hereon.
